SYMPOSIUM ON THEATRE & ECOLOGY*

How are theatre artists responding to the ecological crisis?

“Ecological victory will require a transvaluation so profound as to be nearly unimaginable at present. And in this the arts and humanities – including the theater – must play a role.”

- Keynote speakers including Una Chaudhuri, author of *Staging Place*.
- Green Theatre Practices Think Tank, Spearheaded by CalArts' Center for Sustainable Practices in the Arts

Workshops including...

- Directing from an ecological standpoint
- Devising from place
- Community-based Theatre
- Site Specific Improv and more!

Roundtables on...

- Environmental Justice and Theatre
- Indigenous Theatre
- Ecocriticism & Performance ecology
- Art/Culture/Nature Think Tank

Una Chaudhuri
Author, Distinguished Professor,
New York University

Join us for ten days of performances, workshops and discussions.

May 21-31, 2009

IF YOU ARE AN ARTIST ~ Be part of this emerging creative effort. Meet other theatre artists who believe theatre can help heal our planet, our communities. Propose your own workshop session: www.UOregon.edu/~Ecodrama.

IF YOU ARE A SCHOLAR OR STUDENT ~ Help us think about the questions at the intersection of performance and ecology, nature and culture, human and non-human. Propose a paper or panel: www.UOregon.edu/~Ecodrama.

IF YOU ARE AN EDUCATOR ~ Bring your students! We will work with you to give them an inspiring educational experience. Find articles and curriculum suggestions on our website: www.UOregon.edu/~Ecodrama.

*Proposals accepted until 1 February 2009. See www.UOregon.edu/~Ecodrama
