Effective July 1, 2013 there will be a $10 fee charged for the administration of each of the following tests:

Standard Math Placement Test
Advanced Math Placement Test
MATH 111 Readiness Quiz (IntroDUCKtion only)
Chinese, French, German, Japanese and Spanish Language Placement Test
Writing 121 and Writing 122 Waiver Exam

This fee has been approved and will be incorporated into the Special Fees and Fines Book.

As a cost recovery center, the Testing Center has been working toward developing a sound financial plan in order to adequately support the programs and services provided to the campus community. The institution of this fee is one of the last steps in a year long process of financial and strategic planning.

The mechanism for fee collection will vary based upon the time of year. During IntroDUCKtion and Week of Welcome, students will not be required to pay at the time of testing. Rather, once the testing sessions associated with these larger orientation and advising programs are finished, testing fees will be entered onto the student’s account. At all other times of the year, students will pay the fee when they register for a test through our online scheduling program.

Please share this with your staff. Let me know if you have any questions or concerns.
