Words. Stones. and Herbs: Healing Texts in the Middle Ages

Friday, May 14th
12:00 - 1:00 PM

330 Hendricks Hall, Jane Grant Conference Room, Center for the Study of Women in Society

Professor Bishop will speak to the meaning of healing found in intersections between word and thing, body and (reading) spirit in late medieval English literature, taken from her book project, “Measure is Medicine: Healing and Reading in Late Medieval English Culture”
