

This assignment is due during my **office hours** no later than Friday, January 9th. You may **not** turn this assignment in to me at any time other than my office hours. If you are unavailable during all of my office hours, please send me an email to set up an appointment. This assignment is worth 5 points and is graded on completion.

1. Preferred name: _____

2. Student ID#: _____

3. Preferred pronoun (e.g. 'she/her'): _____

4. Major: _____

5. Hometown: _____

6. What interests you about math?

7. How do you hope to use your degree?

8. Briefly, why did you come to college?

Flip over.

9. Please note that a grade of C- or higher in both Math 111 and Math 112 (or the equivalent) are pre-requisites for this course. If you do not satisfy the pre-requisites, it is recommended that you do so before taking Math 251. Please speak with me if you have any questions regarding pre-requisites, or if you have any questions about how to better prepare yourself for calculus.

Did you take Math 111 and 112 at the Univ. of Oregon?

10. Log into WebWork and open the Review Problems set. Go to problem 3. What are you being asked to find?

11. Have you ever used WeBWorK before? If not, then I recommend you work through the WeBWorK Practice in order to familiarize yourself with the system.

12. Go the course website (the url is on the syllabus). Which book problems are due for Hand-In HW 1?

13. Read through the syllabus carefully. What are you expected to show on all written homework?

14. List the dates of the Midterm Exams.

15. When and where are my office hours?

16. Is there anything you would like me to know?
