

## **BERNADETTE MARIE BULLOCK, Ph.D.**

### **CIRRICULUM VITAE**

*Child and Family Center, University of Oregon*  
195 West 12<sup>th</sup> Avenue, Eugene, Oregon 97401  
bullock@uoregon.edu  
541-346-4739

---

### **CURRENT POSITIONS**

*Child and Family Wellness Institute, LLC: April 2007–present*  
Founder, Chief Executive Officer, Director of Research and Development

*Child and Family Center, University of Oregon: June 2002–present*  
Research Associate, Behavior Scientist, Child and Adolescent Psychologist

*Department of School Psychology, College of Education, University of Oregon: 2006–present*  
Adjunct Assistant Professor

*Department of Counseling Psychology, College of Education, University of Oregon: 2006–present*  
Adjunct Assistant Professor

*Child and Family Center, University of Oregon: March 2006–present*  
Co-Principal Investigator: Project Alliance Longitudinal Prevention Trial

*Child and Family Center, University of Oregon: May 200 –present*  
Co-Principal Investigator: Early Steps Longitudinal Prevention Trial

---

### **EDUCATION**

*University of Washington School of Medicine, Department of Psychiatry & Behavioral Sciences*  
APA-approved Clinical Internship – Child Track, 2004

*University of Oregon*  
Ph.D. Clinical Psychology, 2002  
M.S. Clinical Psychology, 1999

*University of California, Los Angeles*  
B.A. Highest Honors, Psychology, Summa Cum Laude, 1998

---

### **AREAS OF SPECIALIZATION AND INTEREST**

*Research:* Effects of parent and child interactions and relational schemas on interpersonal family dynamics and longitudinal family adjustment; developmental psychopathology with an emphasis on antisocial behavior, depression, anxiety, and substance use and comorbid disorders; direct observation of family and peer processes; biologic mechanisms of self regulation and longitudinal development; and translation of empirical models into effective interventions.

*Methodological:* Measurement development with an emphasis on global and real-time audio and videotape coding strategies and manuals; process analyses; multivariate and sequential analyses; longitudinal designs; developmental and longitudinal modeling; measurement theory and development.

*Intervention Science:* Integrating psychosocial interventions and mindfulness practices of yoga, meditation and pranayama to increase both cognitive and physiological awareness relevant to intervention practices and outcomes. Prevention science with an emphasis on the translation of developmental models into family-centered interventions; behavioral, emotional, and cognitive assessment of children and families; family-centered treatment; development and implementation of culturally sensitive prevention and intervention programs; linking efficacy and effectiveness research with public policy.

---

### **AWARDS AND GRANTS**

Competing Continuation: Understanding and Childhood Drug Use Risk (DA 016110 Dishion NIH/NIDA). Co-Investigator: May 2007–April 2012

Competing Continuation: Understanding and Preventing Adolescent Drug Abuse (5 R37 DA07031 Dishion NIH/NIDA). Co-Investigator: May 2006–April 2011

National Institutes of Mental Health (NIMH) R25 MH60486, Interdisciplinary Clinical Research Skills Training Grant. Trainee: July 2003–June 2004

National Institutes of Mental Health (NIMH) 5T32-MH20012, Development and Psychopathology Research Training Grant. Trainee: June 1999–June 2001

UCLA Distinguished Scholar Award, December 1997

UCLA Alumni Association Academic Achievement Award, August 1997

Mr. & Mrs. C. Flint Memorial Scholarship, August 1996

UCLA Alumni Scholarship, July 1996

---

**PROFESSIONAL AFFILIATIONS**

Qualified Mental Health Professional: State of Oregon  
 Amrita Sanctuary for Yoga, Advanced Yoga Teacher Certification Instruction (2007–present)  
 International Society for the Study of Behavioral Development (ISSBD)  
 Society for Prevention Research (SPR)  
 Society for Research in Child Development (SRCD)  
 Society for Research on Adolescents (SRA)  
 UCLA Alumni Scholar

---

#### MANUSCRIPTS

- Bullock, B. M. (1998). *The association between youth perceptions of their parents and increased risk for youth depression*. Unpublished undergraduate honors thesis, Department of Psychology, University of California at Los Angeles.
- Bullock, B. M. (2002). *Parenting through change: An experimental test of the parent management training model*. Center for Substance Abuse Prevention: National Registry of Effective Prevention Programs.
- Bullock, B. M. *Parent–adolescent relational schemas and observed dynamics: Synergy or disparity?* Manuscript in preparation.
- Stormshak, E., & Bullock, B. M. *Parenting and sibling deviance: The role of monitoring in sibling development*. Manuscript in preparation.

---

#### MEASURES AND CODING INSTRUMENTS

- Bullock, B. M., & Asarnow, J. R. (1998, January). *Manual for Coding Child and Adolescent Comments Regarding Family Members*. Unpublished coding instrument developed to complement “A brief method for assessing expressed emotion,” Magana, A.B., & Goldstein, M. (1986).
- Bullock, B. M., & Dishion, T. J. (1999). *Sibling Interaction Ratings (SIB-R)*. Unpublished observational coding system. Child and Family Center, University of Oregon, Eugene, OR.
- Bullock, B. M. (2002). *Community Readiness Questionnaire*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003). *Organizational Structure Questionnaire*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003). *Commitment to Fidelity Questionnaire*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003). *Supervisory Support for PMTO*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003). *Organizational Structure (Size Client Load, Governance) Questionnaire*, Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003). *Parent Management Training Organizational Implementation Survey*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003). *Therapist Professional Background and Attitudes Questionnaire*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2003) *Material Support for PMTO. Questionnaire*, Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*

- Bullock, B. M. (2003). *Project Network Questionnaire*. Unpublished instrument. Oregon Social Learning Center, Eugene, OR.\*
- Bullock, B. M. (2005). *Five-Minute Speech Sample Coder Impressions—Child Version (SSCIMP)*. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.
- Bullock, B. M. (2005). *Five-Minute Speech Sample Coder Impressions—Parent Version (SSPIMP)*. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.
- Bullock, B. M. (2005). *Problem-Solving In Critical Environments: Reframing Critical Attitudes (PRE-SICE)*. Unpublished treatment manual. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.
- Bullock, B. M., & Dishion, T. J. (2005). *Family Affective Attitude Rating Scale (FAARS)*. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.
- Bullock, B. M., Schnieger, A., & Dishion, T. J. (2005). *Manual for Coding Five-Minute Speech Samples Using the Family Affective Attitude Rating Scale (FAARS)*. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.
- Bullock, B. M. (2006). *Five-Minute Speech Sample Coder Impressions—Parent Toddler/Early Childhood Version (SSPIMP-T)*. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.
- Bullock, B. M. (2007). *Family Check-Up Parent Consultant Survey*. Available from the Child and Family Center, 195 West 12<sup>th</sup> Avenue, Eugene, OR 97401-3408.

\*Instruments also adapted and translated into Norwegian for the Norwegian National Implementation Study in collaboration with Marianne Sørliie, Terje Ogden, Heidi Aase, John Kjøbli, Eyvind Elgesem, & Carl Ivar Holmen. The Norwegian Center for the Studies of Behavioral Problems and Innovative Practice, University of Oslo.

---

#### CONFERENCE/COLLOQUIA PRESENTATIONS

- Bullock, B. M., & Dishion, T. J. (2008). Family Check-Up with high-risk, indigent families: Outcomes of positive parenting and problem behavior from ages 2 through 4 years. In L. Bank (Chair). *Recent advances in child, adolescent, and family intervention strategies evaluated in community settings*. Paper presented at the biennial meeting of the International Society for the Study of Behavioral Development, Wurzburg, Germany.
- Dishion, T. J., Bullock, B. M., Stormshak, E., & Light, J. (2007, June). Peer networks in middle school prognostic of deviant peer clustering and problem behavior. In T. J. Dishion (Chair), *Peer networks in the first year of middle school prognostic of contagion in problem behavior: Testing the Social Augmentation hypothesis*. Paper presented at the annual meeting of the Society for Prevention Research, Washington, D.C.
- Dishion, T. J., Connell, A., & Bullock, B. M. (2006, July). An adaptive approach to family intervention in the public middle schools: Engagement and long-term effects on substance use. In L. Bank & Le Broque (Convenors), *Conducting intervention research in community settings: Successful methods and noteworthy pitfalls*. Paper presented at the biennial meeting of the International Society for the Study for Behavioral Development, Melbourne, Australia.
- Bullock, B. M. (2006, June). *Innovative methods for measuring family relational schemas and links to adolescent psychopathology*. Poster presented at the annual meeting of the Society for Prevention Research, San Antonio, TX.
- Bullock, B. M., & Connell, A. (2006, March). New methods for measuring family member attitudes: Links to observed processes and adolescent psychopathology. In B. Bullock (Chair), *Methodological and analytical innovation for the study of family dynamics and adolescent psychopathology*. Paper presented at the biennial meeting of the Society for Research in Adolescence, San Francisco, CA.
- Bullock, B. M. (2006, March). (Symposium chair). *Methodological and analytical innovation for the study of family dynamics and adolescent psychopathology*. Symposium conducted at the biennial meeting of the Society for Research in Adolescence, San Francisco, CA.
- Bullock, B. M. (2006, March). *Entropy and socialization: New directions in understanding family process and adolescent antisocial behavior*. Poster presented at the biennial meeting of the Society for Research in Adolescence, San Francisco, CA.

- Stormshak, E., & Bullock, B. M. (2006, March). *Sibling relationship qualities in middle school as predictors of problem behavior in high school and late adolescence*. Paper presented at the biennial meeting of the Society for Research in Adolescence, San Francisco, CA.
- Bullock, B. M. (2005, June). *The prognostic power of criticism: Maternal attitudes and behavior and adolescent outcomes*. Poster presented at the biennial meeting of the International Society for Research on Child and Adolescent Psychopathology, New York, NY.
- Bullock, B. M. (2005, April). (Roundtable discussion cofacilitator). *Genetic effects and peer relations*. 13<sup>th</sup> Biennial Peer Preconference: Proximal Dynamics in Peer Relations conducted at the biennial meeting of the Society for Research on Child Development, Atlanta, GA.
- Bullock, B. M. (2005, April). (Symposium chair). *The etiology of children's behavior problems for infancy to middle childhood: Family member attitudes, parenting strategies, and interpersonal processes*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Bullock, B. M., Dishion, T. J., Gardner, F., & Shaw, D. (2005, April). Advances in process research: Linking negative affective attitudes, family dynamics, and child and adolescent outcomes. In B. Bullock (Chair), *The etiology of children's behavior problems for infancy to middle childhood: Family member attitudes, parenting strategies, and interpersonal processes*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Bullock, B. M. (2004, July). *Affective family dynamics of adolescent problem behavior*. Poster presented at the annual meeting of the International Society for the Study of Behavioral Development, Ghent, Belgium.
- Bullock, B. M. (2004, July). *Twin deviant peer association and problem behavior: Genetic and environmental influences*. Paper presented at the annual meeting of the International Society for the Study of Behavioral Development, Ghent, Belgium.
- Bullock, B. M. (2004, May). *Parent-teen EE attitudes and observed dynamics: Synergy or disparity*. Poster presented at the annual meeting of the Society for Prevention Research, Quebec City, Canada.
- Supplee, L., & Bullock, B. M. (2004, May). *Traditional and alternate methods of coding maternal expressed emotion and its relation to toddler behavior problems*. Paper presented at the annual meeting of the Society for Prevention Research, Quebec City, Canada.
- Schloretdt, K. A., Bullock, B. M., & Rockhill, C. (2004, April). *Case study: Family treatment for an adolescent with OCD—the role of delayed response prevention*. Invited paper presentation at Psychiatry Grand Rounds, Children's Hospital and Regional Medical Center, University of Washington, Seattle, WA.
- Bullock, B. M., & Dishion, T. J. (2003, August). *Relationship dynamics of peer and sibling influences on adolescent problem behavior*. Invited paper for Division 53, presented at the annual meeting of the American Psychological Association, Toronto, Ontario, Canada.
- Bullock, B. M., & Forgatch, M. S. (2003, June). *Innovations in multi-agent measurement of complex organizations: Lessons from the Norway PMTO implementation project. Multiple methods for the evaluation of community intervention, dissemination, and diffusion research*. Paper presented at the annual meeting of the Society for Prevention Research, Washington, DC.
- Forgatch, M. S., & Bullock, B. M. (2003, June). *Understanding fidelity: Observing implementation at multiple levels*. Paper presented at the annual meeting of the Society for Prevention Research, Washington, DC.
- Dishion, T. J., Nelson, S., & Bullock, B. M. (2003, April). The dynamics of friendship influence: Deviant talk as an attractor that predicts antisocial outcomes. In I. Granic (Chair), *Predicting antisocial behavior from observations of socialization processes: New systems approaches*. Paper presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Bullock, B. M. (2003). *Parent management training outside the box: Measuring sociopolitical context in the implementation of interventions across diverse community settings*. Paper presented to the Prevention Science Methodology Group. USA.
- Ball, A., Bullock, B. M., & Dishion, T. J. (2002, November). *Culturally sensitive family observations for American Indian families*. Paper presented at the First Biennial Sundberg Conference on Cultural and Community Psychology, Eugene, OR.
- Bullock, B. M. (2002, September). Twin deviant peer association and problem behaviour: Genetic and environmental influences—methodological considerations. In J. Kiesner & M. Kerr (Chairs), *Factors associated with movement into a deviant peer group: A cross-cultural perspective*. Paper presented at the biennial meeting of the European Society for Research on Adolescence, Oxford, England.

- Bullock, B. M., Deater-Deckard, K., & Leve, L. (2002, August). *Peer deviance and the etiology of problem behavior: Genetic and environmental influences*. Poster presented at the annual meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada.
- Dishion, T. J., Nelson, S., Bullock, B. M., & Winter, C. (2002, August). A dynamic systems analysis of developmental trajectories: Prosocial and deviant adaptation as an attractor process. In I. Granic & M. Lewis (Chairs), *Dynamic systems approaches to normative and antisocial trajectories of adolescent development*. Paper presented at the annual meeting of the International Society for the Study of Behavioural Development, Ottawa, Canada.
- Bullock, B. M., & Dishion, T. J. (2002, April). *New directions in understanding deviant peer process: A dynamic model of adolescent problem behavior*. Poster presented at the biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J., Nelson, S., & Bullock, B. M. (2002, April). *A longitudinal analysis of family process and family engagement through adolescence*. Paper presented at the biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J., Bullock, B. M., & Granic, I. (2001, June). *Advances in peer process research in understanding the development of problem behavior*. Paper presented at the 10th Scientific Meeting of the International Society for Research in Child & Adolescent Psychopathology, Vancouver, B.C., Canada.
- Bullock, B. M. (2001, April). Sibling collusion, parenting and peers: Toward unraveling a multidirectional process. In E. A. Stormshak & B. M. Bullock (Chairs), *Sibling relationships as a context for the development of risk*. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Shepard, S., & Bullock, B. M. (2001, April). *Brother's and sister's contribution to their siblings' deviant behavior: Does gender make a difference?* Poster session presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Stormshak, E. A., & Bullock, B. M. (2001, April). (Symposium co-chair). *Sibling relationships as a context for the development of risk*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Bank, L., & Bullock, B. M. (2000, November). Expressed emotion as an indicator of younger sibling poor adjustment. In T. J. Dishion & B. M. Bullock (Chairs), *Advances in family process research on the development of antisocial behavior: Implications for an evolving behavior therapy paradigm*. Paper presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
- Bullock, B. M., & Dishion, T. J. (2000, November). Sibling collusion as a predictor of concurrent and one-year outcome in early adolescents: Toward a process model for family mutuality. In T. J. Dishion & B. M. Bullock (Chairs), *Advances in family process research on the development of antisocial behavior: Implications for an evolving behavior therapy paradigm*. Paper presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
- Dishion, T. J., & Bullock, B. M. (2000, November). (Symposium co-chair). *Advances in family process research on the development of antisocial behavior: Implications for an evolving behavior therapy paradigm*. Annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
- Dishion, T. J., Bullock, B. M., & Owen, L. (2000, November). Deviant norms in families: Constructing a process bridge to peer culture. In T. J. Dishion & B. M. Bullock (Chairs), *Advances in family process research on the development of antisocial behavior: Implications for an evolving behavior therapy paradigm*. Paper presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
- Dishion, T. J., Kavanagh, K., Bullock, B. M., & Burraston, B. (2000, November). A multilevel strategy for family-based interventions in public middle schools. In J. Snyder (Chair), *Recent developments in child and family intervention and assessment*. Paper presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
- Bullock, B. M., & Bank, L. (2000, October). *Adult sibling expressed emotion as a predictor of younger sibling problem behavior*. Poster session presented at annual meeting of American Academy of Child & Adolescent Psychiatry, New York, NY.
- Bullock, B. M. (2000, April). (Symposium chair). *Looking at siblings through different lenses: Contextual, genetic, observational, and relationship process perspectives*. Symposium conducted at the annual meeting of the Western Psychological Association, Portland, OR.

- Bullock, B. M., & Dishion, T. J. (2000, April). Sibling collusion and problem behavior in early adolescence. In B. M. Bullock (Chair), *Looking at siblings through different lenses: Contextual, genetic, observational, and relationship process perspectives*. Paper presented at the annual meeting of the Western Psychological Association, Portland, OR.
- Bullock, B. M., & Bank, L. (2000, March). *Expressed emotion: Association between adult sibling affective attitudes and problem behavior and substance abuse in their younger male sibling*. Poster session presented at the biennial meeting of the Society for Research on Adolescents, Chicago, IL.
- Bullock, B. M., & Dishion, T. J. (2000, March). *Sibling collusion and problem behavior during early adolescence*. Poster session presented at the biennial meeting of the Society for Research on Adolescents, Chicago, IL.
- Bullock, B. M., & Dishion, T. J. (1999, November). *Sibling collusion and problem behavior during adolescence*. Poster session presented at the annual meeting of the Association for Advancement of Behavior Therapy, Toronto, Canada.
- Asarnow, J. R., & Bullock, B. M. (1998, October). *Expressed emotion and depression: Youth attitudes and affect toward parents*. Poster session presented at annual meeting of American Academy of Child & Adolescent Psychiatry, Anaheim, CA.
- Bullock, B. M., & Asarnow, J. R. (1998, May). *The association between youth perceptions of their parents and increased risk for youth depression*. Poster presentation at University of California, Psychology Undergraduate Research Conference, Los Angeles, CA.

#### REVIEW BOARDS

Consulting reviewer:	<i>Child Development Prevention Science Journal of Abnormal Child Psychology Journal of Family Psychology Journal of Marriage and Family Journal of Adolescent Research Social Development</i>	<i>Development and Psychopathology Psychological Assessment Child Development Perspectives Journal of Child Psychology and Psychiatry Journal of Adolescence Oxford University Press Blackwell Publishing</i>
----------------------	--	---

---

#### PREVIOUS RESEARCH EXPERIENCE

- Child and Family Center, University of Oregon: August 2005–2008*  
Director of Scientific and Grant Writing; Director of Operations
- Oregon Social Learning Center: February 2003–July 2003*  
Research Associate: Oregon Divorce Study; Marriage, Parenting, and Stepfamilies Study;  
Norway Implementation Project
- Oregon Social Learning Center: July 2002–February 2003*  
Senior Data Analyst: Oregon Divorce Study; Marriage, Parenting, and Stepfamilies Study;  
Norway Implementation Project
- Child and Family Center, University of Oregon: June 2002–June 2003*  
Publications Editor
- Understanding and Prevention of Adolescent Substance Use, University of Oregon: June 2001–present*  
Consulting Methodologist: Five-Minute Speech Sample Measure of Expressed Emotion (FMSS-EE)
- Early Interventions for Conduct Problems, University of Pittsburgh, October 2000–present*  
Consulting Methodologist: Five-Minute Speech Sample Measure of Expressed Emotion (FMSS-EE)
- Child and Family Center, University of Oregon: June 2000–June 2002*  
Research Intern
- Gene–Environment Process Laboratory, University of Oregon: January–June 2002*  
Data Manager
- Oregon Social Learning Center, Oregon Youth Study: June 1999–September 2001*  
Consulting Methodologist: Five-Minute Speech Sample Measure of Expressed Emotion (FMSS-EE)
- University of California, Los Angeles Neuropsychiatric Institute: September 1996–August 1998*  
Research Assistant: UCLA Family Studies Project
- University of California, Los Angeles, Neuropsychiatric Institute: September 1997–January 1998*  
Research Assistant: Sigman Laboratory

---

#### CLINICAL EXPERIENCE

- Child and Family Center, University of Oregon: 2007–present*  
Project Director: Early Steps Multi-Site Prevention Study
- Child and Family Center, University of Oregon: March 2006–present*  
Co-Principal Investigator: Project Alliance Longitudinal Prevention Trial
- Child and Family Center, University of Oregon: 2004–present*

Child and Family Child and Adolescent Psychologist, Clinical Supervisor  
*University of Washington, School of Medicine, APA Accredited Psychology Residency: July 1, 2003–June 30, 2004*  
 Resident: Children's Hospital and Regional Medical Center (inpatient psychiatry, psychiatric consult service, neuropsychological assessment, outpatient treatment)  
*Southside Psychological Services: January 2003–June 2003*  
 Clinical Intern: Couples Therapy  
*Peace Health Department of Psychological Medicine: September 2001–January, 2003*  
 Clinical Intern: Couples and Child and Family Therapy  
*The Child Center: September 2000–September, 2002*  
 Outpatient Therapist: Child and Family, Child and Adolescent Risk Assessor  
*Next Generation Project, University of Oregon: Spring 2002*  
 Parent Group Facilitator: Adolescent Transitions Program  
*University of Oregon, Child and Family Center, Child Assessment Practicum: January–March, 2000*  
 Assessment Trainee: Child Assessment  
*University of Oregon, Child and Family Practicum: September 1999–September 2000*  
 Outpatient Therapist: Child and Family Assessment and Therapy  
*University of Oregon, Neuropsychological Assessment: March 1998–June 1998*  
 Assessment Trainee: Adult Neuropsychological Assessment  
*University of California, Los Angeles Neuropsychiatric Institute: September 1996–August 1998.*  
 Co-Therapist: Adolescent Coping with Depression Intervention, UCLA Family Studies Project

---

#### TEACHING EXPERIENCE

*University of Oregon, Department of Psychology: September 2001–June 2002; September 1989–June 1999*  
 Graduate Teaching Fellow (Mind and Society, Development, Psychopathology, Personality)  
*University of Oregon, Department of Psychology: September–December 2001*  
 Instructor: Social Development  
*University of Oregon, Department of Psychology: January 2003*  
 Guest Lecturer: Social Development  
*University of Oregon, Department of Counseling Psychology: February 2002 & 2003*
