June 10th, and that the graduation exercises be held on the morning of Monday, June 14th, other Commencement exercises be arranged accordingly. It was further recommended by the Committee that all Seniors shall be required to be present at the graduation exercises on Monday, June 14th, in order to receive their diplomas and that any not present at that time shall not receive their diplomas until the next regular date for the issuance of diplomas.

Upon motion of Dr. Glorien the matter was laid on the table. SCHOLARSHIP HONORS. Professor DeCou moved that a committee of three be appointed to consider the matter of general scholarship honors. Carried. The following committee was appointed by the President: Professor DeCou, Professor Boynton, and Professor Howe.

PH.D. DEGREE. Professor Young gave notice of a motion to be made at the next meeting regarding the acceptance of candidates for the Ph.D. degree.

Adjournment.

Thursday, May 6, 1920.

REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Straub. A quorum being present the following business was transacted. The minutes of the previous meeting were read and approved.

ANNOUNCEMENTS. Announcements were made regarding the ordering of books from the University book store and the visit of Salem Business men which was to be made the following Wednesday.

IRA ALICE SMITH. The petition of Iris Alice Smith to have four hours of M on record for work done in course 1-a in the Geology Department during the first term of 1917 disregarded in computing her grades for Senior Honors in scholarship was denied.

WESLEY SHATTUCK. The petition of Wesley Shattuck to transfer from Business Correspondence to Elementary Banking was referred to the committee on Revision of Student Courses with power to act.

LEE WILLSON. Professor Crockett was granted permission to change the grade of Lee Wilson from F to IV in Economic History for the Winter term.

V. F. OLIVER. Permission was granted Professor Bolitho to change the grade of V. F. Oliver from F to S in Office Management for the Winter term.
ELIZABETH PATTERSON. Professor Sweetser was granted permission to change the grade of Elizabeth Peterson from III to II in Botany 12 for the Winter term.

STACY HENDRIX. Captain Baird was given permission to change grades HARRY C. NAYER
NED STRAUBORN in Military Instruction for the Winter term as follows:

Stacy Hendrix from F to P; Harry C. Mayer, F to P; Ned Strauborn, F to M.

Upon recommendation of the committee on Graduation Deficiencies, action was taken upon the following petitions as indicated.

FUND HARRY LOUIE to be excused from making up two hours of gymnasium for the fall term of 1926, granted.

CLARENCE D. KOPFATT to have three of his 26 hours of Military credit count as gymnasium credits, granted.

FRANK MILLER to be allowed 2 term hours credit for a thesis in Philosophy, granted.

GEORGE VENNE BLUE for exemptions from the gymnasium requirement, granted.

ARVO A. SINCLAIR to have 4 hours of Military Service take the place of 4 hours of Spanish, denied.

CURTIS A. PENASON to have 26½ hours of Psychology and 22 hours of Social Science fulfill the requirements for the B. S. degree, denied.

MERLE A. MARSHALL to be allowed to graduate with the A. B. degree with one year and two terms of Foreign Language, denied.

SPRAGUE R. CARTER. The petition of Sprague R. Carter to have cuts excused and to receive credits for the hours deducted because of cuts referred to Dean Straub with power to act.

GENERAL HONORS. The committee on General Honors appointed at the previous meeting reported as follows:

Honors in General Scholarship

The Committee finds that three members of the 1920 graduating class meet the present requirements for Honors in General Scholarship; namely: Dorothy Dunway, Grace Knopp and Lucien Morrow. They find also that a number of other members of the class have done work of such a high character as to deserve special recognition. They recommend that the Faculty recognize such students by granting them Honorable Mention on the Commencement program. The Committee will furnish a suitable list at the June meeting if the Faculty requests it.

The Committee recommends that detailed regulations for Honors in General Scholarship be presented to the Faculty for action during the Winter Term of 1921.

E. B. DeCou, Chairman
H. C. Howe
W. P. Boynton
The report of the committee was adopted.

Dean Young on behalf of the Graduate Council submitted the following report:

Proposed regulations regarding the Granting
of the Degree of Doctor of Philosophy

NOTE I. This proposed legislation refers only to the
work subsequent to the Master's degree, and in no way affects
the status of departments or instructors with regard to the
first year of graduate work.

NOTE II. Whenever the Master's degree is mentioned, reference
is had to the Master's degree granted by the University of Oregon,
or to training recognized by the Graduate Council as equivalent
in amount and character.

DEPARTMENTS

Departments may be permitted to present candidates for
the degree of Doctor of Philosophy on recommendation of
the Graduate Council when they have met the following condi-
tions.
1. The department shall present a schedule of its courses,
showing the undergraduate work which is prerequisite for its
graduate courses, and a proper sequence of graduate courses
covering all essential aspects of the subject. This state-
ment should include a comparison with the work given in other
institutions of recognized graduate standing, and should show
that the instructors of the department have the necessary
time to offer these courses.
2. The department shall present a statement showing that it
has available the necessary equipment of technical literature
and apparatus for the advanced courses which it purposes to
offer, and also for research.
3. The department shall submit a list of books and articles
published in periodicals of recognized technical standing,
written by the instructors offering the graduate courses.
No department shall be permitted to recommend candidates
for the Doctor's degree unless a list including several titles
be submitted.
4. The council shall pass on each of the foregoing points
separately when considering the request of a department to
be permitted to give the Doctor's degree.
5. The granting of the request of a department to present can-
didates for the degree of Ph.D. in one case establishes the
status of the department with regard to graduate work of the
Ph.D. type.

RESIDENCE

At least two full years devoted to graduate study beyond
the Master's degree in an institution of recognized graduate
standing shall be required for the Doctor's degree. At least
one full academic year, usually the last year, must have been
spent in resident graduate work at the University of Oregon.
These periods of residence and study must be regarded as the
minimum requirements. The requirements of time for the degree
of Doctor of Philosophy are wholly secondary. This degree does
not rest on any computation of time, nor any enumeration of
courses; although no student can become a candidate for it until
he has fulfilled the requirements of residence and study for the
prescribed periods.

REQUIREMENTS FOR Ph.D.

MAJOR AND MINOR SUBJECTS

The candidate shall register for one Major and one or
two Minor subjects. Approximately 60% of his time shall be
devoted to the Major subjects, including the Thesis, and 40%
to the Minor subjects. Work in the Major subject shall be
taken exclusively from courses designated as primarily for
graduates.
EXAMINATIONS

Not less than six months before his final examination for his degree the candidate must pass an examination showing his reading knowledge of French and German. The purpose of this examination is to demonstrate the ability of the candidate to read the important literature of his subject in the language in which it was originally written, and the test shall be mainly on the literature of his major subject. At the request of a department another modern language may be substituted for one of those specified, when it appears that it will be of more value to the candidate. This examination shall be conducted by a committee of at least three, including representatives both of the modern language departments, and of the major department.

The final examination shall be before a committee of not less than five, appointed by the Graduate Council on nomination of the head of the major department. At least one member of this committee shall be some person of high standing, usually from some other institution of recognized standing, in this major department, if the attendance of such can be secured. The examination shall be of three hours duration, and shall be duly advertised, and open to all interested persons. It shall include both an examination upon the research work of the candidate, based upon his thesis, and upon his attainments in his major and minor subjects.

THESIS

The thesis shall be printed in such form as the Graduate Council shall approve, and not less than fifty copies deposited in the University Library.

VARIETY OF TRAINING

It is not the policy of the University to grant the Doctor's degree to any student whose academic training, both undergraduate and graduate, has been exclusively in the University of Oregon.

Upon motion of Dr. R. O. Clark, consideration of this report was postponed for one month.

Adjourned.

CARLTON E. SPENCER, Secy
June 3, 1920.

REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Campbell. A quorum being present, the following business was transacted. The minutes of the previous meeting were read and approved.

EARLY EXAMINATIONS. Dr. Conklin was granted permission to give his final examination in Principles of Psycho-analysis at a time other than that regularly scheduled, namely; on Monday or Tuesday, June 14 or 15.

Professor Allen was given permission to give his examinations in Journalism during the last class hour of each subject.
respectively. Permission was given to all instructors to give examinations early to men who wish to attend the M.O.T.C. at the Presidio this summer.

ELEANOR E. SPALL. Petitions of Eleanor E. Spall, John G. Gavlin, John G. GAVIN, FORREST C. WATSON. Forrest C. Watson to take examinations early were denied but permission was given to said students to leave early and receive incompletes in the courses in which examinations were missed.

FLORA G. CAMPBELL. The petition of Flora G. Campbell to be allowed to take an examination in Chemistry at an earlier date than the regularly scheduled time was granted.

J. H. SCHNEER. The petition of J. H. Schmeer to be allowed credit for military instruction for the spring term in which course he had been given an F by the Professor of Military Science and Tactics was denied.

KEITH KIGGINS. The petition of Keith Kiggins to be allowed to take examinations for credit in two courses in Commerce, the regular class work of which he had not taken in the University was granted.

MIRIAM LUTEN. The petition of Miriam Luten to be allowed to enter course, Number 6, Design, Art Teachers' Course, was granted.

JACK WESNHALL. The petition of Jack Newhall to be permitted to transfer from Business Correspondence to a course in Lettering was denied.

ULDANALDA BOSLER. The petition of Uldawalla Bosler to be allowed to withdraw from the course in American History and to enroll in a course in Dramatic Interpretation was granted.

DORIS SENGSTACEL. The petition of Doris Sengstacken to be allowed to withdraw from Vocal Music was granted.

ABE ROSENBERG. Permission was granted Dr. W. D. Smith to change the grade of Abe Rosenberg in General Geology from F to IV.

ARTHUR C. VANTEVERT. Dr. Cole was granted permission to change the grade in Organic Chemistry for Arthur C. Vandevert for the first term of the present year from F to P.

BACHELOR DON CLUB INCOMPLETES. Permission was granted all instructors to report incompletes for all members of the Bachelordon Club upon personal application from said members on account of the burning of the Bachelordon house.

INTRA-MURAL SPORTS. The committee on Intramural sports submitted the following report.
The Committee seeks to co-ordinate all the efforts on the campus looking toward the highest physical development of both students and faculty as a basis for the best results from intellectual effort.

It desires to increase the facilities for intra-mural sports to a point where it will be possible and convenient for students and faculty to reach the ideal of an hour of exercise daily, preferably in the open air.

It makes the following recommendations:
1. That the dirt tennis courts north of the walk to Deady Hall be cleared off immediately and gotten ready for use in the summer session and for fall use.

2. That the two tennis courts next to Kincaid street, promised to the Campus High School, be put in shape immediately for summer use, and turned over to the high school next fall for its exclusive use.

3. That the grading of the athletic field and the new tennis courts south of the Women's Building be done this summer, so that the ground may settle during the winter and be ready for permanent improvement next spring.

4. That the east end of the Men's Open Air Gymnasium be protected by canvas or otherwise from the effect of rain and sun.

5. That an addition be built along the north side of the men's Open Air Gymnasium to provide for much-needed showers and lockers and a hand ball court.

6. That the surroundings of the concrete tennis courts be made as attractive as possible by seeding to grass and sodding the embankments, also that as far as possible this be done immediately to have them in good shape for the summer session.

7. That six new tennis courts be graded this summer on the new athletic field, for use as dirt courts until next season, and then put in permanent shape.

8. That a new practice football field be graded this summer on the new athletic field ready for use next fall; also that part of this field be used for outdoor basketball.

9. That outdoor handball courts be constructed as needed.

Respectfully submitted by the Intra-Mural Sports Committee.

E. E. De Cou, Chairman
W. L. Hayward
Mabel L. Cummings
R. C. Baird
T. A. Larremore
E. H. Sawyer

Report was received and approved.

The committee on Graduation Deficiencies recommended that action be taken on petitions as follows:

HUBERT G. SCHENCK to be allowed 3 term hours in Physical Training for work of that nature done in the Army, granted.

ALBERT J. BOWLES to be granted 4½ hours credit in Physical Training for work of like nature done in the Military Service, granted.

LAY A. CARLISLE to have the deficiency of 1½ term hours credit in Physical Training waived, granted.
CURTISS A. PETERSON to have the deficiency of 3½ hours in the Science requirement for the B. S. degree waived on account of work of like nature done in the Military Service, granted.

L. L. BAKER to have the foreign language requirement for the B. A. degree of two years in the same language waived and to be allowed to substitute one year each of two different languages, granted.

CHARLES VAN ZILIE, JR. to be granted one hour credit in Physical Training for work of a like nature done in the Military Service, granted.

ETHEL EWER to have the deficiency of 1½ hours credit in Gymnasium waived, granted.

ELMER PENDELL to have the deficiency of 4 term hours in Group IV waived, denied.

FRED W. PACKWOOD to be allowed to substitute more than 1 year credit in Law toward the Bachelor of Science degree, granted.

MERL A. MARGASON to have the deficiency of 1 term in Foreign Language for the A. B. degree waived, granted.

The above recommendations of the committee were adopted.

It was moved and carried that the committee on Graduation Deficiencies be given power to act without submitting recommendations to the Faculty in cases referred to it where the decision of the Committee is unanimous.

Upon motion of Dr. Straub it was voted that Captain Baird should act as a member of the Graduation Deficiencies Committee.

MASTER OF ARTS IN PUBLIC SERVICE. Upon motion of the Graduate Council it was voted to recommend the following persons to the Board of Regents for the degree of Master of Arts in Public Service: J. A. Churchill, Ellen McCormack, Harold N. Lowrie, and Joseph N. Teal.

DOCTOR OF PHILOSOPHY. Upon motion of Dr. Sheldon it was moved to adopt the recommendation of the graduate council in regard to the degree of Doctor of Philosophy, which recommendation was submitted at the meeting of May 6, 1920.

Adjournment.
June 19, 1930.

SPECIAL MEETING OF THE FACULTY

The meeting was called to order by President Campbell.

A quorum being present, the following business was transacted.

It was ordered that the following named students be recommended to the Board of Regents for the degrees indicated.

Bachelor of Arts

Chester Elgin Adams
Marion Lucile Andrews
Erwin Henry Barendrick
William Kenneth Bartlett
Marion E. Bowen
Albert J. Bowles
Peter N. Brandon
Helen Melissa Case
Robert Ormond Case
Fred Coley
Gretchen Harwood Colton

Ellen Condon McCormack
Joseph Nathan Teal

FREDERIC G. YOUNG. Upon motion of Dr. John Straub, it was voted to recommend Frederic G. Young to the Board of Regents for the degree of Doctor of Laws.

STANLEY M. KNAPP. It was moved and carried that Stanley M. Knapp be granted the degree of Bachelor of Science in the College of Literature, Science and the Arts upon the completion of certain assigned work in Geology, the completion of said work to be certified to the Registrar by Dr. Packard.

ABE E. ROSENBERG. Action upon the petition of Abe E. Rosenberg to have struck from his record three hours of "p" in Trigonometry incurred during the fall term of 1918 in the S. A. T. O. was postponed to be taken up after the return to the University of Dr. Caswell.

WESLEY SHATTUCK. The request of Professor Lomax to change the grade of Wesley Shattuck in Elementary Banking from F to Inc. was granted.
HONORABLE MENTION FOR GENERAL SCHOLARSHIP. The special committee on "Honorable Mention for General Scholarship" reported as follows:

"The special committee requested by the faculty to recommend members of the graduating class for honorable mention at commencement, recommend that the following persons be granted 'Honorable Mention for General Scholarship' and that their names be printed on the commencement program and the University catalogue:

Andrew Fish  Roberta Schuebel
Grace Hemmstron  Irva Smith
Mary Mathes  Lora Evelyn Smith
Marcus D. O'Day  Paul H. Weidenheimer
Earle Richardson  Ruth Wheeler

M. Lucile Copenhaver
Respectfully submitted
E. E. Descou, Chairman
H. C. Howe
W. F. Boynton

The report was adopted with the modification that the name of M. Lucile Copenhaver should appear in the catalog but not on the Commencement programs inasmuch as Miss Copenhaver will not complete the work necessary for a degree until the end of the coming summer session.

SOLDIERS MEMORIAL.
Upon motion of Professor Thacher the following resolution was adopted unanimously.

"Whereas, In the great European War, over two thousand of the students, former students, alumni and members of the faculty of the University of Oregon were engaged in the military and naval forces of the United States, and out of this number forty-three gave their lives in the service of their country;

And Whereas, there has been undertaken a movement for the erection on the campus of the University of Oregon a suitable memorial to those who died;

Be it resolved that we, the faculty of the University, most heartily approve this undertaking as a worthy tribute to our heroic dead, and pledge to it our utmost support."

Adjournment.

Madame Rose McGrew

School of Sociology
Dr. P. A. Parsons

Administration
W. E. Newell

ANNOUNCEMENTS. Announcements were made regarding registration procedure, the meeting of the Faculty Colloquium on October 5th and general assembly at eleven o'clock on Thursday September 30th. It was announced that the next regular meeting of the faculty would be held on Thursday September 30th, a week earlier than the scheduled date.

FACULTY CLUB. Upon motion of Dr. John Bovard the following committee was appointed to consider the matter of a faculty club: Professor Thatcher, chairman, Dr. Caswell, Professor Warner, Dr. Gilbert and Dr. Barnett.

COMMERCE COURSE. Dean Robbins of the School of Commerce submitted the following outlined course which was adopted.

September 27, 1920.

LOWER DIVISION REQUIREMENTS for the SCHOOL OF COMMERCE

Students enrolling as Majors in the School of Commerce shall meet their lower Division Requirements in the following manner:

1. English or Language Requirement. A student may elect either Foreign Language or Advanced English. If Foreign Language is elected, it must be taken continuously during the Freshman and Sophomore years; if Advanced English is required, it must be taken in addition to Prescribed English and the student shall also take Elementary General Psychology including laboratory throughout the Sophomore year.

11. Social Science Requirement. The Social Science Requirement shall be met in the Freshman year and shall include the three following courses: Economic History, Modern Industry,
and History of Pacific Countries.

III. Mathematics or Science Requirement. A student may elect either Mathematics or a Science. If Mathematics is elected, it shall include the following subjects to be taken in the Freshman year: Advanced Algebra (or an optional course if student has had Advanced Algebra), Mathematical Theory of Investments, and Statistical Methods. If a Science is elected it shall include laboratory work and be continued throughout the Freshman year in one of the following subjects, except that students electing Foreign Language in Group I, will not be allowed to have Psychology count as a Science group requirement: Botany, Chemistry, Geology, Physics, Psychology and Sociology. [CONT PAGE 351]

MILITARY COURSE: Major Baird submitted the following proposed curriculum for major students in the Department of Military Science which upon motion of Dean Dymt was adopted.

PROPOSED CURRICULUM FOR MAJOR STUDENTS IN THE DEPARTMENT OF MILITARY SCIENCE

Presented for faculty approval September 24, 1920.

**RELIGIOUS COURSES, CREDIT FOR** The following report was submitted by the committee
on Religious and Moral Activities:

The offer of various religious organizations to furnish to the University
 certain courses was referred for consideration to the Committee on Religious
 and Moral Activities. The Committee unanimously recommends that university
 credit for such courses be granted on the following conditions:

**INSTRUCTION**

The instructors shall have the endorsement of some permanent religious
 organization of recognized standing. They shall have at least the
 training demanded of instructors in the University and shall be approved
 by the Appropriate Standing Committee of the Faculty.
COURSES

The courses shall be of University grade and conducted according to University Standards as to length of period, amount of preparation required, examinations, etc. They shall be subject to the approval of the appropriate committee of the Faculty. Instructors in charge of the courses shall submit to this committee outlines and syllabi, including lists of required readings, for all courses to be offered.

STUDENT

Attendance shall be limited to the regularly enrolled students of the University except as visitors cards are issued by the Registrar's Office to others.

Not more than twelve term hours of these courses shall be counted towards a degree.

After further discussion of the matter further consideration was postponed by virtue of the rule requiring thirty days notice before the final vote is taken on a question involving University policy.

REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Campbell. A quorum being present, the following business was transacted. The minutes of the previous meeting were read and approved.

PRESIDENT'S RECEIPTION. The President announced the reception to be given at the Osburn Hotel, 8:00 o'clock Friday, October 6th.

OFFICE HOURS. Request was made that all instructors and members of the faculty post office hours in a conspicuous place on class room doors or else where.

CREDIT FOR EXTRA CURRICULUM ACTIVITIES. A petition from the University Orchestra was received asking that one hour's credit per term be given for work done throughout the school year 1919-1920. It was moved and carried to refer the matter to a committee of five; said committee to decide not only the case at hand but to take up the entire matter of credit for outside activities, taking into consideration the procedure of other schools. The following committee was appointed by the President: Deans Dyment, Landsbury, Allen, Bovard and Professor Reddie.

NORMAN BRYNE. The petition of Norman Bryne to be permitted to graduate at the end of the current year with only twenty term hours of credit in his major department, mathematics, was granted in order that Mr. Bryne might devote his time to work more directly in line with his preparation for candidacy for the Rhodes Scholarship.

TERM vs. SEMESTER. Notice was given by Dr. Boynton of a motion to be submitted at the next meeting of the faculty to take from the table the question of the term system vs. the semester system.
NOTICE OF NEW BUSINESS BY BULLETIN. Moved by Dr. Boynton that members of the faculty be permitted to make the requisite notice of new business by faculty bulletin not less than three weeks before the meeting at which the question is to be voted upon. The giving of notice in this manner or orally in faculty meeting to be optional with the maker of the proposed motion. The motion was carried.

FRESHMAN FOOTBALL. Announcement was made by Professor Howe as chairman of the Athletic Council, that the University of Washington had suggested a football game between the Freshmen of the University of Washington and the Freshmen of the University of Oregon. Professor Howe asked for objections and suggestions none of which were made at this time.

FACULTY MEETINGS, TIME OF. Upon motion of Dr. Boynton the following committee was appointed to consider the advisability of a change in the hour and day of faculty meeting: Dr. Boynton, Dean Straub, Mr. Kilpatrick.

NEW FACULTY MEMBERS. The following new faculty members were introduced.

School of Sociology
  Dr. Parsons

School of physical Education
  George Bohler

Dept. of Public Speaking
  William Michaels

Dept. of Mathematics
  Lucille Copenhaver

ADJOURNMENT.

REGULAR MEETING OF THE FACULTY

November 4, 1920.

The meeting was called to order by Dean Straub. A quorum being present the following business was transacted. The minutes of the previous meeting were read and approved.

FACULTY MEETINGS. Upon motion of Dr. Boynton, it was voted to hold the regular meetings of the Faculty hereafter from 4:15 to 5:45 on the first Thursday of each month for the school year.

TERM VS SEMESTER SYSTEM. Moved by Dr. Boynton that the three term plan be made permanent. Moved by Dr. Cloran the substitute motion that the semester plan be made permanently. This motion was lost.

Moved by Dean Young that the question of term vs semester be referred back to the committee with instructions to canvass the situation in regard to high schools, the normal school and the Oregon Agricultural College and to determine the opinion of school authorities over the State and of the members of the student body of the University. Dean Young’s motion was lost. The original motion to retain the quarter plan was then put and carried.

REPORT OF THE COMMITTEE ON CREDIT FOR STUDENT ACTIVITIES Dean Dym- ment, Chairman of the Committee on Credit for Student Activities requested that the report of said committee be postponed until the next meeting.

EXTENSION WORK APPROVED It was moved by Mr. Kilpatrick that the Extension work now regularly offered in the Portland Extension Center be approved for the coming year for University credit. Carried.

FACULTY GYMNASIUM WORK Announcements were made by Professor DeCou and by Miss Cummings that plans were being made for Faculty Gymnasium work.

FACULTY CLUB Professor Thacher, Chairman of the committee on the Faculty Club moved that the matter of the Faculty Club be referred to the Colloquium.
WINIFRED DOUTHIT. The petition of Miss Winifred Douthit to be allowed to change courses was referred to the Committee on the Revision of Student Courses.

JACK O'BRYAN. The petition of Jack O'Bryan to be allowed to change courses was denied.

HARRISON HUGGINS. Dean Bovard was granted permission to change the grade of Harrison Huggins in the Spring Term Zoology (1920) from V to III.

UNIVERSITY REGULATION 213. By motion of Dean Bovard, University Regulation 213 regarding the supervision by the student living committee was made the official ruling of the Faculty.

Adjournment.

CARLTON E. SPENCER, Sec'y
November 19, 1920

SPECIAL MEETING OF THE FACULTY

UNAUTHORIZED RALLYES: The meeting was called to order by President Campbell who announced that the purpose of the meeting was to consider methods of dealing with the custom of unauthorized rallies by students following foot-ball games. It was moved that hereafter every student absenting himself from class or laboratory on account of an unauthorized celebration following a foot-ball game shall receive a grade of failure for the term in each course in which such absence occurs. Carried.

It was moved, upon the recommendation of the Student council, that authority be granted to students having no classes at those hours to hold a dance from 4:00 to 6:00 on the Monday following the Oregon-O. A. O. foot-ball game November 20, in case of victory.

ADJOURNMENT

[Signature]
December 2, 1920.

REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Campbell. A quorum being present the following business was transacted:

EXAMINATION SCHEDULE: Dr. Boynton reported explaining the examination schedule. The Department of English was authorized to set a date for the Freshman English Examination which, according to the regular schedule, will fall on New Year's Day this year. Dean Landsbury was given permission to hold his examination at dates earlier than those scheduled.

DEGREES GRANTED: The Registrar submitted the names of students who had fulfilled the requirements for degrees and upon motion of Dean Straub it was moved and carried that they be recommended to the Board of Regents for degrees as follows:

For the Bachelor of Arts Degree

- Harold R. Benjamin
- Victoria Case
- H. Lucile Copenhaver
- Leo Cossmann
- George H. Mason
- Eamie Hadenbaugh
- Wm. J. Thornton

For the Degree of Bachelor of Science

- Gavin Crane Dyott
- Esther Kaye

For the Degree of Bachelor of Science in Education

- William Hoppe
- G. W. Milam
- Adeline R. Wicklund

ADVISORY COUNCIL ELECTION: The Advisory Council reported that Deans Sheldon and Professor Gilbert had been retained by lot to hold office for the coming year. The faculty then proceeded to the election of advisory council members with the result that the following were elected: Deans Hale and Robbins, Professors Barnett and Howe.

CREDIT FOR STUDENT ACTIVITIES: Dean Dyment submitted the following report on behalf of the committee appointed to consider the question of university credit for student activities:

That no credit shall be granted for any student activity unless it shall be carried on in connection with, or as part of the whole of a regularly organized course of instruction announced in the schedule. Such a course shall be governed by the same rules as any other regularly organized course of the University as to registration, withdrawal, credits, grades and in all other respects.

That the petition of the University Orchestra of June 16, 1920 asking for three term-hours' credit instead of one be denied. (Submitted first to faculty September 30, 1920, see Page 353)

This report was adopted as the will of the faculty.
CREDIT FOR R. O. T. C.: In the absence of Dean Allen, chairman, Major Beiré reported on behalf of the committee on military training, recommending that six term-hours' credit be granted to university students for satisfactory attendance at summer Reserve Officers' Training Camps. Upon motion of Dean Hale, this report was referred back to the Committee on Military Training for investigation of possible duplication of work and to formulate and submit a general policy.

REPORT OF COMMITTEE ON RELIGIOUS AND MORAL ACTIVITIES: The report of the Committee on Religious and Moral Activities regarding university credit for courses offered by various religious organizations (see minutes of September 24, 1930, Page 351) was taken up for consideration. Dr. Sheldon moved that a committee of five be appointed to determine the advisability of granting credit for courses given by instructors not under the direct control of the University Administration, and that the report of the Committee on Religious Activities be referred to this committee. The following committee was appointed by the President:

Dean Dyment
Mr. Douglas
Professor Barnett
Professor Barnes
Professor Wheeler

Adjournment

[Signature]
SECRETARY
REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Campbell. A quorum being present, the following business was transacted.

DEGREES. The Registrar reported that the following students had fulfilled the requirements for degrees and upon motion of Dr. Straub it was voted to recommend them to the Board of Regents for the degrees indicated:

For the degree of Bachelor of Arts:

- Ada Lucretia Cress  R. v. v. 1-10 3
- Helen Louise du Buyl  R. v. v. 1-10 3
- Richard Houghton Martin  R. v. v. 1-10 3
- Thora L. Smith  R. v. v. 1-10 3

For the degree of Bachelor of Science in Education:

- Peter Emil Christensen  R. v. v. 1-10 4
- George Edwin Pinnerty  R. v. v. 1-10 4

For the degree of Bachelor of Business Administration:

- Sprague H. Carter  R. v. v. 1-10 4
- Arvo A. Simola  R. v. v. 1-10 4
- William Henry Steers  R. v. v. 1-10 4

The Registrar reported that the following students had been approved by the Graduate Council for the degree of Master of Arts:

- Raymond N. Allen  R. v. v. 1-10 4
- John C. Almack
- James L. Almack
- Dorothy Gilson
- Abram A. Groening
- Chalmer N. Patterson

Upon motion of Dr. Straub it was voted to recommend the above named students to the Board of Regents for the degree of Master of Arts.

REPEATED LANGUAGE COURSES, CREDIT FOR. A petition signed by 25 students was received asking that credit be given for the first term of Beginning French even though the petitioners had received entrance credit for the same subject in high school. It was moved and carried that this petition be referred to the Committee on Graduation Deficiencies with power to act.

ECONOMIC HISTORY AND HISTORY COMBINED FOR FULFILLMENT OF GROUP II. It was voted to allow students who had taken Economic History during the past term (Fall term 1920-21) with the expectation of fulfilling
Group II thereby, to fulfill said group by work in History, counting
the Economic History and the work in the Department of History as
being a continuous year course as required by the group requirements.
This special ruling is to apply only to those who took Economic History
last term with the misunderstanding as to its availability of its ful-
filling Group II.

SHERWOOD EDDY LECTURE. Upon motion of Professor Crockatt it was voted
to set aside the hour from 4:00 to 5:00 on Friday, January 14 to
enable students to attend the lecture by Sherwood Eddy.

CREDIT FOR SUMMER R.O.T.C. The Committee on Military Training
presented the following motion which was adopted.

MOVED:
That six academic credits be allowed to members of the Reserve
Officers' Training Corps who have satisfactorily completed one
Basic Camp Course, and six credits be allowed to those who have
satisfactorily completed one Advanced Camp Course.

PROVIDED, That the credit to be allowed Ex-service men for
attendance at R.O.T.C. summer camps must first be recommended
by the committee on Military Credits.

MARGARET MURPHY. Professor Barnes was given permission to change the
grade of Margaret Murphy from F to V in Modern European History.

SCHOOL FACULTIES IN RELATION TO GENERAL FACULTY. Upon motion of
Dr. Boynton it was voted to appoint a committee to consider the
relation of the faculties of the College of Liberal Arts and the
various schools to the general faculty. The following committee
was appointed. Boynton, Chr., Dyment, Sheldon, Barnett and Allen.

BASKETBALL SCHEDULE. Professor Howe submitted the following basketball schedule and asked that the rules regarding athletic contests
during the week be suspended and that the schedule be approved. It
was moved and carried that Professor Howe's request be granted.

Professor Howe has been asked for schedule.

DEGREE FOR SCIENCE TEACHERS. Dean Sheldon gave notice of a motion to
be made at the next meeting to authorize the granting of the degree
in Education to students preparing for the teaching of high school
sciences without having fulfilled the major requirement in any department.

Adjournment.

Carleton E. Spencer, Sec'y
February 3, 1921

REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Dyment. A quorum being present the following business was transacted. The minutes of the previous meeting were read and approved.

FELIX BELUSO. The registrar reported that Felix Beluso had fulfilled all the requirements for the degree of Bachelor of Arts. Upon motion of Dean Streub it was voted to recommend this student to the Board of Regents for said degree.

DORA R. HERMAN. The petition of Miss Dora R. Herman to be granted credit for the course in Educational Psychology for which she was not registered during the fall term, but in which she completed the work satisfactorily, was granted.

PALOMA RANDLEMAN. The petition of Miss Paloma Randleman to be allowed credit for the course in Sanitary Hygiene for which she was not registered during the fall term but in which she completed the required work, was granted.

WANDA BROWN. The petition of Miss Wanda Brown to be allowed to perform the graduation ceremonies with the class of 1921 without having fulfilled the requirements for graduation, was denied.

LOLA MCCULLOCH. The petition of Lola McCulloch to be allowed to carry Correspondence-Study work while enrolled in the University as a regular student was denied.

LISTING OF GRADUATES. Professor DeCou gave notice of a motion to be made at the next meeting to the effect that students fulfilling the requirements for graduation before October 1 of any year should be listed as graduates of that year.

PERMISSION TO CHANGE GRADES. Major Baird asked permission to change grades of 19 students as follows:

<table>
<thead>
<tr>
<th>Student Name</th>

Richard W. Reed " F to Inc
Louis Metzelaar " F to Inc
Edward W. Thompson " F to Inc
Herbert J. Darby " F to Inc
Hugh G. Starkweather " F to Inc
Ralph T. Johnson from F to Inc

Upon motion of Professor Howe it was voted that the Military Department be permitted to correct errors in grades for last term.

Dean Bovard asked permission to make corrections in 11 grades as follows:

Charles Bennett from Inc to IV
Jackson H. Capell grade II
Desmond W. Cundiff from F to IV
Floyd W. Dodds " F to I
Halmor D. Edlunds " F to II
Delbert Hill " Inc to II
Benjamin McReed " F to IV
Warren E. Oliver " F to II
Cyril F. Vallentyne " F to III
Don Zimmerman " no grade to II
Charles M. Myers " Inc to II

The request was granted.

HUGH LATHAM. Mr. Folts submitted a petition from Professor McDougle to change the grade of Hugh Latham in Principles of Accounting from F to V for the fall term. It was voted to lay this request on the table.

CATHERINE BAIN. Miss Thomson was granted permission to change a grade as follows: Catherine Bain, Personal Hygiene from V to IV.

140 HOURS FOR GRADUATION TO BE ABOVE GRADE V. Dr. Caswell reporting for the committee of the faculty colloquium gave notice of a motion to be made at the next meeting requiring 140 of the 186 hours for graduation to be above the grade of V.

AMENDMENTS TO HONOR SYSTEM. Professor Howe gave notice of a motion to be made at the next meeting involving two amendments to the Honor System.

DATES OF FALL TERM. Dr. Boynton reported on behalf of the Schedule Committee in regard to dates for the opening and closing of the next fall term. The recommendation of the committee was not accepted and it was voted that the next fall term open on October 3 and close on December 22 and that the Thanksgiving vacation be abolished with the exception of Thanksgiving Day itself.
RELATION OF FACULTIES OF SCHOOLS TO GENERAL FACULTY. Dr. Boynton reported on behalf of the catalog committee as follows:

"The committee on relation of faculties of the Schools to the General Faculty makes a preliminary report; that in preparing the lists of the faculties of the Schools there be included the names of those giving instruction regularly to the students of the School. This will include not simply the members of the department about which the School centres, but those giving courses either prescribed in the School, or regularly elective and distinctly coherent with the professional work. The fact that a course may be accidentally or incidentally elected by a student of the School is not to make the instructor giving the course a member of the faculty of the School."

It was voted that the committee be authorized to act in accordance with said report.

BACHELOR OF SCIENCE IN EDUCATION FOR HIGH SCHOOL SCIENCE TEACHERS.
Upon motion of Dr. Sheldon it was voted that students preparing to become high school science teachers be allowed to obtain the degree of Bachelor of Science in Education, without having done 36 hours of work in any one department, provided they fulfill one of two prescribed courses, the curricula of which courses will be submitted later.

7-YEAR PREMEDICAL COURSE. Dean Dyment presented an outline of a seven-year course in Medicine for the University of Oregon. This course was approved with the reservation that it shall not be understood as authorizing the giving of the Bachelor's degree to students who do not do the full year of residence work on the campus at Eugene.

ONE REGISTRATION A YEAR. Upon motion of Dr. Boynton, the President was asked to appoint a committee including the Registrar and Comptroller to consider the question of one registration a year: Dr. Boynton, Mr. Johnson, Mr. Spencer, Dean Hale, Dean Dyment.

THREE-YEAR PRE-TECHNICAL COURSE. Dr. Caswell presented an outlined three-year Pre-Technical course which was approved by the Faculty.

Adjournment.

[Signature]
CARLTON L. SPENCER, Sec'y
PRE-TECHNICAL CURRICULA

HIGH SCHOOL COURSE

A minimum of 15 units is required for admission to the university. Students intending to follow one of the pre-technical courses will be required to present 10 of these units as follows:

- English ... 3 units
- Algebra ... 1½ units
- Plane geometry ... 1 unit
- Solid geometry ... ½ unit
- History ... 1 unit
- Foreign language (French or German preferred) ... 2 units
- Physics or chemistry (Physics preferred) ... 1 unit

Students are also advised to present, if possible, the following electives:

- Advanced algebra ... ½ unit
- Plane trigonometry ... ½ unit
- A second science ... 1 unit
- Mechanical ... ½ or 1 unit
- Shop-work ... ½ or 1 unit

FRESHMAN YEAR

The following subjects are required in the Freshman year. A credit hour represents either one three-hour laboratory period per week throughout the term or one one-hour recitation or lecture period and approximately two hours preparation per week throughout the term.

<table>
<thead>
<tr>
<th>SUBJECT</th>
<th>Number of credit hrs. per term</th>
</tr>
</thead>
<tbody>

<td>2</td>
</tr>
</tbody>
</table>

(a) Students intending to pursue courses in Civil or Mining Engineering and who present two units of either French or German for entrance may be permitted to substitute Elementary Spanish for French or German during the sophomore year. Those intending to study Chemical Engineering should take German during both the freshman and sophomore years.

(Male students are required to devote three hours each per week to military science and to physical training throughout the freshman and sophomore years.)
The following subjects are required in the Sophomore year.

a See note (a) of freshman year
b Students intending to study Civil Engineering may substitute an elective for chemistry. All others take chemistry.

Junior Year

All students in pre-engineering courses will be expected to take the required subjects as listed below, with the exceptions mentioned in the footnotes.

Electives become prescribed according to the branch of engineering contemplated, as indicated by the letter or letters immediately following the subject as listed, thus:
- Required for Civil Engineering
- Required for Mechanical or Electrical Engineering
- Required for Chemical Engineering
- Required for Mining

Deviations from these curricula will only be permitted in minor details or to accord with specific agreements with schools for which students are definitely preparing themselves, except as noted in the following paragraph.

Students planning to enter any of the Schools of Engineering, Mining or Chemistry of Columbia University will omit Strength of Materials from the required subjects of the Junior year and elect only Analytical Mechanics and Chemistry from the courses listed as elective in the Junior year. They shall take instead of the above omitted courses suitably selected courses in history and English.

If desired in any special case, arrangements can be made to permit students to take work in the School of Commerce in such courses as principles of accounting and business law.

GEODETICAL SURVEY.

The department of geology regularly conducts a geodetic survey, extending over a period of several weeks during mid-summer. The work consists partly of geodetic surveying and in part of plane surveying. Credit: $\frac{1}{2}$ term hours per week.

SENIOR YEAR.

Students who have completed the full three years' work outlined as preparatory to civil, chemical, mechanical and electrical or mining engineering, and have received an average grade of at least III, our passing grades being from I to V, will be recommended for admission to an approved technical school, and upon the satisfactory completion therein of not less than 45 term-hours of work will be granted the degree of B.A. from this university.
REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Campbell. The minutes of the previous meeting were read and approved. A quorum being present the following business was transacted.

RUTH Z. NASH. The Registrar reported that Ruth Z. Nash has fulfilled the requirements for the Bachelor of Arts degree and upon motion of Dean Straub it was voted to recommend this student to the Board of Regents for said degree.

HUGH LATHAM. Professor McDougle was granted permission to change the grade of Hugh Latham in Principles of Accounting from F to V for the fall term.

WANDA BROWN. Dean Streub reported on behalf of the Faculty Flower Committee and gave notice of a motion to reconsider the petition of Wanda Brown to be allowed to perform the graduation ceremonies with the class of 1921 without having fulfilled the requirements for graduation.

RELIGIOUS CREDIT. The following committee report was submitted and adopted:

"The committee appointed at the faculty meeting of December 2 to consider credit for work not offered under auspices of this University, and specifically credit for courses in religious instruction, recommends to the faculty the adoption of the following two resolutions, of which the first would become a part of University Regulations and be described as 70a:

RESOLUTION 1.

70a. It is a clearly recognized principle that the University can give no credit toward its degrees for any work that it does not itself offer for credit, or which it does not consider a proper part of the curriculum of a state-supported higher educational institution.

RESOLUTION 2.

RESOLVED that the faculty sympathizes with the desire of religious organizations that their students who are here be stimulated in their religious life; and invites them to offer courses in religious instruction, which instruction, however, must necessarily be outside of University auspices and without credit toward the University's degrees.

James D. Barnett
R.H. Wheeler
M. H. Douglass
Walter C. Barnes
Colin V. Dyment, Ch.

Mr. Douglass dissenting from Resolution 1."
COMMITTEE ON ADMISSIONS. Professor McAllister, Chairman of the Com-
mittee on Admissions and Advanced Standing, submitted the following
report.

"The committee on admissions recommends to the faculty the adoption,
with slight modifications, of the recommendations submitted by the
committee from the college section of the State Teacher's Associa-
tion. As modified by the committee, the recommendations, which are
herewith submitted for faculty approval, are as follows:

(a) Entrance without deficiency to the University of Oregon
shall be contingent upon presentation of at least ten units in
English, mathematics, foreign languages, including Latin, lab-
atory science, and history, including civics; provided that
students who intend majoring in the School of Commerce may pre-
sent as few as seven units from the five branches described, the
remaining units to be as prescribed by the School of Commerce.
Such students, however, may not subsequently major in any other
school or department of the University without making up all
entrance deficiencies.

(b) The number of units in English shall be at least three, and
in these emphasis should have fallen upon syntax and upon com-
position of original character.

(c) The remaining five units may be taken in any subject regu-
larly or occasionally offered in the high school course of study
in this state (such as agriculture, drawing, art, manual train-
ing, music, teachers' training, domestic science, and commerce
subjects); provided, however, that no credit shall be granted for
college entrance in drill, spelling, penmanship, physical train-
ing, or for work which may be classed as largely or purely a
student activity.

(d) It is recommended to high schools that students taking as
much as the five units of work outside the five departments men-
tioned (that is English, mathematics, languages, science and
history) should take significant amounts of each subject to the
end that the five units may not be devoted to smatterings of a
number of these electives."

Moved by Dr. Sheldon that the Faculty go on record as approving the
principle of this report particularly as to requiring 10 units in
English, mathematics, languages, science and history but that the
adoption of this specific report be held in abeyance. Carried.

LOW GRADES FOR GRADUATION LIMITED. Dr. Caswell on behalf of the
Faculty Colloquium moved that University Regulation 22 shall be
amended to read as follows:

"In order to be graduated from the University of Oregon
a student shall have 186 term-hours to his credit with the
University of which 140 shall be above the grade of V. Carried."

MASTER OF BUSINESS ADMINISTRATION. Dr. Sheldon on behalf of the
Graduate Council reported that the basis proposed by Dean Robbins
of the School of Commerce for the granting of the degree of Master
of Business Administration has been found to fulfill the requiremen
University of Oregon Assembly records were scanned from photocopies of the originals and converted to PDF files during March 2007 by Peter B Gilkey 202 Deady Hall, Department of Mathematics, University of Oregon, Eugene OR 97403-1222, U.S.A.
