Approval Form for Project Proposal
(M.Mus. in Piano Pedagogy)

Instructions

This approval form shall be submitted at least one term prior to the term of expected graduation (e.g. winter term for fall graduation). A project committee of at least three faculty members is to be chosen in consultation with the adviser and approved by the Director of Graduate Studies. The adviser acts as chair of the committee. Two members of the committee are to be piano faculty and one other member will be faculty in an appropriate performance or scholarly area. All members of the committee, by their signatures, agree to assist in the preparation of the project and to take part in the final oral examination.

Attach a complete copy of the proposal to this form. The original signed approval form is to be placed in the student's file; a copy should be retained by the student. If the nature of the project changes, or if the makeup of the committee changes, a revised form and/or proposal *must* be filed in the Music Graduate Office.

If human subjects are to be used, permission must be given by Research Compliance Services (<http://humansubjects.uoregon.edu>) prior to any contact with the subjects. See A11 and A12 of the *Procedures and Policies*.
