Joint meeting:  
East Campus Residence Hall User Group and  
Creating a Residential University Committee  
Agenda  

January 20, 2009 @ 4:00-5:00  
Bean East Conference Room  

- Welcome, Introductions and Meeting Goals (Lobisser)  
- What is a residential university and why is it important that the UO strive to become one? (Holmes)  
- Discussion (All)  
  To advance the development of the UO as a residential university, what functions and activities must be created or supported in the new East Campus Residence Hall, and how might the building’s student living areas, public spaces, service areas, and adjacent outside spaces be developed?
