

**5 February 2004\_Motion 3**  
**Undergraduate Council Action**  
**Consideration of Guidelines for 300-Level Group-Satisfying Courses**

A motion to adopt the criteria for 300-level Group-Satisfying Courses with some slight rewording passed unanimously.

The council had the following suggestions:

- In the last bolded paragraph, add the word “advanced” before “university-level intellectual engagement.”
- Arrange the examples in the same order, with respect to group, for each bullet point.
- Mark Thoma and Karen Sprague will slightly revise several of the examples.
