

DENNIS LEROY JENKINS

CURRICULUM VITAE

October 12, 2007

Current Position

Senior Staff Archaeologist, Museum of Anthropology, University of Oregon
 Director Northern Great Basin Archaeological Field School, Museum of Natural and Cultural History, University of Oregon

Education

Ph.D. 1991 University of Oregon, Department of Anthropology (Archaeology)
 M.A. 1981 University of Nevada, Las Vegas, Department of Anthropology (Archaeology)
 B.A. 1977 University of Nevada, Las Vegas, Department of Anthropology (Archaeology)

Research Interests and Areal Expertise

Great Basin Hunting and Gathering Societies	Geoarchaeology and Paleoecology
Holocene Settlement-Subsistence Patterns	Paleodemographics
Middle Holocene Cultural Developments	Late Pleistocene mtDNA Recovery
Cultural Resource Management	Obsidian Sourcing and Hydration

Teaching Experience

1989-Present Director and Supervisor, **Anth 408/508 Field Work in Anthropology (Archaeological Field School)**, Department of Anthropology, University of Oregon.

1997-Present Co-Instructor, **Anth 344, Oregon Archaeology**, Department of Anthropology, University of Oregon (Eugene and Bend Branches).

1998 Instructor, **Anth 150, Introduction to Archaeology**, Department of Anthropology, University of Oregon.

1987-90 Graduate Teaching Fellow, **Anth. 107, Introduction to Archaeology, Introduction to Sociobiology**, Department of Anthropology, University of Oregon.

Lecturer

2007/2008: Chautauqua Lecture Series, Oregon Council for the Humanities, Portland, Oregon. "Obsidian: History through the Volcanic Glass Window".

2005/2006: Chautauqua Lecture Series, Oregon Council for the Humanities, Portland, Oregon. "Where the Buffalo and the Camel Roamed: Oregon's Earliest High Desert Occupants".

2000/2001: Chautauqua Lecture Series, Oregon Council for the Humanities, Portland, Oregon. "10,000 Years of Cultural Continuity and Change in the Fort Rock Basin of Oregon".

Service in Publications

- 2000-Present** Editorial Board Member, *University of Oregon Anthropological Papers*.
- 1990-Present** Sales Representative for *University of Oregon Anthropological Papers*, Great Basin Anthropological Conference, Northwest Anthropological Conference, and Society for California Archaeology.

Research Publications

- (Gilbert, M. Thomas, **Dennis L. Jenkins**, Nuria Naveran, Juan J. Sanchez, Anders Götherstrom, Michael Hofreiter, Tom Higham, Jonas Binladen, Eske Willerslev)
- In Prep. Oldest Directly Dated Human Remains from the Americas. Submitted to Science magazine.
- In Press Distribution and Dating of Cultural and Paleontological Remains at the Paisley 5 Mile Point Caves (35LK3400) in the Northern Great Basin: an Early Assessment. In Paleoindian or Paleoarchaic? Great Basin Human Ecology at the Pleistocene-Holocene Transition, edited by Kelly Graf and David Schmitt, Chapter 4. University of Utah Press, Salt Lake City.
- 2006 (Brian L. O'Neill, **Dennis L. Jenkins**, Charles M. Hodges, Patrick W. O'Grady, and Thomas J. Connolly) Housepits in the Chewaucan Marsh: Investigations at the Gravelly Ford Bridge Site. In Beads, Points, and Pit Houses: A Northern Great Basin Miscellany edited by Brian L. O'Neill, pp. 93-136. University of Oregon Anthropological Papers 66. Eugene.
- 2005 Introduction to the 2005 Edition. In The Sandal and the Cave: The Indians of Oregon, by Luther S. Cressman, pp. vi-xxxiii. Northwest Reprints, Oregon State University Press, Corvallis.
- 2004 The Grasshopper and the Ant: Middle Holocene Occupations and Storage Behavior at the Bowling Dune Site in the Fort Rock Basin, Oregon. In Early and Middle Holocene Archaeology of the Northern Great Basin edited by Dennis L. Jenkins, Thomas J. Connolly, and C. Melvin Aikens, pp. 123-156. University of Oregon Anthropological Papers 62. Eugene.
- 2004 (**Dennis L. Jenkins**, Thomas J. Connolly, and C. Melvin Aikens, editors) Early and Middle Holocene Archaeology of the Northern Great Basin. University of Oregon Anthropological Papers 62. Eugene.
- 2004 (**Dennis L. Jenkins**, Thomas J. Connolly, and C. Melvin Aikens) Early and Middle Holocene Archaeology in the Northern Great Basin: Dynamic Natural and Cultural Ecologies. In Early and Middle Holocene Archaeology of the Northern Great Basin edited by Dennis L. Jenkins, Thomas J. Connolly, and C. Melvin Aikens, pp. 1-20. University of Oregon Anthropological Papers 62. Eugene.
- 2004 (**Dennis L. Jenkins**, Michael S. Droz, and Thomas J. Connolly) Geoarchaeology of Wetlands Settings in the Fort Rock Basin, South-Central Oregon. In Early and Middle Holocene Archaeology of the Northern Great Basin edited by Dennis L. Jenkins, Thomas J. Connolly, and C. Melvin Aikens, pp. 31-52. University of Oregon Anthropological Papers 62. Eugene.
- 2004 (**Dennis L. Jenkins**, Leah L. Largaespada, Tony D. Largaespada, and Mercy A. McDonald) Early and Middle Holocene Ornament Exchange Systems in the Fort Rock Basin of Oregon. In Early and Middle Holocene Archaeology of the Northern Great Basin edited by Dennis L. Jenkins, Thomas J. Connolly, and C. Melvin Aikens, pp. 251-270. University of Oregon Anthropological Papers 62. Eugene.
- 2004 (Charlotte Beck, George T. Jones, **Dennis L. Jenkins**, Craig E. Skinner, and Jennifer J. Thatcher) Fluted or Basally-Thinned? Re-Examination of a Lanceolate Point from the Connley Caves in the Fort Rock Basin. In Early and Middle Holocene Archaeology of the Northern Great Basin edited by Dennis L. Jenkins, Thomas J. Connolly, and C. Melvin Aikens, pp. 281-294. University of Oregon Anthropological Papers 62. Eugene.

- (Craig E. Skinner, Jennifer J. Thatcher, **Dennis L. Jenkins**, and Albert C. Oetting)
 2004 X-Rays, Artifacts, and Procurement Ranges: A Mid-Project Snapshot of Prehistoric Obsidian Procurement Patterns in the Fort Rock Basin. In Early and Middle Holocene Archaeology of the Northern Great Basin edited by Dennis L. Jenkins, Thomas J. Connolly, and C. Melvin Aikens, pp. 221-232. University of Oregon Anthropological Papers 62. Eugene.
- 2001 Review of "Models for the Millenium: Great Basin Anthropology Today" edited by Charlotte Beck. The University of Utah Press. Athena Review 3(1):91-94.
- 2001 Review of "Prehistoric Lifeways in the Great Basin Wetlands: Bioarchaeological Reconstruction and Interpretation" edited by Brian E. Hemphill and Clark Spencer Larsen. The University of Utah Press. Athena Review 3(2):94-98.
- 2001 Review of "Intermountain Archaeology" edited by David B. Madsen and Michael D. Metcalf. The University of Utah Press. Athena Review 3(2):98-101.
- 2000 Early to Middle Holocene Cultural Transitions in the Northern Great Basin of Oregon: The View From Fort Rock. In Archaeological Passages: Transitions and Continuum Papers in Honor of Claude N. Warren, edited by Joan S. Schneider, Robert M. Yohe II, and Jill K. Gardner. Publications in Anthropology and Paleontology Vol. 1, pp. 69-109. San Jacinto Valley, CA: Western Center for Archaeology and Paleontology.
- 1999 Great Basin Archaeology of the Early and Middle Holocene in Central Oregon. Athena Review 2(1):70-77.
 (Thomas J. Connolly and **Dennis L. Jenkins**)
- 1999 The Paulina Lake Site (35DS34). In Newberry Crater: A Ten-Thousand-Year Record of Human Occupation and Environmental Change in the Basin-Plateau Borderlands, edited by Thomas J. Connolly, pp. 86-126. University of Utah Anthropological Papers No. 121. University of Utah Press, Salt Lake City.
- 1998 The University of Oregon's Fort Rock Basin Prehistory Project: 10 Years of Intensive Research. Current Archaeological Happenings in Oregon (CAHO) 23(3): 11-13.
- 1997 Review of "Prehistoric Cold Storage on the Snake River Plain: Archaeological Investigations at Bobcat Cave", authored by Lael Suzann Henrikson. Archaeological Survey of Idaho, Monographs in Idaho Archaeology and Ethnology No. 1, Idaho State Historical Society, 1996. Journal of California and Great Basin Anthropology 19(2):301-303.

- 1985 Obsidian Hydration and the Pinto Chronology in the Mojave Desert. Journal of California and Great Basin Anthropology 6(1):44-60.

Professional Reports

- 2005 Archaeological Pedestrian Survey of the Hampton-Glass Buttes Section (MP 62 to 75), U.S. Highway 20, Deschutes and Lake Counties, the Torkelson/Erickson Road Intersection (MP 4.57), U.S. Highway 20, Deschutes County, and the GI Ranch (Lake County) and Riley (Harney County) Quarries. Museum Report 2005-243. Museum of Natural and Cultural History, University of Oregon, Eugene.
- (**Dennis L. Jenkins**, Brian L. O'Neill, and Thomas J. Connolly)
- 2004 Archaeological Test Excavations at the Silver Creek Bridge Sites (35LK2678 and 35LK2695), Oregon Highway 31, Lake County. Museum of Anthropology Report 2004-2, University of Oregon, Eugene.
- (**Dennis L. Jenkins**, Brian L. O'Neill, and Thomas J. Connolly)
- 2003 Archaeological Test Excavations at the Trout Creek Site (35LIN663), U.S. Highway 20, Santiam River, Linn County. State Museum of Anthropology Report 2003-1, University of Oregon, Eugene.
- (**Dennis L. Jenkins**, C. Melvin Aikens, and William J. Cannon)
- 2002 Reinvestigation of the Connley Caves (35LK50): A Pivotal Early Holocene Site in the Fort Rock Basin of South-Central Oregon. A proposal and Research Design for a Cooperative Agreement Between the Bureau of Land Management and the University of Oregon. Museum of Anthropology, University of Oregon, Eugene.
- 2001 (**Dennis L. Jenkins**, Brian L. O'Neill, and Thomas J. Connolly)
- Archaeological Exploratory Excavations at the Trout Creek Culvert Replacement Project on U.S. Highway 20, Santiam River, Linn County. State Museum of Anthropology Report 2001-9, University of Oregon, Eugene.
- (**Dennis L. Jenkins** and Thomas J. Connolly)
- 2001 Archaeological Testing of the Malheur Terrace (35ML984) and Malheur Terrace 2 (35ML1026) Sites, Malheur County, Oregon. State Museum of Anthropology Report 2001-2, University of Oregon, Eugene.
- (Brian L. O'Neill, **Dennis L. Jenkins**, Charles M. Hodges, Patrick O'Grady, and Thomas J. Connolly)
- 2000 The Chewaucan River Bridges Project: Archaeological Investigations at Three Localities in the Lower Chewaucan Marsh Along the La Pine-Valley Falls Highway (OR31), Lake County, Oregon. State Museum of Anthropology Report 2000-4, University of Oregon, Eugene.
- 2000 Human Adaptations in Drews Valley: A Mid-Elevation Setting on the Northwestern Great Basin Periphery, South-Central Oregon. State Museum of Anthropology Report 2000-3, University of Oregon, Eugene.

- (**Dennis L. Jenkins**, C. Melvin Aikens, and William J. Cannon)
 2000 University of Oregon Archaeological Field School Northern Great Basin Prehistory Project Research Design. Museum of Natural History, University of Oregon, Eugene.
- (**Dennis L. Jenkins**, C. Melvin Aikens, and William J. Cannon)
 1999 University of Oregon Archaeological Field School Northern Great Basin Prehistory Project Research Design. Museum of Natural History, University of Oregon, Eugene.
- (Brian L. O'Neill, Charles M. Hodges, Thomas J. Connolly, and **Dennis L. Jenkins**)
 1999 Archaeological Evaluation of Three Localities in the Lakeview SCL-Cogswell Creek Section of the Fremont Highway (OR395), Lake County, Oregon. State Museum of Anthropology Report 99-4, University of Oregon, Eugene.
- (**Dennis L. Jenkins** and Tony Largaespada)
 1999 Cultural Resource Evaluation of Archaeological Sites along Beaver Creek, Warm Springs Highway (U.S. 26), Warm Springs Reservation, Wasco County, Oregon. OSMA Report 99-2, State Museum of Anthropology, University of Oregon, Eugene.
- (Thomas J. Connolly and **Dennis L. Jenkins**)
 1995 The Paulina Lake Site (35DS34). *In* Human and Environmental Holocene Chronology in Newberry Crater, Central Oregon, edited by Thomas J. Connolly, pp. 125-195. Report to the Oregon Department of Transportation, Salem, Oregon.
- (**Dennis L. Jenkins**, Guy Prouty, Patricia McDowell, and Vivien Singer)
 1994 Exploratory Excavations at Nine Archaeological Sites on Mining Claims C and D of the Oil Dri Corporation, Fort Rock Valley, Central Oregon. Report to Bureau of Land Management, Lakeview District and Oil Dri Corporation, Christmas Valley.
- (**Dennis L. Jenkins** and Melissa Cole Darby)
 1992 Cultural Resources Survey of Pacific Power and Light Company's Cove-Pelton Reregulating Dam 69/115 kV Transmission Line Project, Jefferson County, Oregon. State Museum of Anthropology, University of Oregon Report 92-6.
- 1989 Archaeological Investigations in the Fort Rock Basin: 1989 University of Oregon Field School. Report to the Department of Anthropology, University of Oregon and BLM, Lakeview District Office.
- 1988 Testing and Evaluation of Mitchell Cave (35WH122), Wheeler County, Oregon. OSMA Reports 88-5, Oregon State Museum of Anthropology, University of Oregon, Eugene.
- 1986 Ceramic Analysis of Potsherds from 10 Rockshelters and Roasting Pits in California Wash. *In* A New Interpretation of Archaeological Features in the California Wash Region of Southern Nevada. Masters' thesis by Linda Blair, University of Nevada, Las Vegas.
- (**Dennis L. Jenkins**, Claude N. Warren, and Thomas Wheeler)
 1986 Test Excavation and Data Recovery at the Awl Site (4-SBr-4562), a Pinto Site at Fort Irwin, San Bernardino County, California. Fort Irwin Archaeological Project Research Report No. 13. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1986 Rogers Ridge (4-SBr-5250): a Fossil Spring Site of the Lake Mojave and Pinto Periods—Phase 2 Test Excavations and Site Evaluation. Fort Irwin Archaeological Project Research Report No.18. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1986 Flood, Sweat, and Spears in the Valley of Death: Site Survey and Evaluation in Tiefert Basin, Fort Irwin, California. Fort Irwin Archaeological Project Research Report No.17. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.

- 1986 Ceramic Analysis. In Archaeological Testing and Data Recovery at Drinkwater Basin, Fort Irwin, San Bernardino County, California, edited by Jackson Underwood. Fort Irwin Archaeological Project Research Report No. 22, pp. 203-209. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1984 Bitter Spring (4-SBr-2659) Testing and Survey. In Bits and Pieces of Prehistory at Fort Irwin: Testing of KD_25, The Knoll Site, Crossroads Site, Garlic Spring and Bitter Spring; and Survey of Areas 12A and 12H, Fort Irwin, San Bernardino County, California by Elizabeth J. Skinner. Fort Irwin Archaeological Project Research Report No. 12, pp. 120-203. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1984 Ceramic Analysis: the Test Implications. In Archaeological Studies in No Name West Basin, Fort Irwin, San Bernardino County, California by Michael S. Kelly and Claude N. Warren. Fort Irwin Archaeological Project Research Report No. 16, pp. 406-418. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1984 Ceramics from the Drinkwater Spring Site (4-SBr-3831). In An Intensive Cultural Resource Survey Around Drinkwater Spring and South of Leach Lake, Fort Irwin, San Bernardino County, California by Richard Stockton. Fort Irwin Archaeological Project Research Report 5, pp. 83-85. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1982 Test Excavation and Significance Assessment of Archaeological Site 4_SBr_4448, a Rockshelter in the Drinkwater Basin, San Bernardino County, California. Fort Irwin Archaeological Project Research Report No. 2. Submitted to Interagency Archaeological Services, National Park Service, San Francisco.
- 1982 Ceramics. In Test Excavations at the Happy Face Site 26CK1481 (CK_NV_05_634) and the Bar_B_Que site 26CK1482 (CK_NV_05_635), Hidden Valley within the Muddy Mountains, Clark County, Nevada, by Richard H. Brooks and Robert Ellis. Archaeological Research Center, Museum of Natural History, University of Nevada, Las Vegas.
- 1981 Cliff's Edge: a Pueblo 1 Site on the Lower Virgin River. Master of Arts Thesis, Department of Anthropology, University of Nevada, Las Vegas.

Professional Meeting Chairs, Symposia, and Papers

- (Chair)
- 2006 Evidence (Including mt-DNA) for Pleistocene Human Occupations in the Northern Great Basin: Paisley 5 Mile Point Caves in South-Central Oregon. A symposium presented at the 30th Great Basin Anthropological Conference, Las Vegas, Nevada.
- 2006 Archaeology and Dating of the Paisley 5 Mile Point Caves (35LK3400): An Introduction. A paper presented at the 30th Great Basin Anthropological Conference, Las Vegas, Nevada.
- (Eske Willerslev, Nuria Naveran, Tom Gilbert, Juan Sanchez, **Dennis L. Jenkins**, Jonas Binladen, Anders Götherström, and Michael Hofreiter)
- 2006 Ancient DNA Analyses of Pre-Clovis Human Coprolites. A paper presented at the 30th Great Basin Anthropological Conference, Las Vegas, Nevada.
- (Robert M. Yohe II, R.E. Parr, **Dennis L. Jenkins**, and Eske Willerslev)
- 2006 Concordance of Immunological Protein Residue Analysis and m-DNA in the Taxonomic Identification of Nonvisual Constituents of Paleo-Indian and Archaic Human Coprolites from Paisley 5 Mile Point Cave, Oregon. A paper presented at the 30th Great Basin Anthropological Conference, Las Vegas, Nevada.
- (**Dennis L. Jenkins**, Thomas J. Connolly, Craig E. Skinner, and Jennifer J. Thatcher)

- 2006 A View of Northern Great Basin Prehistory Through the Volcanic Glass Window. A paper presented at the 59th annual meeting of the Northwest Anthropological Conference, Seattle, Washington.
- 2006 Verifying the Pre-Clovis Human Occupation of the Paisley 5 Mile Point Caves Site (35LK3400) in South Central Oregon. A paper presented at the Association of Oregon Archaeologists Annual Fall Meeting, Eugene, Oregon.
- 2005 Diets and Technology for Survival in an Ancient Arid Land: The Paisley Caves 10,000 – 12,000 B.C. A paper presented at the American Association for the Advancement of Science, Pacific Division Meetings, Ashland, Oregon.
- 2005 Distribution and Dating of Pleistocene Fauna and Cultural Remains at Paisley 5 Mile Point Caves, South Central Oregon. A paper presented at the 70th Annual Meeting of the Society for American Archaeology, Salt Lake City, Utah.
- (**Dennis L. Jenkins** and C.E. Skinner)
- 2004 Obsidian Source Characterization and Hydration Analyses at the Paisley 5 Mile Point Caves (35LK3400): A Pleistocene-Holocene Site in the Northern Great Basin. A paper presented at the 29th Great Basin Anthropological Conference, Sparks, Nevada.
- 2004 Archaeology of the Paisley 5 Mile Point Caves, South-Central Oregon. A paper presented at the Association of Oregon Archaeologists Annual Fall Meeting, Salem, Oregon.
- 2004 Terminal Pleistocene Animals and Human Occupations at the Paisley Five Mile Ridge Caves, South-Central Oregon. A paper presented at the 57th Northwest Anthropological Conference, Eugene, Oregon.
- 2003 Paisley 5 Mile Caves: Late Pleistocene Occupations in South-Central Oregon. A paper presented at the 56th Northwest Anthropological Conference, Bellingham, Washington.
- (Linda Scott Cummings, Kathryn Puseman, and **Dennis L. Jenkins**)
- 2002 Diet Reflected in Coprolites at Connley Cave 5, Oregon. A paper presented at the Great Basin Anthropological Conference, Elko, Nevada.
- 2002 Stratigraphy and Chronology at the Connley Caves (35LK50), Central Oregon. A paper presented at the Great Basin Anthropological Conference, Elko, Nevada.
- 2002 Obsidian Source Characterization and Hydration Analysis at the Connley Caves (35LK50) in South-Central Oregon. A paper presented at the 55th Northwest Anthropological Conference, Boise, Idaho.
- (**Dennis L. Jenkins** and Tony D. Largaespada)
- 2001 Archaeology of the Connley Caves: Update and Revision (1967-2000). A paper presented at the 54th Northwest Anthropological Conference, Moscow, Idaho.
- (Thomas J. Connolly and **Dennis L. Jenkins**)
- 2000 Pre-Mazama Times at the Northern Great Basin Periphery: A Consideration of the Newberry Volcano and Fort Rock Basin Cultural Records. A paper presented at the 27th biennial Great Basin Anthropological Conference, Ogden, Utah.
- (Brian L. O'Neill, Patrick O'Grady, and **Dennis L. Jenkins**)
- 2000 Gravelly Ford: A Middle and Late Holocene Pithouse Site in the Chewaucan Marsh. A paper presented at the 27th biennial Great Basin Anthropological Conference, Ogden, Utah.
- (**Dennis L. Jenkins**, Marge Helzer, Leah Largaespada, and Patrick O'Grady)
- 2000 Middle Holocene Adaptations on the Northwestern Great Basin/Southwestern Plateau Interface:

- Subsistence, Trade, and Social Organization in the Fort Rock Region of Central Oregon. A paper presented at the 53rd Northwest Anthropological Conference, Spokane, Washington.
- (**Dennis L. Jenkins**, Craig E. Skinner, Jennifer J. Thatcher, and Keenan Hoar)
- 1999 Obsidian Characterization and Hydration Results of the Fort Rock Basin Prehistory Project. A paper presented at the 52nd Northwest Anthropological Conference, Newport, Oregon.
- 1998 Conference Chair for the 26th Biennial Great Basin Anthropological Conference, Bend, Oregon.
- (Linda Cummings, Guy L. Prouty, **Dennis L. Jenkins**, and Kathryn Puseman)
- 1998 Subsistence in Fort Rock Basin. Paper presented at the 26th Biennial Great Basin Anthropological Conference, Bend, Oregon.
- (Michael S. Droz and **Dennis L. Jenkins**)
- 1998 Geoarchaeology of Wetland Settings in the Fort Rock Basin, South-Central Oregon. Paper presented at the 26th Biennial Great Basin Anthropological Conference, Bend, Oregon.
- 1998 Culture History and Holocene Wetlands Environments of the Northern Great Basin. Paper presented at the 63rd annual meeting of the Society for American Archaeology, Seattle, Washington.
- 1997 Early to Middle Holocene (12,000 to 5,000 BP) Cultural Transitions in the Northern Great Basin of Oregon: Was Bedwell (1970) Right? Paper presented at the 50th Northwest Anthropological Conference, Ellensburg, Washington.
- 1996 Early to Mid Holocene (8000 to 3000 BP) Occupations at the Bowling Dune Site in the Fort Rock Basin of Central Oregon. Paper presented at the 49th Northwest Anthropological Conference, Moscow, Idaho.
- (**Dennis L. Jenkins** and C. Melvin Aikens, co-chairs)
- 1996 Early and Middle Holocene Archaeology of the Northern Great Basin. Symposium presented at the 25th Biennial Great Basin Anthropological Conference, Kings Beach, California.
- 1996 The Grasshopper and the Ant: Mid-Holocene Occupations and Storage Behavior at the Bowling Dune Site in the Fort Rock Basin. Paper presented at the 25th Biennial Great Basin Anthropological Conference, Kings Beach, California.
- (Mercy A. McDonald and **Dennis L. Jenkins**)
- 1996 Mid-Holocene Bead Exchange in the Fort Rock Valley of the Northern Great Basin. Paper presented at the 25th Biennial Great Basin Anthropological Conference, Kings Beach, California.
- (Rene L. Vellanoweth, L. Mark Raab, Jon M. Erlandson, and **Dennis L. Jenkins**)
- 1996 *Olivella* Grooved Rectangle Beads in Southern California and the Great Basin. Paper presented at the 25th Biennial Great Basin Anthropological Conference, Kings Beach, California.
- 1995 Archaeological Research in Drews Valley: Early to Late Holocene Human Adaptations in a Mid-Elevational Setting on the Western Great Basin Periphery, Lake County, South-Central Oregon. Paper presented at the 29th Annual Meetings of the Society for California Archaeology, Eureka, California. (C. Melvin Aikens and **Dennis L. Jenkins**)
- 1994 Environment, Climate, Subsistence, and Settlement in the Fort Rock Basin, Oregon. Paper presented at the 24th Great Basin Anthropological Conference, Elko, Nevada.
- 1992 Early Neopluvial Marsh Side Occupations at the Big M Site in the Fort Rock Basin, Central Oregon. Paper presented at the 45th Northwest Anthropological Conference, Burnaby, British Columbia, Canada.
- (**Dennis L. Jenkins** and Nina Wimmers)

- 1992 Beads as Indicators of Sociological and Chronological Change in the Fort Rock Basin of Central Oregon. Paper presented at the 45th Northwest Anthropological Conference, Burnaby, British Columbia, Canada.
- 1990 Fishing Camps in the Sand Dunes of Fort Rock Basin, Oregon. A paper presented at the 22nd Great Basin Anthropological Conference, Reno, Nevada.
- (Thomas J. Connolly and **Dennis L. Jenkins**)
- 1990 Indian Grade Spring: a Specialized Upland Camp on the Harney Basin Periphery. A paper presented at the 22nd Great Basin Anthropological Conference, Reno, Nevada.
- 1990 Archaeological Investigations in the Fort Rock Basin: 1989 University of Oregon Field School. A paper presented at the Northwest Anthropological Conference, Eugene, Oregon.
- (**Dennis L. Jenkins** and Thomas J. Connolly)
- 1989 Indian Grade Spring: a Specialized Campsite in the Stinkingwater Mountains, Central Oregon. A paper presented at the Northwest Anthropological Conference, Spokane, Washington.
- 1988 Testing and Evaluation of Mitchell Cave (35WH122), Wheeler County, Oregon. A paper presented at the Northwest Anthropological Conference, Tacoma, Washington.
- (Charles L. Douglas and **Dennis L. Jenkins**)
- 1986 Analysis of Faunal Remains from Four Lake Mojave and Pinto Period Sites of the Mojave Desert. A paper presented at the 20th Great Basin Anthropological Conference, Las Vegas, Nevada.
- 1985 Spatial and Temporal Distributions of Ceramics at Ft. Irwin. A paper presented at the annual meetings of the Society of California Archaeology, San Diego.
- 1984 Fort Irwin Ceramic Research Program: Constructing New Models to Solve Old Problems. A paper presented at the 19th Great Basin Anthropological Conference, Boise, Idaho.
- 1984 Ceramic Compositions and Cultural Influences at Three Sites in Southern Nevada and California. A paper presented at the Southern Nevada Regional Ceramic Workshop in Las Vegas, Nevada.
- (**Dennis L. Jenkins** and Claude N. Warren)

- (Claude N. Warren and **Dennis L. Jenkins**)
- 1982 Preliminary Report on the Awl Site (4-SBr-4562), a Pinto Site at Fort Irwin, San Bernardino County, California. A paper presented at the annual meeting of the Society of California Archaeology, Sacramento.
- (Sheilagh Brooks, Richard H. Brooks, and **Dennis L. Jenkins**)
- 1982 Pathology or the Borings of Invertebrates: a Case Study. A paper presented at the Conference on Health and Disease in the Prehistoric Southwest, Arizona State University, Tempe, AZ.

Professional Experience

Overview:

1989-Present: Director and Supervisor of the Northern Great Basin Archaeological Field School, Museum of Natural and Cultural History, University of Oregon.

1987-Present: Senior Research Associate, State Museum of Anthropology, University of Oregon, Eugene.

1985-91: PhD studies in anthropology, Dr. C. Melvin Aikens, Committee Chair, Department of Anthropology, University of Oregon.

1981-85: Field Director for the Fort Irwin (U.S. Army) Archaeological Project, Barstow, California.

1981: Assistant archaeologist, U.S. Forest Service, Toiyabe National Forest, Reno, Nevada.

1975-81: Assistant archaeologist, Museum of Natural History, University of Nevada, Las Vegas.

1978: Assistant archaeologist, Bureau of Land Management, St. George, Utah.

Specifics:

1989-Present: Museum of Natural and Cultural History, University of Oregon, Northern Great Basin Field School Director (six weeks full-time, part-time during academic year, generally totaling 15-30% of contract time).

Experience: Director of multiple field schools (Anthropology and Geography Departments) involving 30+ students and supervisory personnel participating in six weeks of site excavation, mapping, survey, processing and curation of cultural materials, and geomorphological analysis in the Northern Great Basin. **Responsibilities:** development of long-term research plan, recruitment of supervisory personnel and students, organization of yearly research efforts, coordination with University Administration, State, Federal, and Native American Agencies, various Archaeological Societies, private industry and private individuals, student instruction in field techniques, archaeological method and theory, and the ethnography of the region, laboratory management, analysis and report preparation, presentation of papers at regional and national conferences, production and management of annual budgets.

1987-Present: State Museum of Anthropology, the Research Division of the Museum of Natural and Cultural History, University of Oregon. **Experience:** Principal Investigator conducting Oregon Department of Transportation archaeological contract projects. **Responsibilities:** production of research designs and project budgets, supervision of field and laboratory personnel, analysis and research report production. **Excavations:** Mitchell Cave (Wheeler County); Indian Grade Spring, Hoyt, Morgan, and Hines sites (Harney County); Paquet Gulch site and burial removals at Crates Point, The Dalles (Wasco County); 4 sites in Newberry Crater National Monument (Deschutes County); Heath Cliffs, Mill Creek Bridge, Badger Creek Bridge, 2 sites on Beaver Creek, Hay Creek Bridge, Lake Creek Bridge site (Jefferson County); four sites in Drews Valley, three sites in Goose Lake valley, three sites in Chewaucan Marsh, Silver Creek Bridge in Silver Lake Valley, 6 sites at Glass Buttes (Lake County); Trout Creek (Linn County); 2 Malheur Terrace sites, 2 North Ontario Interchange sites, 4 sites on the Malheur River (Malheur County); Lexington School Historic site (Morrow County); Ladd Marsh Gravel Quarry (Union County). **Surveys:** 13 miles U.S. Highway 395 from Ukiah Junction to Webb Slough (Umatilla County), 32 miles of U.S. Highway 26 on the Warm Springs Reservation (Jefferson and Wasco counties); 13 miles U.S. Highway 20 (Deschutes, Lake, and Harney counties); 4 pipelines in Malheur and Lake Counties for Division of State Lands; Survey of a 480 acre parcel sale by Department of State Lands in Wasco County.

Academic Year 1987-88 and March to June 1990: Department of Anthropology, University of Oregon.

Experience: Graduate Teaching Fellow leading four discussion sections of **Introduction to Archaeology** and one section of **Introduction to Sociobiology**. **Responsibilities:** lecturing 2 hrs. weekly; maintaining office hours for consultation with students; grading course papers.

1985-88: Dames and Moore, Inc., San Diego, California. **Experience:** Consultant/Crew Chief (part-time contract work), archaeological consultant during excavation of two late period Hakatayan sites in East Cronese Basin, San Bernardino County, California and writing research reports from the Fort Irwin Archaeological Project.

Responsibilities: advising the Field Director, supervising field crew; writing and producing research reports of contract work conducted at Fort Irwin, California.

1986-87: Infotec Inc., Eugene, Oregon (part-time contract work). **Experience:** Crew member during proton_magnetometer survey for historic cabin foundations, Lafayette, Oregon; observation of backhoe trench excavations, Siletz, Oregon; and burial recovery at the Elk Creek Dam data recovery project, Trail, Oregon.

1986: Heritage Research Associates Inc., Eugene, Oregon (part-time contract work). **Experience:** Crew member during survey and test excavations in Christmas Valley, Oregon; test excavations at Yaquina Head, Oregon.

1981-85: Dames and Moore Inc., Fort Irwin Archaeological Project, Barstow, California. **Experience:** Field Director, Project Archaeologist, and Ceramic Analyst. **Responsibilities:** hiring field crews; general supervision of 15 field projects; participation in budget and proposal negotiations; acting liaison between the project, the military, the public, and the contractor; organization and supervision of six field and laboratory projects: (1981) test excavation of a small rockshelter in Drinkwater Basin; (1981-1982) test excavations at the Awl Site in Drinkwater Basin; (1982-1983) survey, testing, and evaluation near Bitter Spring; (1983) survey, testing, and evaluation in Tiefert Basin; (1984-1985) phase II test excavations at Rogers Ridge (4SBr5250) in Tiefert Basin; analysis of 2,000 potsherds.

Grants and Contracts

- 2006 Awarding Agency: Burns District Bureau of Land Management. Project: Cooperative research agreement. Amount of Contract: \$10,000.
- 2002 Awarding Agency: Lakeview District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$8,500.
- (L. Suzann Henrikson and **Dennis L. Jenkins**)
- 2001 Awarding Agency: Shoshone (Idaho) District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$5,000.
- (**Dennis L. Jenkins** and Patrick O'Grady)
- 2001 Awarding Agency: Burns District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$6,000
- 2001 Awarding Agency: Lakeview District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$8,500.
- 2000 Awarding Agency: Lakeview District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$8,500.
- 2000 Awarding Agency: Deschutes National Forest. Project: Cooperative research agreement. Amount of contract: \$2,000.
- 2000 Awarding Agency: Prineville District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$2,500
- (L. Suzann Henrikson and **Dennis L. Jenkins**)
- 2000 Awarding Agency: Shoshone (Idaho) District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$5,000.
- (**Dennis L. Jenkins** and Patrick O'Grady)
- 2000 Awarding Agency: Burns District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$22,000
- 1999 Awarding Agency: Deschutes National Forest. Project: Cooperative research agreement. Amount of contract: \$4,500
- 1999 Awarding Agency: Lakeview District Bureau of Land Management. Project: Cooperative research agreement. Amount of contract: \$4,500
- (C. Melvin Aikens and **Dennis L. Jenkins**)
- 1996 Company awarding grant: Oil Dri Corporation of Christmas Valley, Oregon. Project: Use of Proton-magnetometer in search of cultural features in three sites on mining claim D in the Fort Rock Valley, Oregon. Amount of grant: \$500.
- (C. Melvin Aikens and **Dennis L. Jenkins**)
- 1994 Company awarding grant: Oil Dri Corporation of Christmas Valley, Oregon. Project: Excavations at two sites on mining claims C and D in the Fort Rock Valley, Oregon. Amount of grant: \$7,500.
- (C. Melvin Aikens and **Dennis L. Jenkins**)
- 1993 Company awarding grant: Oil Dri Corporation of Christmas Valley, Oregon. Project: Excavations at nine sites on mining claims C and D in the Fort Rock Valley, Oregon. Amount of grant: \$10,000.
- (C. Melvin Aikens and **Dennis L. Jenkins**)
- 1990 Agency awarding and/or administering grant: State Historic Preservation Office Salem, Oregon. Project: An Archaeological Survey of Paulina Marsh in the Fort Rock Basin, Oregon. Amount of grant: \$16,494.

1988 Agency awarding and/or administering grant: Department of Anthropology, University of Oregon, Eugene.
 Project: Travel funds for dissertation related research. Amount of grant: \$1,000.
