<td>GOALS</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Students will be able to use memorized words and phrases, everyday expressions, identify familiar objects, hold basic conversations using simple sentences and give short presentations in the topic areas</td>
<td>Self, Food/Beverage, Animals, Classroom, Clock Time/Days of the Week, Naming culturally relevant items, Seasons, Weather, Location, Clothing, Family, Geography, Community, Home, Health, Transportation</td>
<td>Students will demonstrate adequate speaking ability by: 1. responding to questions without asking for more than 2 repetitions for comprehension. 2. showing conformity to the pronunciation system. 3. conveying a message which is generally understandable to the person asking the question (fewer hesitations and pauses which interfere with comprehension).</td>
</tr>
</tbody>
</table>
**CULTURE SKILLS:** A Beginning-Conversational student learning their culture and language will be able to practice their traditional responsibilities within their community and their environment. This knowledge will be reflected through their own daily actions; their sense of identity and self-esteem will be strengthened through speaking their language; and they will, through their language and culture, better understand and relate to the world around them. Culturally knowledgeable students are rooted in the cultural heritage and traditions of their community.
