Description of Organization: Summarize mission, size of organization, and work environment.

(No more than 100 words)

The Long Tom Watershed Council serves to improve water quality and watershed condition in the Long Tom River basin through education, coordination, consultation, and cooperation among all interests, using the collective wisdom and voluntary action of our community members. We conduct education, monitoring and restoration projects on private and public land from the Willamette River west to the Coast Range Mountains, throughout the Long Tom River Watershed and surrounding area. The Council is a nonprofit corporation with three staff, a 14-member Steering Committee, and a diverse membership, which includes all people living in or interested in the watershed.

Internship Description: What will the student learn? Describe anticipated tasks and responsibilities. If internship is a project, describe type and scope. **If your description exceeds 200 words, attach a separate sheet.**

Resource Development and/or Communications/Marketing Plan Creation: The Council is embarking on a process to create a Resource Development plan and a Communications/Marketing plan. Likely intern responsibilities would include background research, producing written components of the plan(s), and creation of specific products (e.g., brochures, display materials, etc).

Minimum Qualifications: Describe the general knowledge and skills required (approximately 40 words). Indicate if a particular skill is preferred or required.

General knowledge and skills required: Specific skills and knowledge required depend on the particular project. The ideal candidate will be able to work independently, have strong research, writing and communication skills, and be committed to the mission of the Council.
