

Week 3 Agenda

Math 199—Math and the Creative Process: A Participatory Exploration of Number Theory

- The Question Game (postponed from last week)
- Intro to possible museum projects
- Mathematical Topics:
 - Fundamental theorem of algebra, including Gauss's approach
 - More on rational numbers and algebraic numbers

Due this week: Discussion board responses on MONDAY, Project preferences/assessments on TUESDAY (postponed from MONDAY), survey about project team formations on FRIDAY

Due next week: Discussion board responses on MONDAY, "Exercises and Investigations" set 2 on WEDNESDAY, peer feedback on FRIDAY (also: optional, anonymous feedback survey on Friday)
