Without the committee. The following report on amending the Eugene Division, which was adopted:

Resolved. Whereas the custom of conferring professional with

academic training is now a fixed feature of University education which has been adopted by all the leading

institutions in this country, and

Whereas, this committee is thoroughly imbued with the

desirability of establishing a similar custom in the U. C. W.

It is unanimously resolved, that this committee recommend the adoption of the following resolution:

The University will allow to students of professional schools throughout the state (law, medical, dental, pharmaceutical and theological) a certain amount of credit towards the attainment of an academic degree, provided that all such claims for credit...
be referred to a planning committee on outside curricula and provided further, that no such outside work be allowed to take the place of the regularly prescribed work conducted of all candidates for such degrees.

Outside the President appointed the following committee on Outside curricula with himself as chairman: Prof. Chapman, Professor

The motion the above "Committee on Outside credit" was also passed to act in the matter of Accredited schools. Intermittent reports were made that students be permitted to good work in the Intercollegiate respect. Recommendation was made and carried that there be a resolution on this day. Decoration Day.
