

Campus Plan Pattern List: Student Recreation Center Expansion – March 1, 2011

The following Patterns are taken directly from the *Campus Plan* list of Campus-wide patterns that are applicable to the SRC Expansion project. It is expected that user generated patterns will be added to this list as we proceed with pre-design and design meetings.

LARGE SCALE CAMPUS

Universal Access
Sustainable Development
Open-space Framework
Welcoming to All
Good Neighbor
Outdoor Classroom

TRANSPORTATION

Bike Paths, Racks, and Lockers
Path Shape
Paths and Goals
Pedestrian Pathways
Looped Local Roads
Shielded Parking and Service Areas
Small Parking Lots in Campus Core

SITE ARRANGEMENT

Site Repair
Use Wisely What We Have
Existing Uses/Replacement
Positive Outdoor Space
South Facing Outdoors
Quiet Backs
Water Quality
Accessible Green
Local Sports
Main Building Entrance
Activity Nodes
Building Complex
Connected Buildings
Family of Entrances
Tree Places
Access to Water
