391 Homework 3

• REVIEW sections 1.1 and 1.2 from the book and everything we have done in class so far. (This is one of the most important things of all – only now are you in a position to really understand everything we have done so far. Remember: repeat, repeat, repeat!)

• Exercises 1.1: 4(e), 18.

• Exercises 1.2: 9, 10, 11, 17.

• Exercises 1.3: 1, 2(b), 4, 5.

• Think about Exercise 1.3 question 13 – I am going to set this question next week!
