In order to be considered for a Concert Band Camp Diversity Scholarship, you must be nominated by your director, prepare a recording, and submit a résumé. Scholarships range in amount from $100.00 to full tuition. The number of scholarships and amount of awards change annually and are based on available funding. You will receive written notification of the scholarship results on or around June 1st.

**You must submit the following:**
- Letter of nomination by director
- A recording of the applicant on his/her instrument (below, see details)
- 1-page résumé
- A completed scholarship application form

**Recording:** The recording must be on a CD or DVD (video recordings are acceptable). Recording cannot be submitted by e-mail or be altered or edited in any way. Clearly mark your CD or DVD with your name and phone number.

The recording must include:

- Two scales of your choice (2 octaves).

*TIP:* If you do not have the means to make a recording at home, ask your music teacher at school.

**Résumé:** Please provide a brief, one-page résumé of your playing experience. This may include school experience, special performances, other camps you have attended, private lesson experience, and any other pertinent musical details.
