**PAGE 1/2**

**APPLICANT INSTRUCTIONS:**

A minimum of 3 references are required to complete your application. Be sure that at least 2 references address your academic performance and potential for success in graduate school, and at least 2 references describe your clinical athletic training experience and abilities (a letter from a direct supervisor who can quantify your athletic training experience is recommended). Your evaluator may address BOTH your academic performance AND your athletic training experience, if appropriate.

Please supply the information requested on the top half of this page and furnish a copy of this form to the individual recommending you. This form should be paper-clipped to a letter of recommendation and sealed in an envelope (and signed along the seal). All letters of recommendation must be included in the complete application package.

**Part II: Letter of Reference**

Personal references are a valued and integral part of the admissions process. Our program seeks individuals who have the potential for success in a rigorous educational program, have strong academic, clinical and personal skills and are suitable for a clinical athletic training graduate fellowship position.

Please submit a **letter of reference** on professional letterhead for the applicant.

- Comment on the qualities in the grid above as well as the following: their motivation to pursue a Master's Degree, specific strengths and weaknesses as a student and clinical athletic trainer, and any reservations you might have regarding their ability to succeed in our graduate program.

Your candid evaluation of the applicant will be of significant value and is greatly appreciated.
