Hi everyone!

Today Sammy gave us an awesome presentation on the fault rupture in Baja California with many very cool pictures! Thanks much, Sammy!

Looks like we’ve got most of the posters for the Mount Saint Helens Exhibit, so thank you very much to those of you who put those together! Molly and I will make any needed changes, and email you if we have questions.

**Ochoco Trip:** Despite some snowiness, the Ochoco trip was a success! Allison was a wonderful guide around the Ochocos, and they got to do a great hike around Steen’s pillar.

**University Day:** University day is tomorrow! Some club members are meeting at the sign-up tent at 13th and University at 9 AM tomorrow. Wear your club shirt! Sammy and some others will be giving Cascade Charley a much needed power wash. You are strongly encouraged to attend – you get a free t-shirt! ....Okay, there are many other very good reasons to attend.... but the t-shirt is nice. :)

**Nominations:** Today we nominated club members for 5 positions next year. Here’s who was nominated:
- President: Lena Moro, Elias Aparicio
- Treasurer: Joe Piccolotti, Ellen Aster
- Secretary: um....Me...Patricia MacQueen
- Community Outreach: Amy Atwater, Ariella Hubbard
- Webmaster: Ellen Aster, Joe Piccolotti

If you were nominated and didn’t particularly want to be...... just let us know next week. If you were nominated and you wanted to be, be prepared to give a short schpiel next week on why you would be incredibly awesome for that particular position, and then we shall VOTE!!

**Cover Band Show:** The GTFF (Graduate Teaching Fellows Federation) is hosting a cover band show at Lucky’s on Saturday May 15 at 9:30 PM. All proceeds will go to Food for Lane County; admission is $5 and one can of food. One of the bands will feature our own Carl Swanson, Mike Darin, and Al Handwerger!

**Relay for Life:** Also on Saturday night is the Relay for Life, put on by American Cancer Society. The event raises money to help fight cancer. Runners will be at Hayward Field from 5 PM all night until 10 AM the next morning; Becky Salvage is part of one of the teams! Teams have to have at least one member on the track at all times. There shall be food, music and dedications. Come help fight cancer!

See you all Tuesday for the Mount Saint Helens festivities, or if not, Wednesday!

~Patricia
