**Budgeted Ops** -- Budgeted Operations -- Fund group that falls within state authorized expenditure limitations. Account for unrestricted resources that are available for current operations and are not accounted for as a Service Department or Auxiliary.

**Designated Ops** -- Designated Operations --Account for self-sustaining activities related to instruction, community education, public service, and student aid activities.

**Service Departments** -- Account for activities established to provide goods and services primarily to other departments of the institution and are expected to be self-sustaining. Examples include telecom, printing, and mail services.

**Auxiliaries** -- Auxiliary funds account for activities related to entities that have been specifically designated as auxiliary enterprises. An auxiliary enterprise is a self-sustaining entity that exists primarily to furnish services to students, faculty, and staff.

**Accept Revenue** -- Funds that will accept revenue (account codes beginning in 0)

**Fund Balance** -- Fund balance is under control of individual school/dept/prog/unit (balance found on FGITBAL or FGITBSR)

**Gets Interest** -- Funds that receive interest revenue. As of FY18 interest charges are applied to all funds with a negative balance.

Note--Restricted funds may be restricted in the kind of revenue they can accept, if they generate interest, or allow transfers.

Consult SPS or BAO. BRP handles 438000 funds only.
