Faculty legislation granted up to 24 term credits + 6 credits physical education for military service during World War II. And all this legislation was subsequently repealed in 1957. At this time, the UO was on the quarter system and 183 credits were required for graduation.

I append below a summary of the record; the actual records are appended to this report as it is a bit confusing and difficult to read. Peter B Gilkey

**Volume 4 Page 641.** Wednesday 7 February 1934. A report is presented recommending

1. That military training be retained on a required basis and that machinery be worked out for liberalizing the administration of it.

2. That there shall be a standing committee of the faculty known as the “Committee on Military Education. It shall consist of 7 members chosen as follows: five to be appointed from the faculty by its presiding officer, one from the student body appointed by the President of the ASUO, and the Professor of Military Science and Tactics at the time. The chairman shall be designated by the presiding officer of the faculty from the number of his appointees. This committee shall report to the faculty from time to time, advise with the military department on matters relating to coordination with the University as a whole, and have power to grant exemptions from required military courses taking into consideration the circumstances of each case particularly physical incapacity, conflicting outside employment, unavoidable conflicts in class hours and grounds of conscience.

**Volume 4. Page 758.** Wednesday January 15 1941. A committee is appointed to deal with the problem of granting credit and refunding fees of students entering military service. Reference is made to 4 mimeographed sheets that are not part of the record. However subsequent Assembly records of May 1957 show that the legislation in question “authorizes academic credit for military service based on equivalent work generally accepted for college credit and prescribes the rights of students who are compelled to leave the University by reason of conscription or enlistment and which authorizes the granting of 24 term hours of credit for previous military work done by commissioned officers and 6 term hours of credits for non commissioned officers and which authorizes credit to be granted for academic work upon petition.”

**Volume 4. Page 799-800.** Wednesday November 1 1944. The legislation of January 15 1941 is amended to read “Also students who file with the registrar official documentary evidence of military service may petition the faculty for 6 term hours of credit in health and physical education.”
Volume 4. Page 806. Wednesday February 7 1945. The relevant faculty legislation is amended to read: “academic credit for military service shall not exceed the following amounts for the pay grades listed below:

- 24 term hours for commissioned and warrant officers
- 21 term hours for first pay grade (e.g. M/Sgt.; C.P.O.)
- 18 term hours for second pay grade (e.g. T/Sgt.; P.O. 1/c)
- 15 term hours for third pay grade (e.g. S/Sgt.; P.O. 2/c)
- 12 term hours for fourth pay grade (e.g. Sgt.; P.O. 3/c)
- 9 term hours for fifth pay grade (e.g. Cpl.; S 1/c)
- 6 term hours for sixth and seventh pay grades (e.g. Pvt. Pfc. S 2/c)

Volume 4. Page 849. Wednesday April 13 1949. “In order to return the status of credits in military science and in physical education to the basis accepted prior to World War II, no credit shall be allowed for any military service entered upon after March 31 1949.”

Volume 4. Page 850-2. Wednesday May 11 1949. “Any person having one or more years of military service shall be exempt from the required work in the field of military science.”

Volume 4. Page 870. October 4 1950. “the faculty legislation of April 13 1949 providing that ‘no credit shall be allowed for any military service entered upon after March 31 1949 be repealed’ ”.

Volume 4 Page 946. May 1 1957. The legislation of 1941 and of 1944 and of 1945 is repealed and replaced by “credit for military service be limited to work of an academic character completed while in the Armed Forces in accordance with the recommendations of the Commission on Accreditation of Service experiences”. The legislation of 1949 is modified to read “a student be exempt from 3 term hours of required physical education activity courses and from the course requirements in military and air sciences upon filing with the registrar official documentary evidence showing that the student has completed six months active military duty in the Armed Forces of the United States.” Finally the faculty legislation of 1934 cited above which creates a Committee on Military Education is repealed.
THE GREAT RELIGIONS OF MANKIND

"R 461. Origins of Religions. First term, 3 hours.
A study of the beginnings of religion in the experiences of primitive peoples; the function which it served; its nature in the light of the outlook of the animists. The changed conditions which brought about the early organization and development of religions. Three recitations.

"R 462. The Great Religions of the Orient. Second term, 3 hours.
A study of the more highly organized religions of India, China, Japan and other countries of Eastern Asia, including the religions of Hinduism, Confucianism, and Buddhism; their origins, organizations, philosophy and sacred literature. Three recitations.

"R 463. The Great Religions of Palestine and Arabia. Third term, 3 hours.
This will include a study of the three related religions of Judaism, Christianity, and Islam arising in Palestine and Arabia; their similarities and differences together with the history and beliefs of each. Three recitations.

Signed: J. P. Bovard
Rudolf Ernst
Orlando Hollis
George Rebec
O. F. Stafford
Nelson L. Bossing, Chairman"

Dr. Bossing moved the adoption of this report. Motion was seconded. In connection with Origins of Religion, 461, Dr. Gressman stated that while he would not vote against the offering of this course as proposed at this time, he wished it to be made a matter of record that he considered it essentially a course in Anthropology as given in other universities such as the University of California and Columbia University, and he wished to protest for the record the giving of that course in the Department of Religion because he hoped later to have the course offered where it properly belongs — in a division of Anthropology. After further discussion the question was put to a vote and carried.

RESOLUTION ON MILITARY TRAINING. The President announced that the next order of business before the house was the matter of military training, concerning which there had been submitted a resolution signed by fifty-six student officers of the University Cadet Corps, asking that certain further investigations be made before action is taken on the question of required versus optional military training. This resolution was read and by vote of the faculty placed on file.

REPORT OF MILITARY TRAINING COMMITTEE. Dr. Gressman, chairman, was then called upon to report on behalf of the special committee on military training, and he read the majority report of that committee, which report has been placed on file. This report recommended as follows:

"1. That military training be retained on a required basis and that machinery be worked out for liberalizing the administration of it.

"2. That there shall be a standing committee of the faculty known as "The Committee on Military Education". It shall consist of seven members chosen as follows: five to be appointed from the faculty by its presiding officer, one from the student body appointed by the President of the A. S. U. O., and the Professor of Military Science and Tactics at the time. The chairman shall be designated by the presiding officer of the faculty from the number of his appointees.

"This committee shall report to the faculty from time to time, advise with the military department on matters relating to coordination with the University as a whole, and have power to grant exemptions from required military courses, taking into consideration the circumstances of each case, particularly physical incapacity, conflicting outside employment, unavoidable conflicts in class hours, and grounds of conscience."
Dr. Cressman moved the adoption of this report, which motion was seconded. He then called upon Professor Howard to read the minority report submitted by Dr. Schumacher who was forced to be absent. This report, a copy of which has been placed on file, recommended the adoption of the following resolution:

"BE IT RESOLVED that the faculty of the University of Oregon grant the petition of the students, thereby making military training optional and transmit this recommendation through the proper authorities to the State Board of Higher Education."

Mr. Howard moved that this minority report be substituted for the majority report. The motion was seconded.

The hour of 3:45 P.M. having arrived, the faculty voted to adjourn to meet again at four o'clock the following day.

Earl M. Sellars, Secretary.

Thursday, February 8, 1934.

ADJOURNED MEETING OF THE FACULTY

The meeting was called to order by President Boyer who announced that a request had been received from the press to be admitted. Upon vote of the faculty this request was denied.

DEATH OF HAL E. HOSS. Professor Thacher asked for the floor and submitted the following resolution:

"WHEREAS, in the death of Hal E. Hoss, secretary of the State of Oregon, the commonwealth has lost one of its most faithful and beloved servants; and

"WHEREAS, Mr. Hoss was formerly a member, ex-officio, of the Board of Regents of the University of Oregon; and always devoted to the best interests of the institution and to the cause of education in general; and

"WHEREAS, Mr. Hoss was greatly beloved personally by large numbers of the faculty and the student body, with whom he was associated in fellowship as a member of social and professional societies,

"THEREFORE BE IT RESOLVED, that this faculty hereby expresses its consciousness of deep loss and sorrowful regret; that it extends to the members of Mr. Hoss's family and immediate friends its sincere condolences; and that copies of this resolution be placed upon the minutes of the faculty and sent to the bereaved family."

This resolution was adopted unanimously by standing vote.

MILITARY TRAINING COMMITTEE REPORT. The President then announced that the faculty would proceed with the consideration of the majority and minority reports of the committee on military training. The motion before the house being Professor Howard's motion to substitute the minority report for the majority report. He stated that Professor Fish had written a request, asking that his vote be cast by proxy. The chair ruled that upon the basis of Roberts' Rules of Order, pages 189, 200, the request could not be granted.
It was voted to limit debate to five minutes for each speaker except in the case of Major Bank, representing the Department of Military Science and Tactics. After thorough discussion on both sides of the question Professor Howard's motion to substitute was put to vote by roll-call and was lost 31 to 36.

The chair then stated the question before the house, namely, Dr. Cressman's motion that the majority report be adopted, which motion was put to vote and carried.

There being no further business the meeting adjourned.

Carlton E. Spencer,
Secretary Pro Tempore.

Wednesday, March 7, 1954.

REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Morse. A quorum being present the following business was transacted. The minutes of the meetings held February 7 and 8 were read and approved with certain changes which have been made in ink on the original copy.

REPORT OF ACADEMIC COUNCIL. Professor Spencer reported that in response to the request of the faculty, the Academic Council had appointed a sub-committee to investigate all courses offered in the University and report to the Council some time during the present calendar year, after which the Council would report to the faculty.

There being no further business the meeting adjourned.

[Signature]
Earl W. Pallett,
Secretary.
REGULAR MEETING OF THE FACULTY

Wednesday, January 15, 1941

The meeting was called to order by President Erb. A quorum being present the following business was transacted. The minutes of the meeting held December 4, 1940, were read and approved.

ANNOUNCEMENT. President Erb cautioned the faculty about appearing in Salem during the meeting of the Legislature except on specific invitation from a member of the Legislature or from some other responsible individual, and then only after filing notice in the President's Office of the trip to Salem, the purpose for which it was made, and the name of the person or persons responsible.

REPORT OF FACULTY SENATE ON CREDIT FOR MILITARY SERVICE. Professor Charles G. Howard, Secretary of the Faculty Senate, reported that the Faculty Senate desired to recommend that the faculty adopt the report, consisting of four mimeographed sheets under the date of November 29, 1940, of a committee appointed to deal with the problem of granting credit and refunding fees of students entering military service, subject to the following amendment: that the phrase "with the exception of the University of Oregon Medical School" appearing on page two, line eight from the bottom of the report, paragraph 1, under the heading of Recommendations, be amended to read as follows: "with the exception of the University of Oregon Medical School and the University of Oregon School of Law". The motion was seconded and passed. A copy of the report is on file in the President's Office and is made a part of these minutes.

RECOMMENDATION OF FACULTY SENATE ON SATISFACTION OF SCIENCE GROUP REQUIREMENT. Professor Charles G. Howard, Secretary of the Faculty Senate, reported that the Senate desired to recommend that the faculty approve the following:

"Resolved that either a one-year sequence laboratory science course (9-12 hours including laboratory) or a 12-hour sequence course in science (including mathematics) be required to satisfy the Science Group requirement."

The motion was seconded and passed.

FURTHER REPORT OF FACULTY SENATE. Professor Charles G. Howard, Secretary of the Faculty Senate, reported that the Senate had considered the following items and was reporting them to the faculty without specific recommendation:

1. Restriction of Bachelor's degrees to the Bachelor of Science and Bachelor of Arts.

2. Channelizing recommendations for honorary degrees through the Advisory Council instead of the Graduate Council.

3. Passing on certain individuals for honorary degrees.

DR. CASWELL WITHDRAWS MOTION TO LIMIT BACCALAUREATE DEGREES. Dr. A. E. Caswell stated that he had received information that a policy in regard to baccalaureate degrees had been developed, and that he desired, therefore, to withdraw the following motion:

"After June 1943, the only bachelor's degrees conferred by the University upon the completion of a four-year undergraduate curriculum shall be Bachelor of Arts and Bachelor of Science. Candidates for these degrees shall be required to meet the present requirements, viz., 36 hours in Arts and Letters, including two years of a foreign language, for the Bachelor of Arts degree, and 36 hours in Science or Social Science for the Bachelor of Science degree. The candidate's major subject shall be noted upon the diploma."
"Only ballots voted for the full number of places to be filled by
election shall be valid. In case of a tie for low place on any ballot,
the names of the individuals having such tie vote shall be included
among the list of nominees."

The motion was seconded. Professor K. J. O'Connell, Secretary of the Faculty
Senate, reported that the Senate had no recommendation to make on the motion.
After some discussion the motion was put to a vote and carried.

APPROVAL OF DEGREES. The Registrar reported that ten individuals had fulfilled
all requirements for the degree of "Bachelor of Science" with a major in Nursing
Education. A copy of the list is on file in the President's Office. It
was moved, seconded and carried that the students certified by the Registrar
be recommended to the State Board of Higher Education for the degree indicated.

STATE OF UNIVERSITY. Acting President Hollis gave a brief report on the develop-
ments that had taken place in the University since the last meeting of the
faculty. His report covered the progress of the building program, the complica-
tions involved in providing student housing, the progress of the retirement
program, the arrangements made to care for veterans, recent actions of
the State Board of Higher Education of interest to the faculty, and announcement
of the Medical School commencement held September 21, 1944.

There being no further business the meeting adjourned.

Earl M. Pallett, Secretary

REGULAR MEETING OF THE FACULTY

Wednesday, November 1, 1944

The meeting was called to order by Acting President Hollis. A quorum being
present the following business was transacted. The minutes of the meeting held
Wednesday, October 4, 1944, were read and approved.

INTRODUCTION OF FACULTY MEMBERS. Dr. James H. Gilbert, Dean of the College of
Liberal Arts, introduced Mr. Manuel Lopez, Instructor in Romance Languages.

REPORT OF FACULTY SENATE. Professor K. J. O'Connell, Secretary of the Faculty
Senate, reported that three matters had been considered by the Senate and would
be reported to the faculty — two under the heading of old business and one
under the head of new business.

REPORT OF COMMITTEE ON ADVISING AND REGISTRATION PROCEDURES. Professor Carl F.
Kossack, chairman of the special committee on advising and registration procedures
created at the April meeting of the faculty, presented a report of the committee
in which certain changes were recommended in the advising system at the Uni-
versity. A copy of this report is on file in the President's Office. Dr. Kossack,
on behalf of the committee, gave the following notice of motion:

"The President shall appoint a standing Committee on Advising composed of
from three to six voting members and including ex-officio members represent-
ing the Registrar's office as well as other appropriate agencies. The
committee shall:

1. Make recommendations to the President for appointments to the
staff of freshman advisers, after consultation with the deans
and department heads concerned.

2. Determine and direct the policies of this staff of freshman
advisers.

3. Cooperate with major deans and department heads in transferring
students from freshman to permanent advisers in their chosen major
fields, and in improving the continuity and integration of
students' study programs.

4. Cooperate in planning and conducting all academic affairs
in which academic advisers have responsibilities."
The Chairman of the Faculty stated that a copy of the report and a copy of the notice of motion would be sent through the Faculty Bulletin to the members of the faculty within a few days, and that the matter would be brought up for consideration at the next meeting of the faculty.

CREDIT FOR MILITARY SERVICE. Professor K. J. O'Connell, Secretary of the Faculty Senate, stated that the Academic Requirements Committee had presented to the Faculty Senate at the September meeting of the Senate an amendment to the original faculty legislation passed January 15, 1941, dealing with credit in health and physical education for individuals presenting evidence of military service. He stated that the Senate had considered the matter and had presented the amendment at the October meeting of the faculty as a notice of motion. He moved that the original legislation of January 15, 1941, dealing with credit for military service, be amended by adding the following:

"Also, students who file with the Registrar official documentary evidence of military service may petition the faculty for 6 term hours of credit in health and physical education."

The motion was seconded and passed.

CHANGE IN DUTIES OF COMMENCEMENT AND ASSEMBLY COMMITTEE. Professor O. K. Burrell, Chairman of the Advisory Council, moved that the following motion, presented at the October meeting of the faculty as a notice of motion, be adopted:

"That the duties of the faculty committee, Commencement and Assembly, be restricted to those duties pertaining to the arrangement of assemblies; that the duties of the committee pertaining to commencement be transferred to the President's Office; and that the name of the faculty committee be changed to 'Assembly Committee'."

The motion was seconded. Professor K. J. O'Connell, Secretary of the Faculty Senate, stated that the Senate unanimously recommended the adoption of the proposed legislation. After some discussion the motion was passed.

VALIDATION OF WORK FROM NONACCRREDITED INSTITUTIONS. Professor K. J. O'Connell, Secretary of the Faculty Senate, stated that the Academic Requirements Committee had presented at the last meeting of the Senate a recommendation that certain changes be made in the legislation of April 6, 1933, which legislation reads as follows:

"A student wishing credit for work done other than in an accredited educational institution must petition the Committee on Academic Requirements for permission to take examinations in specified courses as listed in the catalogue. In no case may such examinations be based on work done in high school prior to high school graduation. A student becomes ineligible for such examination after having completed four terms in residence. Credit by examination in general is allowed only for work taken in regularly organized courses in nonaccredited institutions of collegiate rank."

Professor O'Connell reported that the Senate had voted unanimously to recommend to the faculty that this legislation be amended to read as follows:

"After three terms of satisfactory work in the University students may petition for credit for courses taken in unaccredited collegiate institutions; credit may be received for only such courses as can be evaluated in terms of regular University courses, and University examinations may, at the discretion of the department concerned, be required before credit will be allowed. No advanced standing is granted at entrance for work taken in unaccredited collegiate institutions."

The Chairman of the Academic Requirements Committee reported that a conference had been held with the University Editor after the Senate had approved the amendment indicated above, and that the following statement was being presented as a notice of motion in lieu of the amendment as approved by the Faculty Senate:
REGULAR MEETING OF THE FACULTY

Wednesday, February 7, 1945

The meeting was called to order by Acting President Hollis. A quorum being present the following business was transacted. The minutes of the meeting held Wednesday, January 10, were read. It was moved by Dr. Waldo Schumacher that the Secretary include in the minutes of January 10 the report in full of the Advisory Council. The motion was seconded and passed. With that addition the minutes were approved.

REPORT OF FACULTY SENATE. Professor K. J. O'Connell, Secretary of the Faculty Senate, stated that the Senate had recommendations to make with reference to two items which would come up for consideration, and that these recommendations would be presented at the proper time under the appropriate heads.

FACULTY SENATE TO ACT AS COMMITTEE ON DRAFTING LEGISLATION. Dr. H. G. Townsend, Chairman of the Faculty Senate, pursuant to notice of motion given at the last meeting, moved:

"That whenever motions involving a change of University policy are before the faculty for consideration the Faculty Senate be authorized to act as a committee on the drafting of legislation with power to rephrase the motion for clarification, or to bring it into conformity with existing legislation, or to propose modifications of existing legislation as an amendment to the motion. Provided, however, that the restatement of the motion shall be made in consultation with the one who initiated it, and that the rephrasing shall not result in postponing a vote by the faculty beyond the usual period of thirty days now provided by faculty practice."

The motion was seconded. Professor K. J. O'Connell, Secretary of the Faculty Senate, reported that the Senate voted to recommend to the faculty the adoption of this legislation with a vote of 19 for and 0 against, 21 members being present. After some further discussion the motion was passed.

MILITARY CREDIT FOR MILITARY SERVICE. Dr. A. H. Kunz, a member of the Academic Requirements Committee, moved on behalf of the Committee:

"That the section of the present faculty legislation providing that academic credit for military service shall not exceed 24 term hours for commissioned officers or 6 term hours for noncommissioned officers and men be amended to read 'shall not exceed the following amounts for the pay grades listed below:

24 term hours for commissioned and warrant officers
21 " " first pay grade (e.g. W/Sgt.; C.P.O.)
18 " " second pay grade (e.g. Y/Sgt.; P.O. 1/c)
15 " " third pay grade (e.g. S/Sgt.; P.O. 2/c)
12 " " fourth pay grade (e.g. Sgt.; P.O. 3/c)
9 " " fifth pay grade (e.g. Cpl.; S 1/c)
6 " " sixth and seventh pay grades (e.g. Pvt.; Pfc.; S 2/c)"

The motion was seconded. The Chairman stated that it would be necessary for him to rule on the legality of presenting this motion for a vote at this meeting, in view of the faculty legislation requiring that a notice of motion be presented thirty days in advance of the final vote. He stated that since the matter had been presented to the faculty through a faculty bulletin dated January 31, 1945, since it had been presented for consideration to the Faculty Senate, and since the maximum of 24 term hours of military credit for military service provided in the present legislation would not be modified, it was his decision that the matter could come up for consideration at this meeting. He indicated to the faculty how a test of his decision might be made. There being no motion to test the ruling made by the Chairman, it was stated that the motion was before the meeting for consideration. Dr. K. J. O'Connell, Secretary of the Faculty Senate, stated that the Senate recommended the adoption of the proposed legislation by a vote of 19 for and 0 against, 21 members being present. After some discussion and explanation the motion was brought to a vote and carried unanimously.
STATE OF THE UNIVERSITY. President Newburn spoke briefly in regard to matters of concern to the University which are before the 1949 Oregon Legislature, including the biennial budget of the State System and proposals for the establishment of a junior college in Portland.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary

REGULAR MEETING OF THE FACULTY

Wednesday, April 13, 1949

The meeting was called to order by President Newburn. The minutes of the meeting of March 9, 1949 were read and approved.

VARIABLE CREDIT FOR GRADUATE STUDENTS. Mr. C. G. Howard, secretary of the Faculty Senate, announced that the Senate had postponed for one month consideration of Mr. A. H. Kuns's motion to permit graduate students to register in any course for a smaller number of hours than the number stated in the Catalog; notice of this motion was given at the March, 1949 meeting of the faculty. Mr. Kuns stated that he wished to postpone the presentation of his motion until the May meeting of the faculty.

CREDIT FOR MILITARY SERVICE. In accordance with notice given at the March, 1949 meeting of the faculty, Mr. Howard moved, on behalf of the Faculty Senate, that, in order to return the status of credits in military science and in physical education to the basis accepted prior to World War II, no credit shall be allowed for any military service entered upon after March 31, 1949. The motion was seconded.

Mr. Paul Cavin moved that Mr. Howard's motion be amended by the addition of the following sentence: Any person having one or more years of military service shall be exempt from the required work in the fields of military science, health, and physical education. The motion was seconded. Mr. H. R. Taylor suggested that the proposed amendment involved a change of policy not comprehended in the principal motion, and was therefore out of order. The chairman ruled Mr. Cavin's motion out of order.

Mr. A. B. Stillman moved that Mr. Howard's motion be laid on the table. On being seconded, Mr. Stillman's motion was put to a vote and defeated.

After further discussion, the principal motion was put to a vote and carried.

MILITARY, HEALTH, AND PHYSICAL-EDUCATION EXEMPTIONS. Mr. Cavin gave notice that he would move, at the May, 1949 meeting of the faculty, that any person having one or more years of military service shall be exempt from the required work in the fields of military science, health, and physical education.

ADVISORY COUNCIL NOMINATIONS. Under procedures established by faculty legislation, a ballot was cast for the nomination of candidates for Advisory Council membership during the year 1949-50. Mr. C. L. Constance and Mr. Martin Schmidt served as tellers. The following candidates were nominated:

W. C. Hallaine
C. B. Beall
O. K. Burrell
Calvin Crumbaker
R. T. Ellickson
O. J. Hollis
George Hopkins
R. R. Huestis
E. L. Johnson
A. H. Kuns
E. C. A. Lesch
S. W. Little
E. G. Moll
A. F. Moursund

P. W. Souers
Hoyt Trowbridge
Pierre Van Rysselberge
E. S. Wengert
Gordon Wright

STATE OF THE UNIVERSITY. President Newburn reported to the faculty on the state of the budget of the State System of Higher Education in the Oregon Legislature: The operating budget, as reported out by the Ways and Means Committee, was cut about five per cent from what was requested. This will necessitate certain retracements; the program of salary adjustments will, however, be maintained. Appropriations for capital outlay, as recommended by the Ways and Means Committee, will finance a new $1,000,000 heating plant for the University, and probably a new science building, to cost $1,000,000.

There being no further business, the meeting was adjourned.

George M. Ballman
Secretary

REGULAR MEETING OF THE FACULTY
Wednesday, May 11, 1949

The meeting was called to order by President Newburn. The minutes of the meeting of April 13, 1949 were read and approved.

On the first ballot, the following five members were elected: Mr. Ballaine, Mr. Crumbaker, Mr. Huestis, Mr. Johnson, and Mr. Trowbridge. Mr. Little and Mr. Moursund were candidates on a second ballot. Mr. Little was elected.

VIRGIL D. EARL MEMORIAL. The chairman recognised Mr. K. W. Onthank, who presented the following memorial:

"In the death of Virgil D. Earl, members of this faculty have lost a respected colleague and an esteemed friend. Nearly the whole of his adult life was spent in association with the University of Oregon.

"As a student he was superior in studies, distinguished in athletics, and competent and farsighted in the management of student affairs. As a public-school teacher and administrator he set a high standard of performance for himself and for his associates and won community support for maintaining such standards.

"As an athletic coach in high school and as director of athletics in the University he set equally high standards in competency in the game, in sportsmanship, and in personal conduct for both players and coaches.

"As Dean of Men, the position he held longest in the University and in which he is best remembered, his rare understanding
of boys and young men and his deep interest in their instruction and guidance came to full fruition. He always sought to make the experience of student life in a University and participation in student affairs genuinely educational and developmental. In matters of discipline he was eminently fair, just, and patient; he saw to it that students in difficulty learned the lessons of their errors and were strengthened by the experience. The high respect and warm regard in which he was held by alumni and particularly by those who, as students, had come under his supervision, testify eloquently to his unusual success as a Dean of Men.

"As a colleague in the University he was friendly, understanding, cooperative, and completely devoted to the major purposes of the University. He was a man of character and integrity in the fullest sense.

"As an alumnus he was loyal, assiduous in service, a man of strong and steadying influence on alumni opinion and action.

"As a mark of our professional respect and personal esteem for Dean Virgil D. Earl, I move that this memorial resolution be adopted by the University faculty and incorporated into its minutes, and that a copy be furnished Mrs. Earl for her and other members of the family."

Mr. Othmer's motion was seconded, put to a vote, and carried.

JOHN T. GANOE MEMORIAL. The chairman recognized Mr. E. H. Moore, who presented the following memorial:

"Since the last meeting of this faculty we have lost a good neighbor and a fellow worker. It would be an understatement to observe that John Ganoe will be missed in this gathering and in our other associations. We admired him as a teacher. In this capacity he exemplified the best in education. He never attempted to prostitute his teaching with discipleship. In only one respect did he wish his students to emulate him, namely, in his dogged respect for facts. He respected his democracy. Pomposity had little meaning in his life. He was intolerant of presumptions of eliteness, whether that eliteness was based on wealth or learning. This essential democracy endeared him as much to the campus policeman as it did to his teaching associates. John was the good neighbor whether that neighbor was the confused student or the instructor or dean in difficulty. Many of us, as well as his students, can testify of his willingness to spend his limited energies in the correction of misunderstandings or injustices. John held high standards and he fought for those standards. Yet he respected honest differences; nor did he seek undue advantage for himself or his cause. Even his closest associates never heard him partake in malicious gossip. That his scholarship was intensive and honest has been and will be supported in more enduring ways than in this tribute. If we could pray, the nature of that prayer would be a thanksgiving that we were privileged to work beside this honest scholar and that we were able to share the life of this good neighbor.

"In tribute to John Tilton Ganoe, I move the acceptance by the faculty of the above memorial, with instruction that a copy of it be incorporated in the minutes of the faculty and another copy be transmitted to his family."

Mr. Moore's motion was seconded, put to a vote, and carried.

The faculty then rose in silent tribute to their colleagues, Virgil D. Earl and John T. Ganoe.

REPORT OF THE ADVISORY COUNCIL. The annual report of the Advisory Council was presented by Mr. Mouraud, chairman of the Council. This report is filed in the office of the secretary as a part of these minutes.

VARIABLE CREDIT FOR GRADUATE STUDENTS. In accordance with notice given at the March, 1949 meeting of the faculty, Mr. Kuns moved:
That a graduate student be permitted to register in any course for a smaller number of hours than the number stated in the Catalog, upon approval of his adviser and consent of the instructor. The motion was seconded. Mr. C. G. Howard, secretary of the Faculty Senate, reported that the Senate had defeated a motion to recommend the approval of Mr. Kunz's motion. On being put to a vote, the motion was defeated.

EXEMPTION FROM REQUIRED WORK IN MILITARY SCIENCE. Mr. Paul Civin stated that, in accordance with a suggestion from the Faculty Senate, he would divide the motion, notice of which he gave at the April, 1949 meeting of the faculty, that: Any person having one or more years of military service shall be exempt from the required work in the fields of military science, health, and physical education.

He then moved: That any person having one or more years of military service shall be exempt from the required work in the field of military science. The motion was seconded. Mr. Howard reported that the Faculty Senate recommended the approval of this motion. On being put to a vote, Mr. Civin's motion carried.

EXEMPTION FROM REQUIRED WORK IN HEALTH AND PHYSICAL EDUCATION. Mr. Civin moved: That any person having one or more years of military service shall be exempt from the required work in health and physical education. The motion was seconded. Mr. Howard reported that the Faculty Senate recommended the disapproval of this motion. On being put to a vote, Mr. Civin's motion was defeated.

COMPILED OF FACULTY INFORMATION BOOKLET. Mr. Howard moved, on behalf of the Faculty Senate: That the general faculty authorize the compilation of an informational booklet, which shall contain information valuable to all members of the faculty; and that the preparation of such a booklet be placed in charge of the special committee on faculty procedures. The motion was seconded. Mr. Howard stated that it was the sentiment of the Senate that the booklet should contain, among other materials, information on faculty organization, tenure principles, and administrative rules affecting the faculty. On being put to a vote, the motion carried.

FACULTY FLOWER FUND. Mr. Onthank stated that he would like an expression of faculty opinion on the advisability of continuing the Faculty Flower Fund, maintained by voluntary contributions and used for the purchase of flowers for the funerals of members of faculty families. Mr. P. B. Washke moved that the Faculty Flower Fund be continued. The motion was seconded, put to a vote, and carried.

WAIVER OF "LAST 45 HOURS" RESIDENCE REQUIREMENT. Mr. F. B. Jacobson gave notice that he would move, at the June, 1949 meeting of the faculty, That, until September, 1951, the Academic Requirements Committee, on recommendation of the dean of the School of Education, be authorized to waive all or part of the "normally the last 45 hours in residence" requirement, for students who must prepare in two institutions conducted by the State Board of Higher Education in order to qualify for elementary-school teaching.

There being no further business, the meeting was adjourned.

George N. Bellman
Secretary

REGULAR MEETING OF THE FACULTY

Wednesday, June 1, 1949

The meeting was called to order by President Newburn. The minutes of the meeting of May 11, 1949 were read and approved.
The meeting was called to order by President Newburn. The minutes of the meetings of May 31 and June 10, 1950 were read and approved.

INTRODUCTION OF NEW FACULTY MEMBERS. Fifty-three new members of the faculty were introduced by the several deans and heads of administrative departments and welcomed to the University by President Newburn.

SCHOLARSHIP COMMITTEE. Mr. Waldo Schumacher, chairman of the Scholarship Committee, stated that the annual report of his committee had been distributed to members of the faculty through the campus mail. A copy of this report is filed in the office of the secretary of the faculty.

WARREN D. SMITH MEMORIAL. Mr. L. W. Staples presented a memorial in honor of Warren D. Smith, professor emeritus of geology, who died on July 18, 1950, and moved its acceptance by the faculty, with instructions that a copy be incorporated in the minutes of the faculty and another copy be transmitted to Mr. Smith’s family. Mr. Staples’ motion having been seconded, the faculty rose in silent tribute to their colleague. A copy of the memorial is filed in the office of the secretary as a part of these minutes.

CREDIT FOR MILITARY SERVICE. Mr. K. J. O’Connell, chairman of the Academic Requirements Committee, moved that the faculty legislation of April 13, 1949, providing that “no credit shall be allowed for any military service entered upon after March 31, 1949,” be repealed. The motion was seconded, put to a vote, and carried.

STATE OF THE UNIVERSITY. President Newburn explained to the faculty the purpose of the higher education building bond measure, to be voted upon at the November election. He also presented, in some detail, the problems facing the University and other institutions of higher education in the present international crisis.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary

The meeting was called to order by President Newburn. The minutes of the meeting of October 4, 1950 were read and approved.

GROUP REQUIREMENT. Mr. R. W. Leighton gave notice that he would move, at the December 1950 meeting of the faculty, that the faculty legislation concerning the group requirement be amended by striking the words “in courses numbered 200 to 210” from the statement, “At least 9 approved term hours in each of the three groups and at least 9 additional approved term hours in courses numbered 200 to 210 in any one of the three groups.”
No resigning faculty members received sufficient votes for nomination, and no adjustment of the list of candidates was therefore required.

STATE OF THE UNIVERSITY. President Wilson stated that he could not report anything definite, at the present time, concerning the legislative program of the Board of Higher Education, but that he could report that members of the subcommittee of the Joint Ways and Means Committee which is considering the higher-education budget have expressed complete sympathy with the salary problem of the State System. Other parts of the budget, particularly for buildings and other capital improvements, are receiving less favorable attention.

There being no further business, the meeting was adjourned.

George N. Balknap
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY
May 1, 1957

The meeting was called to order by Dean Jones. The minutes of the meeting of April 3, 1957 were read and approved.

ADVISORY COUNCIL ELECTION. Ballots were cast for the election of the Advisory Council for 1957-58. Mr. J. S. Carlson, Mr. G. B. Ryan, Mr. F. J. Powers, Mr. W. S. Nobles, and Mr. A. W. Roedder served as tellers. The following members were elected:

C. T. Duncan
E. S. Pomeroy
R. A. Littman
E. S. Pomeroy
R. A. Littman

FACULTY SENATE ELECTION. Ballots were cast for the election of representatives of the general faculty in the Faculty Senate for two-year terms. Mr. C. L. Constance, Mr. J. L. Powell, Mr. Paul Civin, Mr. W. C. Woods, and Mr. W. H. Oswald served as tellers. The following were elected:

Liberal Arts

R. D. Clark
H. E. Dean
R. T. Ellickson
C. W. Macy
E. G. Moell
D. G. Starlin
Leona E. Tyler

Professional

W. C. Ballaine
F. A. Cuthbert
E. A. Cylker
C. T. Duncan
C. W. Hintz
P. A. Kilgallon
X. J. O'Connell

MILITARY EDUCATION. Mr. C. C. Howard, chairman of the Special Committee on Military Education, presented the report of his committee. This report is filed in the office of the secretary of the faculty.
CREDIT FOR MILITARY SERVICE. Mr. Howard moved, on behalf of the Special Committee on Military Education:

(1) That the following faculty legislation dealing with credit for military service be repealed:
(a) Legislation of February 15, 1941, which authorizes academic credit for military service based on equivalent work generally accepted for college credit, which prescribes the rights of students who are compelled to leave the University by reason of conscription or enlistment, which authorizes the granting of 24 term hours of credit for previous military work done by commissioned officers and 6 term hours of credit for noncommissioned officers, and which authorizes credit to be granted for academic work on petition.
(b) Legislation of November 1, 1944, providing for credit in health and physical education on the basis of military service.
(c) Legislation of February 7, 1945, approving a schedule of credit for intermediate pay grades (24 term hours for commissioned and warrant officers, 21 term hours for first pay grade, 18 for second, 15 for third, 12 for fourth, 9 for fifth, and 6 for sixth and seventh pay grades).

And (2) that, in lieu thereof, the following be enacted: That credit for military service be limited to work of an academic character completed while in the Armed Forces, in accordance with the recommendations of the Commission on Accreditation of Service Experiences.

The motion was seconded. Mr. P. L. Kleinsorge, secretary of the Faculty Senate, reported that the Senate recommended its approval. The motion was put to a vote and carried.

EXEMPTIONS FROM REQUIREMENTS ON BASIS OF MILITARY SERVICE.
Mr. Howard moved, on behalf of the Special Committee on Military Education:

(1) That the faculty legislation of May 11, 1942, exempting from required military science any person with at least one year of military service, be repealed.

And (2) that, in lieu thereof, the following be enacted: That a student be exempt from 3 term hours of required physical education activity courses and from the course requirements in military and air sciences, upon filing with the Registrar official documentary evidence showing that the student has completed six months active military duty in the Armed Forces of the United States.

The motion was seconded. Mr. Kleinsorge, on behalf of the Faculty Senate, moved to amend by deleting the words: "from 3 term hours of required physical education activity courses and . . ." The motion to amend was seconded. Mr. Kleinsorge stated that the Senate recommended the approval of the principal motion subject to this amendment.

After discussion the motion to amend was put to a vote and defeated. The principal motion was then put to a vote and carried.

ADMINISTRATION OF REGULATIONS CONCERNING MILITARY EDUCATION.
Mr. Howard moved, on behalf of the Special Committee on Military Education:

(1) That the Committee on Military Education be abolished and its duties and powers be transferred to the Academic Requirements Committee; in order to effectuate this proposal, that the faculty legislation included within subsection 2, under date of February 8, 1931, creating a Committee on Military Education and defining its duties and responsibilities, be repealed.

(2) That the Academic Requirements Committee be granted the power and authority to grant exemptions from required military courses in cases not otherwise provided for, taking into consideration the circumstances of each case, particularly prior military service, physical incapacity, and grounds of conscience.

And (3) that the Academic Requirements Committee, in evaluating credits for entering transfer students, be instructed that:
(a) students
on admission transferring from institutions offering courses in military science may satisfy military requirements at the University on the basis of the number of terms or semesters completed and not upon the number of credits transferred; and (b) students on admission transferring with no military science credit shall have the requirements for military science waived on the following basis: three terms shall be waived for students entering with 36 term hours of credit but less than 90 term hours; six terms shall be waived for students entering with 90 or more term hours.

The motion was seconded. Mr. Kleinsorge reported that the Faculty Senate recommended its approval. The motion was put to a vote and carried.

ADVISING. Mr. J. S. Sprague, chairman of the Advising Committee, gave notice, on behalf of his committee, of the following motions:

A. That the following faculty action of April 8, 1953 be repealed: (1) That the preregistration process be limited to the advising function only. (2) That a Monday or Tuesday evening in the fall and winter terms be set aside for preregistration group conferences between advisers and advisees, and that this be followed by individual conferences as needed for effective advising. (3) That final advising and admission to classes for the winter and spring terms be conducted on the first day of these terms, which shall be designated Registration Day, and at which time no classes shall be scheduled. (b) That the period for the completion of registration without penalty shall be determined by the Schedule Committee.

B. That the faculty recommends that a preregistration advising period be set during the last two weeks of classes in fall and winter terms, this preregistration advising period to begin with an evening meeting required for all freshman students. Sophomore, junior, and senior students will make individual appointments to confer with their advisers during the established advising period.

STATE OF THE UNIVERSITY. Dean Jones read the following statement from President Wilson:

The Legislature is still in session. Final action on our appropriation has not been taken, but the decision of the Ways and Means Committee makes a general statement possible.

Our prospects under the contemplated legislation are for an increase in the general salary budget of 22 per cent. It has always been contemplated by the administration, and it has been recommended by the A.A.U.P. and faculty committees concerned, that this salary improvement fund be used in part across the board to improve general salaries, and in part for merit increases. Until the legislation has taken final action, we cannot make firm decisions, but it is presently contemplated that approximately two-thirds of the fund be used across the board and the remainder for merit increases.

In order to make possible a salary fund larger than the 15 per cent increase provided by the original executive budget, and in order to provide some increase beyond the 19.8 which was the original Board request, we will have to make some economies in new staff appointments and in other operational costs. Since nothing is so important to a university as its faculty, these sacrifices seem justified. We trust that you share this judgment and will cooperate in helping us to overcome such handicaps as result from this diminished operation and equipment budget. It should be said that the Chancellor and the Legislature have recognized the salary problem and have worked valiantly toward its solution. All of us should be grateful for their work.

There being no further business, the meeting was adjourned.

George H. Belknap
Secretary of the Faculty
