ABOUT TODAY’S ARTISTS

Since its founding in 1993, the Boulder Brass has earned a national reputation for innovation, style, and musical artistry. This chamber ensemble of twelve musicians brings a new dimension to the traditional brass ensemble with their cutting-edge, original arrangements and the addition of a wide array of percussion instruments. With this prototypical instrumentation and unique crossover programming, they perform a multitude of musical styles in an appealing and enriching format. The Boulder Brass maintains an active concert schedule with over 100 engagements during the 2002-2003 season. In addition to this busy performing schedule, the artists that comprise the Boulder Brass are also members of Colorado’s elite musical institutions including the Colorado Symphony Orchestra, the Boulder Philharmonic Orchestra, the Central City Opera Orchestra, and the Colorado Ballet Orchestra. They also hold faculty positions at the University of Colorado at Boulder, the University of Northern Colorado, Colorado State University, and Metropolitan State College of Denver. The Boulder Brass is a Dorian Records recording artist.
