185 Academic classes.

active, balanced lives.

Integrate academic work

be a happy Respectful family

Build links between academic & Rec
recreation spaces.

Example: 1.M. Starts @ 3 last 6pm.

Draw academic folk into space & design.

EXIST facing

- Hard to explain how to find spaces in Bldg
- NOT INTUITIVE, ~~Thorough~~
- Connection @ upper track & wt room to outside = good.
Some good views exist
- Look to east.
- good view into from green Quad.
- Front door access too tight (especially @ Academic Times)
(space problems).
- Membership Services (academic & Rec, combined)
- NOT A one-stop stop. (want to be).
- Disabled access = poor.. (physical access).
- Like existing track. want more. + corners are good too.
Bigger track too

- o COUNTS 4 & 5 have NO JACUZZI space.

- o " " " are TOO SMALL.

- o PB COUNTS all on Sizes

- o SQUISH COUNTS NOT ACCEPTABLE

+ good Cubbies & EXIST Group Ex Room

- o Need multiple Group Ex TO serve multiple MISTERS

- o Cycling space to install - 2x Room

- o NOTE: Due TO academic & activity classes - Need multiple Group Ex space.

- o Room 50 = higher Room.

- o Ventilation problems many areas.

- o Rel & PE offices are UNDESIRABLY SEPARATED - WANT TO JOIN.
WANT STATE TO be proximate TO each other.

• Blog & social feeds = promotion?
aggregate collection of posts

• openness & visibility @ HTS & finances -
- easy to make about
- HSG records = good
- good design & news

• like European Plaza (not fanzin)
- welcoming
- next best feel

- Pool - all of IT
 - INADEQUATE QTY (even for PC)
 - Not enough ~~work~~ space.
 - all in one pool, right now.
 - NO place TO WAIT
 - poor layout
 - INADEQUATE

- Main entry
- art & ~~book~~ space @ hallway (N/S).
- New & old spaces merge well.
- Laundry Service in Silver location!
- all Deney @ front bar. (most all).
