PUBLIC SPACES – INTERIOR DEVELOPMENT
NEW FACADE

- admit daylight & control glare
- connect / views to exterior
STUDENT STREET

- provide identity / showcase student activities
- wayfinding
- acoustic control
- allow daylight into offices / views out
HISTORIC FACADE

- highlight character of historic facade
- SUPPORT HISTORIC

- support historic façade structurally and architecturally
- define edge of new gathering / social space
VERT. CONNECTIONS

- connect main gathering / social spaces (hearth, student street, O lounge) with other levels
