A schedule for the photocopy packet readings (i.e., when to read what) will be provided with the packet.

QUIZZES: The four quizzes will be held on the following days, unless otherwise specified in class.

Quiz 1: Thursday, June 29

Quiz 2: Friday, July 14

Quiz 3: Thursday, July 27

Quiz 4: Tuesday, August 8

Quizzes will have a multiple choice/matching format. They will cover material from both lectures and readings. Each will be worth 20% of the final grade. There will be no make-up quizzes offered for any reason.

FINAL EXAM: The final exam will be optional. It will be available to anyone who would like to use it to replace their lowest quiz grade. For example, if you really bomb Quiz 1, simply take the final and the grade you receive on it will replace your Quiz 1 grade. However, unlike quizzes, the final exam will be comprehensive, and therefore perhaps more difficult. A review for the final will take place in class on August 9. The exam itself will be held Thursday, August 10, at 1:30 pm.

CHEATING: Anyone caught cheating on any test will receive a zero (0) for that requirement and cannot substitute this grade.

NO CLASS: There are three dates to keep in mind, on which class will not meet:

Monday, July 3rd

Tuesday, July 4th (Independence Day - Fun & Fireworks)

Friday, July 28th
