Monday and Tuesday are of little value as class days, and are largely used for make-up work, which can as well be done on Saturdays. There is also a large percentage of cuts on these two days.

The crowded schedule for the short period, and the scheduling of irregular and two hour classes on evenings and preceding days, works an injustice on many students.

As shown by a careful study of the examination schedules for the Fall Term examination period of this year, approximately three hundred students had from three to four examinations on one day. This required six or eight hours of intense concentration and constant writing. It is obvious that even the best students cannot do themselves justice under such conditions. A number of students went home in a state of virtual collapse. Some quit before the examination period was over and there were many who were so exhausted by this strain that they tried to quit but were urged to finish.

Night examinations exhaust the student at the expense of rest necessary at such a time. They also take away a proper time for study for the following day's examination.

The longer period of time will alleviate the congested room conditions during examinations. It is believed that the crowded irregular conditions existing at the present time conducive to cheating.

It is felt that with the longer time and lessening of the strain, there will be less cheating, a more careful preparation, a distinct improvement in health conditions, and a real rise in the scholarship of the students of the University.

Very truly yours,
Anna DeWitt, Pres. of Women's League.

It was voted to refer this petition to the committee on catalogue and schedule for report at the February meeting.

RECOMMENDATIONS FOR DEGREES. The Secretary reported that the following students had completed all requirements of the University for degrees:

BACHELOR OF ARTS

Dorothy Bernice Brodie
Roy G. Bryson
Hilda N. Chase
Florence Whitton Couch
Seraphine Davis
Alice L. Ehrenreich
Beulah L. Holts
John H. Halvey
Edward C. Kelly
Agnes MacDonald

Frank DuMond Mayer
Clinton A. Merger
Dwight E. Mitchell
Edward Charles Robbins
Hilding B. Rosen
Clive L. Shambaugh
Wildred Strong
Gilbert Suessman
Floyd Douglas Wright

BACHELOR OF SCIENCE

Julian McLean
Louie Harold Carlson
Mazel Hayden
Edgar Herschel Kidwell
Robert Frederick Lane

Samuel Edward Linklater
Dorian Egonda Patterson
Winnifred Cecilia Penney
Mabel Thelma Selling
Cora L. Turbridge

BACHELOR OF BUSINESS ADMINISTRATION

Jeanette I. Bentler
John R. Lowe

Jason Conner McGune
Jean Allen Mitchell

MASTER OF ARTS

Charles O. Shambaugh
It was voted to recommend the students named to the Board of Regents for the degrees indicated.

Dr. Hodge gave notice of the following proposed faculty resolution:

"A student wishing to withdraw from a course while in regular attendance upon other courses shall give due notice of his intention to the instructor in charge of the course or pay a fee of $1.00 to the University.

A student who, for any reason and at any time up to the end of a term, ceases to attend all of his courses in the University is not required to give notice to the instructor in charge of the course and it is not required to pay a fee of $1.00.

A student, who withdraws from the University and who does not give notice of his withdrawal from a course to the instructor, shall have placed in red ink after his name, in the University records, the letters "Dr".

FOREIGN LANGUAGE REQUIREMENT.

Dr. Ernst submitted the following motion:

"I move the appointment of a special committee of nine to consider and report at the next faculty meeting on the advisability of adjustment in the University foreign language requirement. It should consider particularly two alternate proposals: first, that the student be required to do sufficient work in foreign language to enable him to read with ease; second, that the university foreign language requirement be abolished."

The motion was carried and the following committee was appointed: Dr. Gilbert, Chairman, Dr. Ernst, Dr. Bowan, Dr. Schmidt, Prof. Stafford, Dr. Packard, Dr. Conklin, Dr. E. C. Clark, Dr. Milne.

GIFT CAMPAIGN. Mr. Crothank reported regarding the status of the gift campaign.

Dean Walker gave notice of a motion to permit certain representatives of the student body, namely, the president, the secretary, the editor of the Emerald and the president of Women's League, to attend faculty meetings.

There being no further business the meeting adjourned.

[Signature]

CARLTON E. SPENCER, Sec'y
February 3, 1926

MEETING OF THE FACULTY

The minutes of January 13, 1926 were read and approved.

ANNOUNCEMENTS. Under the head of announcements Dr. Warren D. Smith announced the Sigma Xi luncheon at the Anchorage for Dr. Edwin B. Copeland at noon on Thursday, February 4.

Dean Sheldon made an announcement regarding the work of the appointments bureau and the element of cooperation on the part of instructors in sending in recommendations concerning prospective teachers.

EXAMINATION SCHEDULE. Dr. Boynton on behalf of the committee on catalogue and schedule moved that the faculty authorize a four day examination period for the present term substantially according to the following outline:

Dr. Boynton pointed out that the use of this schedule at the close of the present term would enable the faculty to judge its merits and to determine future policy. The motion was seconded. Dr. Barnett moved that the report of the committee be amended by substituting a resolution directing the committee to bring in a plan for a five day examination period. This motion to amend was seconded, put to vote and lost. Dr. Boynton's original motion was put to vote and carried.

NORM REQUIREMENT. The committee on teaching norms consisting of Professor Stetson, Dr. Bowen, Professor Dunn, Professor Mary Watson Barnes, Dr. R. C. Clark, Professor DeCou, Dr. Boynton, Professor Yocum, Dr. Gilbert and Dr. Bovard submitted the following report:

"A. Present Legislation.

After September, 1924, the University of Oregon will recommend no graduate to the state superintendent of public instruction for the general high school certificate who has not completed either (a) a major course of study and one "norm" of academic work; or (b) two such norms of academic work, in each case in addition to the professional requirements specified in the Oregon school law; provided, however, that students electing to take the two-norm course as distinct from a major course and one norm shall be re-
After September, 1927, the University of Oregon will recommend no graduate as a qualified candidate for a teaching position who has not completed, in addition to the professional requirements specified by the Oregon School Law, the academic preparation outlined under either (A) or (B) below.

Group A. For students whose major courses are included in the following list of subjects commonly taught in the high schools of the state, i.e., English, history, mathematics, Latin, French, Spanish, biological science (botany, zoology, geology), physical science (physics and chemistry), music, and physical education, the requirement is a major course of study including a major norm, or a major norm and, in addition to either, one minor norm.

Group B. For students whose major courses are not included in the above list of subjects commonly taught in the high school, the requirement is two minor norms.

Directing Administration.
6. That the Registrar be requested to certify the inclusion of the norm requirement in the students' course not later than the term preceding that of the students' graduation.
6. That any necessary exception to the norm requirements be made only with the approval of the head of the department concerned and the dean of the School of Education, and that proper record be made thereof by the School of Education.

Following is the list of norms intended to correspond to the main lines of the high school teaching which are undertaken by the University's graduates:

<table>
<thead>
<tr>
<th>English</th>
<th>Economics</th>
<th>Spanish</th>
<th>Physical Sciences</th>
</tr>
</thead>
<tbody>
<tr>
<td>History</td>
<td>Latin</td>
<td>Mathematics</td>
<td>Music</td>
</tr>
<tr>
<td>Civics</td>
<td>French</td>
<td>Biological Sciences</td>
<td>Physical Education</td>
</tr>
</tbody>
</table>

After discussion it was moved and seconded, put to vote and carried, that the report be adopted as the will of the faculty.

Inclusion of German as a norm was referred to the chairman of the committee and the head of the department of German with power to act whenever it is deemed necessary to add German.

STUDENT BODY OFFICERS AT FACULTY MEETING. Dean Walker then presented a motion of which notice had been given at the last meeting providing that certain representatives of the student body, namely, the President, the Secretary, the Editor of the Emerald and the President of Women's League, be permitted to attend faculty meeting. The motion was seconded and after a brief discussion was put to vote and lost.

Dr. Hodge, not being present, the motion of which he gave notice at the last meeting was not brought up for discussion or vote.

REQUIREMENTS FOR TRANSFERS. Dr. Caswell gave notice that at the next meeting he would present the following motion:

1. No student shall be admitted to the University of Oregon as a transfer from another institution of collegiate rank (i.e., above high school rank) who is ineligible to return to the said institution.

2. A student on probation in any other educational institution, if admitted to the University of Oregon, shall be placed on probation.
WRITTEN ENGLISH REQUIREMENT. Dr. Gilbert, on behalf of the English Department, gave notice of the following motion affecting the written English requirement.

"That the first paragraph of the legislation of March 1, 1922, relating to required written English which reads, as amended on November 4, 1925, 'That Freshman English composition be abolished, and that one year of work in an advanced written English course be substituted for it as a requirement for any of the bachelor's degrees, said course to carry not less than two or more than three hours' credit per term for the year; provided, that students may graduate as majors in journalism without having had one year of work in advanced written English', be amended by the addition of the following words: 'and provided, that students showing marked ability in written English may be exempted from completing the written English requirement on the joint recommendation of the written English instructor in whose course they are enrolled and the head of the English department, these exemptions not to be granted until the student has completed at least one term's work.'"

Explanation: The department load will be levelled during the year by the provision of new beginning sections each term. After the sections are full in the fall term, students will be asked to wait until the winter term to begin their written English courses."

ENTRANCE REQUIREMENTS. Dean Rebec gave notice that at the next meeting he would submit the following resolution:

"1. That, beginning with the opening of the academic year 1926-27, entrance requirements to the University of Oregon shall be the same for all students, irrespective of the school or territory from which they may come.

2. That these requirements shall be the highest now applied to any students."

Professor Stetson gave notice of a motion to excuse members of Phi Beta Kappa and Sigma Xi from final term examinations.

There being no further business the meeting adjourned.

March 3, 1926

MEETING OF THE FACULTY

The meeting was called to order by Dean Sheldon. A quorum being present the following business was transacted.

The minutes of the meeting of February 3 were read and approved.

ANNOUNCEMENTS. Dr. Sheldon made an announcement relative to the procedure in conducting examinations, with particular reference to the carrying out of the four day examination schedule adopted at the last meeting of the faculty, pointing out that unless faculty members adhere to it, it will be
WRITTEN ENGLISH REQUIREMENT. On Dr. Gilbert's notice of motion for the English Department (see minutes of meeting of February 3), Dr. Gilbert moved that the motion be adopted as read, seconded by Dr. Caswell, motion carried.

On notice of motion made at the January meeting by Dr. Hodge, Dr. Hodge moved that the motion be adopted. The motion was seconded. On motion of Dr. Boynton, duly seconded, the motion was referred to the academic requirements committee, with instructions to report on it at the April meeting of the faculty.

April 15, 1926

REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean S. Sheldon. A quorum being present the following business was transacted. The minutes of the meeting of March 3, 1926 were read and approved.

The Secretary reported that communications had been received from the following thanking the faculty for the expressions of sympathy and the flowers sent in time of bereavement:

Mr. and Mrs. Louis H. Johnson
Dean E. C. Robbins
Mrs. W. M. Hair and Miss Morelle Hair
Miss Ethel I. Sanborn and Mr. & Mrs. R. F. Boetticher

FLOWER FUND. Mr. Onthank announced that the Flower Fund is now depleted and that members might make their contribution at the President's office.

A communication was read from the Editor of the Emerald thanking the faculty for its cooperation in distributing student questionnaires.

RECOMMENDATIONS FOR DEGREES. The Registrar reported that the following students had fulfilled all requirements for the degrees indicated.

BACHELOR OF ARTS
- Margaret Booth
- Mary Irene Brown
- Irene Burton
- Donovan F. Cartwright
- Henry E. Freeberg
- Jeanne-Elizabeth Gay
- Felipe B. Gamboa
- Audley C. Joslyn
- Mabel Ruth Klockars
- Marjorie Myers
- Roland F. Frillaman
- Genevieve Nathalia Rosen
- Jessie Naismith Scott
- Vida Dovray Sherwood
- Philip M. Strowbridge
- Mathilde Veit
- Helen Dorothy Winter

BACHELOR OF SCIENCE
- John H. Boyd
- John Lawrence Day, Jr.
- Ina B. Simlund
- Maurice A. Kenney
- Harry R. LaPorte
- R. L. Fowers
- Ruth Ellen Jensenich
- Don F. Watrous

BACHELOR OF SCIENCE IN EDUCATION
- Roy Edwin Cannon

BACHELOR OF MUSIC
- Wanda K. Eastwood
- Charlotte Nash

BACHELOR OF BUSINESS ADMINISTRATION
- Lionel D. Haight
DOCTOR OF JURISPRUDENCE

Ralph Stone McClain

MASTER OF ARTS

Bryan Hendon

It was voted by the faculty to recommend these students to the Board of Regents for the degrees indicated.

WITHDRAWAL FROM CLASS. In lieu of the motion proposed by him on February 3, Dr. Hodge moved the adoption of the following resolution:

"After a student has withdrawn from a course the withdrawal may be cancelled when it appears that without due cause the student failed to withdraw within two weeks after discontinuing the course."

The motion was seconded, put to vote and carried.

ENTRANCE REQUIREMENTS. Mr. Spencer, reporting on behalf of the joint committee consisting of the Scholarship and Academic Requirements Committees, moved the adoption of the following resolution:

"A student reported as in the lower one-fourth of his graduating class by his principal shall be accepted only upon special entrance probation which shall place him under the special supervision of the Scholarship Committee subject to such regulations as the committee may impose."

After considerable discussion the following amendment was adopted:

"Provided that in cases of high schools graduating classes with less than fifteen, the condition of probation shall not attach to any student in the lower one-fourth provided said students have an average grade of 80 or its equivalent or higher."

The motion as amended was then put to vote and carried.

The following motion, of which notice had been given by Dr. Caswell on February 3, then came up for consideration:

1. "No student shall be admitted to the University of Oregon as a transfer from another institution of collegiate rank (i.e. above high school rank) who is ineligible to return to the said institution.

2. A student on probation in any other educational institution, if admitted to the University of Oregon, shall be placed on probation."

Mr. Spencer, reporting on behalf of the Scholarship and Academic Requirements committees stated that the committees moved the adoption of the proposed motion with the following amendment:

"The committee in charge of admission shall have power to make exceptions to this rule upon express recommendation of the institution previously attended and when the committee is convinced that the student is likely to make a creditable record here."

It was voted that the report of the committee be accepted and the motion as amended was adopted.

FOREIGN LANGUAGE REQUIREMENT. Dr. Gilbert, reporting on behalf of the special committee appointed January 13, 1926 to consider a report on the advisability of adjustment in the University foreign language department, reported as follows:
I. There shall be provided examinations in reading proficiency in foreign languages, which examinations shall be referred to as "Language 99." They shall be open to students applying therefor regardless of previous formal course work in languages. The registrar shall credit a student with "Language 99" only upon receipt of a certificate thereof signed by the head of the language department involved and by the major professor of the student taking the examination. The examination may be given jointly by the two officials, or each may act independently.

II. The passing of "Language 99" shall give the student one term hour credit for each language in which he passes it.

III. There shall be no general, i.e., "all University" language requirement (either high school or college language) for the B.S. degree (See paragraph V below.)

IV. For the B.A. degree the student must (1) have taken language in the University as follows:

(a) Two years of one language if he has had two or more years of one language in preparatory school.

(b) Three years of one language if he has not had two or more years in one language in preparatory school.

or (2) have passed "Language 99".

V. Any school or department is at full liberty to make the passing of "Language 99" in any language or languages prerequisite to such work as it may choose to designate, and this regardless of the formal course work in languages completed by the student.

After some discussion Professor Dunn pointed out that not all members of the faculty had an opportunity to study this proposed legislation and moved that the vote thereon be postponed until the next regular faculty meeting. The motion was seconded, put to vote and carried.

SEMI-CENTENNIAL EXPOSITION. Dean Hale gave notice of a motion to be made at the next meeting to the effect that the faculty authorize the committee in charge of the Semi-Centennial Exposition to plan its program with the understanding that the faculty shall participate as a body wearing academic regalia.

MRS. GERTRUDE PARKER. Miss Burgess asked permission on behalf of herself and Mrs. Mary Barnes to report grades for Mrs. Gertrude Parker without the completion of the final examinations. This request was made because of the illness of Mrs. Parker who is a very good student. The chair ruled that this request should be directed to the Scholarship Committee.

There being no further business the meeting adjourned.

[Signature]
CARTER L. SPENCER.
REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Sheldon. A quorum being present the following business was transacted: The minutes of April 18, 1926 were read and approved.

EMERALD REPRESENTATION AT MEETINGS. Dean Allen announced that a letter from the Editor of the Emerald asking that a representative of that publication be allowed to attend faculty meeting had been addressed to the faculty and asked that the letter be considered at this time. The chair ruled that the matter was new business and would have to come up under that order as notice of proposed new legislation unless there was unanimous consent to its consideration at this time. Dr. Barnett stated that he was opposed to a suspension of the rules and the matter, therefore, took its place in the regular order of business.

FOREIGN LANGUAGE REQUIREMENT. The report of the special committee appointed January 13, 1926 to consider the advisability of adjustment in foreign language requirements came up for consideration. (See minutes of April 15 for wording of this report.) Professor Dunn moved that the consideration of this report be postponed until next year. The motion was seconded, put to vote and carried.

Professor Stafford moved that the consideration of this report be made a special order of business for the regular November meeting of next year. The motion was seconded, put to vote and carried.

SEMI-CENTENNIAL EXPOSITION. Dean Hale introduced the motion of which notice had been given at the last meeting to the effect that the faculty authorize the committee in charge of the Semi-Centennial Exposition to plan its program with the understanding that the faculty shall participate as a body wearing academic regalia. The motion was seconded and after discussion was put to vote and carried.

EMERALD REPRESENTATION AT MEETINGS. Under the order of new business the following letter was read:

"Will you kindly present the following petition to the members of the faculty at their meeting today.

'The Oregon Daily Emerald herewith requests that Emerald representatives be permitted to attend faculty meeting for the purpose of obtaining accurate reports of the meetings for Emerald readers.

Heretofore Emerald accounts of faculty meetings have been second or third hand, and are usually inaccurate or not suited to the genuine significance of the meeting.

The Emerald, while published by students, endeavors to be a University newspaper rather than a student newspaper, and news of import to the University as a whole is very seldom subordinated to mere student news. In view of this fact it appears reasonable that full accounts of faculty meetings should appear in the Emerald.

The Emerald believes also, that the faculty will be performing a very definite service in assisting in the diversion of student interest from campus trivialities to matters of permanent significance.

If this request be granted the Emerald on its part will agree to send competent persons to report the meetings, and will agree further to keep reasonable confidence as suggested by the chairman of the meetings.'

Signed, Edward N. Miller
Editor of the Emerald."

Dr. Rebec moved that the matter be referred to a special committee of five for report at the next meeting. The motion was seconded, put to vote and carried. The following committee was appointed: Professors, Boynton, Decker, Allen, Barnett, Howe.
ATHLETIC ELIGIBILITY. Professor Howe gave notice of a motion looking toward the bringing of the rules of the Scholarship Code into harmony with athletic conference rules.

FACULTY COLLOQUIUM. Professor Walter Barnes brought up the matter of faculty colloquium suggesting that there is work which might be done by that organization along the lines of raising scholastic standards. The chairman pointed out that the colloquium committee consisting of Becker, Smith and Onthank was still in existence and that that committee had power to appoint its successors or to proceed with the formulation of plans for a program and meeting of the colloquium; the colloquium being an organization entirely independent of the faculty in its official capacity.

FLOWER FUND. Dean Walker moved that a committee of three be appointed to consider the matter of the flower fund looking toward an improvement in the method of collecting contributions to the fund. The motion was seconded by Professor DeCou, put to vote and carried. The following committee was appointed by the chair: DeCou, Onthank, Bovard.

ROBERT ANDREWS WILLIKAN. Dr. Caswell announced that Dr. Robert Andrews Millikan, outstanding physicist of the United States, will deliver the assembly address at 11 o'clock Thursday, May 6, and will deliver an address open to the public at Vail Hall at 8:15 on the same day.

A. A. U. P. Dr. Milne announced that there would be a meeting of the local chapter of the Association of American University Professors at 6 o'clock on May 10, 1926 at the Anchorage.

There being no further business the meeting adjourned.

Wednesday, June 2, 1926

REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Sheldon. A quorum being present the following business was transacted. The minutes of May 5, 1926 were read and approved.

ANNOUNCEMENTS. The following announcements were made:

Dean Sheldon -- regarding necessity of faculty members remaining for Commencement;

The rule requiring examinations to be given as scheduled; and the desirability that examinations be conducted with care to minimize the temptation for dishonesty on the part of students.

Dean Hale made an announcement regarding the wearing of academic regalia during the Semi-Centennial week next fall saying that a call would be made for information from each faculty member regarding his needs in connection therewith.

EXAMINATION SCHEDULE. After some discussion regarding the schedule of examinations for this term, it was voted to ratify the schedule as issued on May 28, 1926 which provides for certain examinations on Saturday forenoon, June 6, and Monday afternoon, June 7. It was understood by the faculty that no examinations were to be held on Monday morning, June 7.

EARLY EXAMINATIONS. Upon motion of Dean Gilbert, it was voted that Miss Mary Dallera of the Department of Romance Languages be allowed to give one examination earlier than the scheduled time due to the fact that she is to leave for South America and that the boats run only once each month. Permission was voted.
EMERALD REPRESENTATION AT MEETINGS. Dr. Boynton, chairman of the special committee appointed to consider the request of the Emerald for representation at faculty meetings, reported that the committee had not had a meeting although conferences had been held with several members thereof and there seemed to be a difference of opinion. Dr. R. G. Clark moved that the consideration of the question be postponed indefinitely. The motion was seconded. Professor DeCou moved that the matter be re-committed for report at the meeting of November next. The motion was seconded, put to vote and carried.

FLOWER FUND. Mr. Othank, member of the special committee appointed to consider the matter of the Flower Fund, reported that the fund was in fair shape and that there is no pressing need for action at this time. It was moved that the committee be discharged; seconded; put to vote and carried.

ATHLETIC ELIGIBILITY. Professor Hoare, in accordance with notice given at the last meeting, submitted the following motion: "That the Scholarship rules of the Pacific Coast Intercollegiate Conference be adopted by this faculty as governing in all cases of athletic eligibility." After some discussion, with a motion to postpone which was lost, the original motion was put to vote and carried.

ANNUITIES FOR FACULTY MEMBERS. Professor DeCou gave notice of a motion to be made at the next meeting looking toward the recommendation by the faculty to the regents of the adoption of some form of annuities for faculty members.

A. A. U. P. Professor Milne announced that immediately upon adjournment a meeting of the American Association of University Professors would be called in the same room.

There being no further business the meeting adjourned.

SPECIAL MEETING OF THE FACULTY

The meeting was called to order by Dean Sheldon. A quorum being present the following business was transacted. The minutes of the meeting of June 2, 1926 were read and approved.

RECOMMENDATIONS FOR DEGREES. The Registrar submitted the following list of students and announced that they had fulfilled the scholastic and academic requirements for the degrees indicated.

It was voted to recommend these students to the Board of Regents for the degrees indicated.

COMMENCEMENT, ASSEMBLING OF FACULTY MEMBERS. Dr. Gilbert made an announcement regarding the assembling of faculty members at Commencement events.

SEMI-CENTENNIAL & GRADUATE COUNCIL MEETING. Dr. Rebec announced that immediately upon adjournment there would be a joint meeting of the Graduate Council and the Semi-Centennial Committee.
SPECIAL MEETING OF THE FACULTY

The meeting was called to order by Dean Sheldon who introduced President Hall who assumed the chair and addressed the faculty.

The minutes of the meeting of June 12, 1926 were read and approved.

REGISTRATION PROCEDURE. Mr. Spencer outlined registration procedure and discussed some of the problems arising therefrom.

SEMI-CENTENNIAL. Dean Gilbert outlined the progress and plans of the Semi-Centennial committee and Dean Allen did likewise for the inaugural committee.

ASSEMBLY, DISMISSAL OF CLASSES. Dr. Conklin moved that the faculty authorize the dismissal of freshman classes at some hour to be determined in the future for the purpose of attending a special assembly at which time President Hall will address the class. The motion was seconded, put to vote and carried.

SEMI-CENTENNIAL, DISMISSAL OF CLASSES. Dean Gilbert gave notice of a motion to be made at the next meeting to provide for the dismissal of certain classes during Semi-Centennial week.

INTRODUCTION OF NEW MEMBERS. The faculty then turned to the introduction of new members.

Dean Gilbert introduced the following members of the College of Literature, Science and the Arts:

Dr. H. C. Freme, professor of Economics
Mr. Victor P. Morris, assistant professor of Economics
Dr. C. V. Boyer, professor of English and head of the department
Mr. Pat V. Morrissette, instructor in English
Lt. Geo. F. Herbert, assistant professor of Military Science and Tactics
Mr. J. B. Horner, assistant professor of English
Mr. Herman Loader, instructor in History
Dr. William Fletcher Smith, assistant professor of Latin and Greek
Dr. H. G. Townsend, professor of Philosophy
Dr. David R. Davis, assistant professor of Mathematics
Mr. Leviatt O. Wright, assistant professor of Romance Languages
Mr. J. R. Hadsworth, assistant professor of Romance Languages
Miss Christina Crane, instructor in Romance Languages
Dr. A. R. Moore, professor of General Physiology and head of the department of Zoology.

Mr. Horace G. Wyatt, assistant professor of Psychology

Dean Lawrence of the School of Architecture introduced Mr. John A. Wahlquist, instructor.

Dean Robbins of the School of Business Administration introduced Mr. Chester A. Ham, assistant professor, and Mr. Victor S. Storli, assistant professor.

Dean Sheldon of the School of Education introduced Mr. Harold S. Tuttle, assistant professor and Mr. Kai Jensen, instructor.

Dean Hale of the School of Law introduced Mr. Lon L. Fuller, assistant professor.

Dean Landsbury of the School of Music introduced Mrs. Prudence Clark, professor, Mr. Walter L. Perris, professor, and Miss Miriam Little, instructor.

Dean Bovard of the School of Physical Education introduced Eugene Vidal, backfield coach of football, Dr. R. C. Romig, physician in the Health Service and Miss Mary Jo Shelly, instructor of physical education for women.

Dean Young of the School of Sociology introduced Mr. John H. Mueller, assistant professor and Dr. Parsons of the Portland School of Social Work introduced Miss Elizabeth Brown, assistant professor in Applied Sociology.

There being no further business the meeting adjourned.

Carlton E. Spencer
Secretary
The meeting was called to order by President Hall. A quorum being present, the following business was transacted. The minutes of September 22, 1926 were read and approved.

SEMI-CENTENNIAL. Mr. Hugh Rosson, Secretary of the Semi-Centennial Committee, announced plans and gave information regarding the celebration from October 18-23 inclusive.

TEACHERS INSURANCE. Professor DeCou made an announcement regarding teachers' insurance under the Carnegie Foundation.

INTRAMURAL SPORTS. Professor DeCou also announced plans for intramural sports for faculty members.

RECOMMENDATIONS FOR DEGREES. The Registrar reported that the following students had fulfilled all scholastic and academic requirements for degrees.

BACHELOR OF ARTS

Betty Marie Agerlender
Thora V. Bosson
Enid Poye Bolton
Ethel Lenore Castord
Evelyn Churchill Coplan
Phyllis E. Coplan
Esther Luella Cottingham
Edward Farwood French, Jr.
James G. Harding
Robert Yorke Herren
Helen Hershner
Verden E. Hockett
Florette Janelle
Jewell Katherine Montag
Charles A. Orr
Lola Marie Richardson
Della Somers
Betty Mae Festerfield Stamm
Clarence Edward Toole
Alice A. Tunell
Martha Elizabeth Wade
Kase A. White
Eddith C. Wilson

BACHELOR OF SCIENCE

Florence E. Baker
D. Charles Bellam
Jeanette Agnes Dugan
Guy Ferry
Dwight A. French
Vivian Hargrove
Boyd Conger Homewood
Rose E. Johnson
Louis Dale LaPountaine
Raymond Edward Hoesser
Herbert B. Powell
Mildred L. Stephen
Robert Lee Strickland
Alice Luella Swearingen

It was moved that the students named be recommended to the Board of Regents for the degrees indicated.

WILLEM VAN HOOGSTRATEN. Dean Rebec reported that the Graduate Council recommended the granting of the honorary degree of Doctor of Music to Mr. Willem van Hoogstraten. Dean Gilbert reported that the Semi-Centennial Committee was agreeable to the awarding of this degree during the Semi-Centennial Celebration. Motion was made that recommendation be made to the Board of Regents for the granting of this degree. The motion was seconded, put to vote and carried.

SEMI-CENTENNIAL, DISMISSAL OF CLASSES. Dr. Milne, in accordance with notice given at the last meeting by Dr. Gilbert, moved the adoption of the following provisions to regulate attendance in classes during the inaugural ceremonies and the Semi-Centennial celebration, October 18-23, 1926.

1. All classes in the University shall be dismissed Monday, October 18, Inaugural Day, and Saturday, October 23, Homecoming. (Freshmen are already relieved from academic responsibilities on Friday, October 22, in connection with the bonfire.)

2. All 10 o'clock classes on Thursday, October 21 shall be dismissed. (It is necessary to vacate this hour in order to hold the Semi-Centennial Pledge-Day Assembly.)

3. Instructors of classes in departments and schools whose work is the subject of or allied to a particular symposium may at their discretion dismiss their classes for attendance at these exercises.
4. Instructors of classes in subjects not allied to the symposium may at their discretion dismiss individual students who specially request the privilege of attendance.

5. Where attendance on a symposium shall necessarily cause absences from two or more classes, the student should make arrangements for all absences prior to the day on which the program occurs. (This regulation is made in order that students need not leave a symposium during the program in order to attend a class).

ENGLISH EXAMINATION FOR STUDENTS FROM NON-ENGLISH SPEAKING COUNTRIES. Mr. Spencer reported that the Academic Requirements committee had been considering the problem of the admission of students from non-English speaking countries, particularly the Philippine Islands and that the Department of Public Instruction of the Philippine Islands was considering the appointment of an examining and accrediting board. On behalf of the Academic Requirements committee he moved the adoption of the following two resolutions:

Resolved, that in addition to fulfilling the regular entrance requirements, applicants for admission to the University of Oregon applying from non-English speaking communities shall be required to pass an English examination, said examination to be formulated and administered by a committee of five to be appointed by the chair, and the purpose of said examination to be to determine the ability of the applicant to use and understand the English language sufficiently to enable him to do satisfactory university work. The Academic Requirements Committee shall have authority to exempt students who submit certificates from an acceptable examining agency.

Resolved, that the Academic Requirements Committee be authorized to utilize the services of any examining board that may be appointed by the Department of Public Instruction of the Philippine Islands and to use certificates from that board as the basis for admission of Philippine students so far as this appears feasible and desirable.

The motion was seconded, put to vote and carried and the two resolutions were adopted.

SENI-CENTENNIAL, ACADEMIC COSTUMES. Dean Gilbert moved that the faculty appear in academic costume at the Pledge ceremonies on October 21. (NOTE: Faculty had already voted to appear at the inauguration ceremonies in academic regalia on October 18.) The vote was seconded. Arguments in favor of the motion were presented by Dean Gilbert and arguments contra by Dean Hale. The vote was put, a division was called for, a standing vote was taken with the result that there were 27 votes in favor of the motion and 17 against. The motion was declared carried.

MORONI OLESEN PLAYERS. Miss Alden, on behalf of the American Association of University Women, announced two plays by the Moroni Olsen players to be given under the auspices of the Association on October 20 and January 26, tickets for which plays may be obtained from Miss Alden.

There being no further business, the meeting adjourned.

CARLTON E. SNYDER
Secretary
November 3, 1926

REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Hall. A quorum being present, the following business was transacted.

The minutes of October 6, 1926 were read and approved.

MID-TERM POSTING OF GRADES. Mr. Spencer called attention to the faculty of the legislation of April 15, 1926 which reads as follows: "That at the end of the first six weeks of each term instructors shall determine the approximate grade of their students. They shall either post these grade lists or give out the grades to individuals requesting them. These provisions shall be optional in the case of upper division courses." He also explained the method of the scholarship committee in asking for reports from instructors regarding students on probation and of the method of instructors reporting to the scholarship committee any cases of scholastic delinquency coming to their attention. Dean Gilbert discussed these topics in further detail.

FOREIGN LANGUAGE REQUIREMENT: LANGUAGE 99. The faculty then turned to the discussion of the report of the special committee appointed January 15, 1926 to consider the advisability of adjustment in the university language requirements. (See Faculty Minutes for April 15, 1926, page 482.) Dr. Gilbert moved the adoption of this report and after a second thereto spoke to the motion. Dr. Bowen moved that the motion be amended by substituting the following report for the report of the committee:

I. There shall be no general, i.e. "all University" language requirement (either high school or college language) for the B.S. degree. (See paragraph III below.)

II. For the B.A. degree the student must have taken language in the University as follows:

(a) Two years of one language if he has had two or more years of one language in preparatory school.

(b) Three years of one language if he has not had two or more years in one language in preparatory school.

N.B. In a special case where a student has had unusual advantage for learning a foreign language, he may apply, on recommendation of his major professor, to the head of the department of the language involved, for an examination to test his ability in that language. If he passes this examination he may be excused from the University requirement in language and shall receive one term hour credit toward graduation. This examination shall be referred to as "Language 99".

III. Any school or department is at full liberty to make the passing of "Language 99" in any language or languages prerequisite to such work as it may choose to designate, and this regardless of the formal course work in languages completed by the student.

The motion was seconded and after considerable discussion the motion to amend was put to vote and lost. Professor Howe moved to amend the report of the committee by striking out the words, "or have passed Language 99" in section IV of the report. This motion to amend was seconded, put to vote and lost. Professor Leavitt C. Wright moved to amend section I of the committee's report by striking out the word "involved" in line seven and substituting the words, "which gave the examination". This motion was seconded, put to vote and carried. Dr. Sheldon suggested that the words, "general, i.e. all-university" and "either high school or university language" be omitted from section III so that section shall read, "There shall be no foreign language requirement for the B.S. degree. (See paragraph V below.)" By common consent this amendment was accepted. The vote on the report as amended was put and adopted as follows:
I. There shall be provided examinations in reading proficiency in foreign languages, which examinations shall be referred to as "Language 99". They shall be open to students applying therefor regardless of previous formal course work in languages. The registrar shall credit a student with "Language 99" only upon receipt of a certificate thereof signed by the head of the language department which gave the examination and by the major professor of the student taking the examination. The examination may be given jointly by the two officials, or each may act independently.

II. The passing of "Language 99" shall give the student one term hour credit for each language in which he passes it. (Amended Dec. 1, 1926 to read three term hours credit)

III. There shall be no foreign language requirement for the B.S. degree. (See paragraph V below.)

IV. For the B.A. degree the student must (1) have taken language in the University as follows:

(a) Two years of one language if he has had two or more years of one language in preparatory school.

(b) Three years of one language if he has not had two or more years in one language in preparatory school or (2) have passed "Language 99".

V. Any school or department is at full liberty to make the passing of "Language 99" in any language or languages prerequisite to such work as it may choose to designate, and this regardless of the formal course work in languages completed by the student.

Note: Section III means that a candidate for the B.S. degree who has had no language in high school will not be held for a university language unless required to do so by his major department as a prerequisite to graduation therein.

SEMI-CENTENNIAL. Professor DeCou submitted the following resolution:

Be it resolved that the faculty extend a hearty vote of thanks to the committees of the faculty and students whose careful planning and successful handling made the inauguration ceremonies and the semi-centennial celebration a remarkable success— a source of pleasure and intellectual stimulus to the university and its visitors.

Especially thanks are due to the general committee consisting of Professors Gilbert, Hale, Robbins, Evans, Casey, Dan Clark, Milne, and Rosson and to the chairman of sub-committees:

Inaugural -- Professor Allen
Processions -- Professor Bovard
Music -- Professor Evans
Decorations -- Miss Kerns
Publicity -- Raymond Lawrence
Printing -- Professor Hall
Banquets -- Mrs. Davis

The motion was seconded and by a unanimous vote the resolution was adopted.

There being no further business, the meeting adjourned.

CARLTON E. SPENCER
Secretary
REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Gilbert. A quorum being present the following business was transacted. The minutes of November 3, 1926 were read and approved.

ADVISORY COUNCIL, MEMBERS Elected. The Secretary reported that a communication from the Secretary of the Advisory Council shows that it had been determined by lot that Dean Allen and Professor Barnett should continue to hold their places on the Council during the coming year. The chairman announced that the next order of business was the election to the council of two deans and two professors not deans. Question arose regarding the classification of Acting Dean Gilbert. By vote of the faculty it was determined that he should be classified as a dean. Balloting was then held and after three ballots the following were elected: Dean Gilbert, Dean Halls, Professor Packard and Professor Stafford.

LANGUAGE 99. Professor Boynton moved that the rules regarding Language 99 be amended so as to allow three term-hours credit for the passing of Language 99. The motion was seconded, put to vote and carried.

ANNOUNCEMENTS. Dean Gilbert made announcements on the following topics:

(1) Absence of President Hall on a tour of the State and the times when he may be available for conference on urgent matters.

(2) The use of buildings at night. Buildings should not be occupied by students after midnight unless they have special permission of department heads. Buildings should be locked and the lights turned out upon leaving.

(3) The coming term examinations. Rooms should be large enough and classes so arranged as to eliminate, as far as possible, danger of dishonesty in examinations. The mimeograph department will print examination questions submitted not later than December 10.

WITHDRAWALS FROM UNIVERSITY OF ATHLETICS. Dr. Boynton reported the practice of the Academic Requirements Committee in refusing to allow the withdrawal from the University during the last month of the term of students who have enrolled solely or principally for participation in athletics. No discussion followed this report and the chair announced that the practice of the committee was in accord with the regulations of the faculty.

SUPERIOR STUDENTS COMMITTEE. Dean Sheldon asked that a report of the Superior Students Committee be requested in the near future. Dean Rebec, Chairman, announced that the committee would probably be able to report at the next meeting of the faculty.

Dean Gilbert gave notice of a motion to be made at the next faculty meeting somewhat as follows:

"Beginning with the Commencement of 1929 no student shall be granted a Bachelor's degree from the University of Oregon unless at least one-third of the 186 hours required for graduation are in upper division subjects."

There being no further business the meeting adjourned.

[Signature]
CARLTON C. SPENCER, Sec'y
REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Hall. A quorum being present the following business was transacted. The minutes of the meeting of December 1, 1926 were read and approved.

RECOMMENDATIONS FOR DEGREES. Mr. Spencer announced that the following students had fulfilled all academic and scholastic requirements for the degrees indicated.

BACHELOR OF ARTS

Myrtle L. Baker
Gordon D. Billingsley
Glen F. Burch
Audrey M. Davis
Ethel E. Dickson
H. Lewis Greene
Mary C. Harding
Laurea C. Johnson
Helen Iatham
Oscar E. McKinney
Louise H. Maxwell

Gladys D. Moeller
Alice Mortensen
Siemon W. Muller
Thomas W. Page
Fenton B. Parker
Marian Phy
Paul H. Shiningler
Elizabeth C. Strohecker
Marcelli Villiger
Kenneth R. Walleigh

BACHELOR OF SCIENCE

Charles A. Colistro
Forrest E. Cooper
Ephraim E. Gentle
Clara A. Grivas
Frank G. Johnson
Vasily Kniasoff

Florence H. Leekley
Edith L. Pierce
Albert B. Sinclair
Ralph Tuck
Edwin D. Warren
Homer A. Wise

Bachelor of Business Administration

Antonia E. Koberstein

BACHELOR OF SCIENCE IN EDUCATION

Ray S. Langworthy

DOCTOR OF JURISPRUDENCE

Harold W. Emmons
James E. Keesh

MASTER OF ARTS

Hilda B. Carruth
Geraldine Cattmell
Alta C. Hoover
Pat V. Morrisette
Odilo H. Ortmann

It was moved by Dean Bovard that the students named be recommended to the Board of Regents for degrees. The motion was seconded, put to vote and carried.

PRESIDENT AND MRS. HALL AT HOME. President Hall announced that it was the plan of Mrs. Hall and himself to be at home to faculty members and their families from 7:30 to 10:00 on the evenings of January 10, January 31 and February 7. Mrs. Hall will continue to be at home Thursday afternoons. University people and their families are cordially invited to call at those times.
HIGH SCHOOL CONFERENCE. An announcement was read from the sub-committee on entertainment for the high school faculty advisers attending the high school conference to be held at the University on January 14-15 regarding the entertainment of these representatives in the homes of faculty members.

UPPER DIVISION GRADUATION REQUIREMENTS. Dean Gilbert moved that beginning with the commencement in June, 1929, no student shall be granted a bachelor's degree from the University of Oregon unless at least one third of the total hours required for graduation are in upper division subjects. Provided, however, that candidates from the professional schools may receive the bachelor's degree with forty-five hours or more of upper division work in case the dean of the professional school in which the student enrolls has filed with the registrar a statement certifying that the student's preparation for a definite vocational work made it impossible to take the required 62 hours in upper division courses. The motion was seconded and after a brief discussion was put to vote and carried.

ASSEMBLY. Dean Elder moved that the regular assembly hour at 11 o'clock on Thursday, January 13 be changed to 9 o'clock on the following Friday and that the 9 o'clock Friday classes be held at the regular assembly hour. This was to enable the high school student conference to begin with this general university assembly. The motion was seconded, put to vote and carried.

SUPERIOR STUDENTS COMMITTEE. Dean Rebec reported that the Superior Students Committee was making progress and will have a report ready in the near future.

There being no further business the meeting adjourned.
REGULAR MEETING OF THE FACULTY

The meeting was called to order by Dean Rebec. A quorum being present the following business was transacted. The minutes of the meeting of January 8 were read and approved.

CALENDAR FOR 1927-28. Dr. Boynton announced the schedule for the next academic year as follows:

Fall Term

September 19 to 24, Monday to Saturday .......... Freshman week and registration
September 28, Monday ................................ University classes begin
November 11, Friday .................................. Armistice Day
November 24, 25, 26, Thursday, Friday, Saturday ...... Thanksgiving vacation
December 15, 16, Thursday and Friday, and
December 19, 20, Monday and Tuesday ............... Examination period
December 21, Wednesday ................................ Christmas vacation begins

Winter Term

January 5, Tuesday ..................................... Registration day
January 4, Wednesday ................................... Classes begin
February 22, Wednesday ................................. Washington's Birthday
March 13 to 16, Tuesday, Wednesday, Thursday,
Friday .................................................. Examination period
March 17 to 25, Saturday to Sunday .................... Spring vacation

Spring Term

March 26, Monday ........................................ Registration day
March 27, Tuesday ....................................... Classes begin
May 30, Wednesday ...................................... Decoration Day
June 5, 6, 7, 8, Tuesday, Wednesday, Thursday, Friday, Examination period
June 9, Saturday ......................................... Summer vacation begins
June 11, Monday ......................................... Commencement Day

SUMMARY

Fall term 13 weeks, 2 days 55 teaching days 4 exam. days 3 holidays 6 reg. days
Winter term 11 weeks, 1 day 46 teaching days 4 exam. days 1 holiday 1 reg. day
Spring term 11 weeks, 1 day 46 teaching days 4 exam. days 2 holidays 1 reg. day
35 weeks, 1 day 131 teaching days 12 exam. days 6 holidays 8 reg. days

4 legal holidays
2 school holidays
day following Thanksgiving
Friday of Junior Week End

APPROPRIATION BILL. Mr. Onthank told of the present status of the University Appropriation Bill and other matters which were before the legislature.

SUPERIOR STUDENTS. Dean Rebec reporting for the committee on Superior Students asked to have the full discussion of the report go over to the next meeting on account of the absence of President Hall and of members of the faculty especially concerned in the consideration of the report. Copies of the report had been mailed to members of the Faculty.

FLOWER FUND. Dean Straub asked that the faculty make its annual contribution of fifty cents per member toward the faculty flower fund.

REPORT OF COLLOQUIUM ON FRESHMAN PROBLEM. Professor Yocum reported briefly for the Colloquium on the freshman problem and submitted three recommendations of the committee as follows:

I. That the University of Oregon establish a clearly defined junior college.

II. That major subjects be chosen at the beginning of the junior year; except in the case of certain professional schools, to be provided for hereafter.
III. That the responsibility for advising freshmen and sophomores be placed in the hands of an advisory committee which will assign students to suitable advisers selected from the faculty. Exceptions may be made in the case of certain professional schools.

By common consent it was agreed that no action be taken on this report until a later meeting.

JUNIOR COLLEGE. Professor Decker gave notice of a motion as follows:

That a standing committee, to be known as the Junior College Advisory Committee, be appointed by the President to consist of ¼ members, half of whom shall be chosen from the Faculty of the College of Literature, Science and the Arts and half from the Faculties of the several professional schools on the campus. That it shall be the duty of this committee in the first instance to work out a plan for the administration of the Junior College, to make a survey of the courses now offered to lower division students and of needed changes in and additions thereto: and to devise a plan of well defined curricula to be substituted for the present plan of free election of courses by Junior College students if it shall deem such a plan advisable. It shall be the duty of the committee to report its findings and recommendations to the Faculty at as early a date as possible, and thereafter from time to time as it sees fit.

Professor Howe moved that the above matters be referred to a special committee to be appointed by the President for consideration and coordination. The motion was seconded. After discussion Professor Howe withdrew the motion and announced that it was to be considered notice of a motion to be made at the next meeting of the faculty.

There being no further business the meeting adjourned.

CARLTON E. SPENCER
Secretary.

March 2, 1927

REGULAR MEETING OF THE FACULTY

The meeting was called to order by President Hall. A quorum being present the following business was transacted. The minutes of February 9, 1927 were read and approved.

EXPRESSIONS OF APPRECIATION. A letter of appreciation was received from Mr. and Mrs. L. A. Wood thanking the members of the faculty for the floral token sent upon the occasion of their recent bereavement. A similar expression of appreciation was made orally by President Hall on behalf of himself and Mrs. Hall.

RECOMMENDATIONS FOR DEGREES. Mr. Spencer reported that the following named students had fulfilled the academic and scholastic requirements for degrees.

BACHELOR OF ARTS

Edward E. Evans
Allan G. Frischbe

CHAUNCEY ELWIN MARSTON

BACHELOR OF SCIENCE

Evangeline E. Foster
Louise Kelly McLean

It was voted to recommend these students to the Board of Regents for the degrees indicated.

REPORT OF COLLOQUIUM COMMITTEE ON FRESHMAN PROBLEM. The faculty then turned to the report of the Colloquium Committee made at the last meeting. Professor Yocom moved that the University of Oregon establish a clearly defined junior college. The motion was seconded and after discussion was put to vote and carried.

JUNIOR COLLEGE ADVISORY COMMITTEE. Professor Decker then submitted the motion of which he had given notice at the last meeting providing for the establishment of a junior college advisory committee. He moved that the motion be amended by providing for sixteen members on this committee. The motion to amend was seconded, put to vote and carried. The motion to adopt the original motion as amended was seconded, put to vote and carried. Professor Yocom then moved that items 2 and 3 of the Colloquium Report be referred to this committee. The motion was seconded, put to vote and carried.
SUPERIOR STUDENTS. The report of the committee on superior students was then considered and after discussion was put to vote and adopted as follows:

The committee recognizes that one of the chief indictments of American universities at present is the prevailing practice of adjusting curricula and methods of instruction to the capacities and scholastic ambitions of the average student. It is not at all surprising that courses of this kind fail to enlist the interest or challenge the powers of those favored by unusual endowment. The exceptional student soon finds that his reserve powers are seldom called into action, there is little room for the exercise of unusual gifts, and requirements formulated with reference to the average student foster habits of indifference and indolence which may even constitute a handicap in after life. Unless the University can supply the student of high intelligence and aptitude with opportunities commensurate with his powers and a continuing challenge to do his best, the institution, in its effort to accommodate the mass, is sacrificing its most precious material.

The task of the committee was two-fold. In the first place, it had to devise ways and means for finding out the student of high intellect and ambition and segregating these as a separate group with characteristics and an esprit de corps of their own. It is obvious that this process of segregation must be well and thoroughly done. Since the privileges extended to those identified as superior students must, in the nature of things, involve an elasticity of requirements which now apply to students in general, the honor status must not be extended to those who would regard it as a license to loaf. The faculty must be assured of inclination as well as ability. There must be a certain measure of devotion to the scholarly ideal. The student must be motivated by a desire to pursue his investigation out of a sheer love for learning and an overpowering "pride in thoroughness". When it is understood that the status of honor student carries the privilege and the obligation of "doing more work in his own way", it may prove unattractive to many students now loud in their demands for recognition of special talent. Any program for dealing with superior students is based frankly on the assumption that a considerable part of the student body would, under proper conditions, sincerely prefer vigorous intellectual activity to mediocre accomplishment. Only on the assumption that the load voluntarily assumed by superior students will be increased rather than diminished will the faculty be willing to accept any radical departure from the present uniform requirements.

To facilitate the process of selection referred to above, the Committee proposes to fix the end of the sophomore year as the point where a definite appraisal of students' capacity record and personality should be made. To this end the committee assumes the availability of all data which the personnel committee and the Registrar's office can supply. A combination of high school records with the student's record in lower division work, supplemented by all inferences that can be drawn from mental tests and personnel records should enable university authorities to predict with a fair degree of certainty the student's fitness for the honor status. By this process the faculty as a whole, or a council for the administration of honors would be able to recognize students of distinction and promise and prescribe appropriate methods of treatment during the remainder of their university work. This procedure would pave the way for sectioning on the basis of ability in upper division courses or the admission of specially qualified students to various types of honor work.

A by-product of this winnowing process at the end of the lower division work may be the rejection of unpromising material as well as the conservation and further development of the best. The committee's plan contemplates the granting of a junior certificate at the end of the sophomore year, or soon
after, which may be regarded as a certificate of graduation and honorable dismissal for those who do not wish to pursue a university course into the upper division or achieve the bachelor's degree. The successful completion of lower division work signalized by granting a certificate might satisfy the scholastic ambition of many who now feel obligated to reach the goal of a university degree. The institution might, while recognizing the right of others to continue their university course, frankly discourage mediocre students whose university careers are likely to be barren of any real results. There would be at this stage a positive selection of superior students who would not only be promoted to junior standing but promoted with honors not unlike those accorded to superior students upon receipt of the bachelor's degree.

The committee has not thought best to attempt the task of singling out superior students for special treatment before the end of the sophomore year. The prevailing practice seems to be to establish honor status only with the beginning of the junior year. At Knox, Smith, Swarthmore, and Columbia, where experiments have been most extensively tried, honor status is accorded only when students are definitely promoted to upper division work.

Objections will be raised that the recognition of special attainments is so long delayed that freshmen and sophomores, otherwise eligible, will lack incentive and will contract habits of passivity and mental indifference which unfit them for privileges of honor students later on. The answer is that while not admitting lower division students for status as honor students, the registrar, with the help of the honors council, can prepare a list of superior students based on the same criteria of selection as those employed for the segregation of honor students when they enter the upper division. Moreover, much can be done in the lower division to supply incentive by devices calculated to assure public recognition of excellence in scholarship even during the earlier years. In the first place, the entering student can look to the fairly immediate prospect of "certification with honors" at the end of his sophomore year.

In the publication of grades at the end of the spring term the Registrar might be directed to list the names of students receiving "junior certificate with honor privileges". The criteria for selecting this group shall be the same as those prescribed by the honors council for the selection of students eligible for honor privileges. The junior certificate of those accorded honor status may bear the phrase "with honor status" or the Latin phrase "in laudis gradum".

Again, freshmen who matriculate with unusual high school records and who score high in mental tests might be more extensively admitted to courses now open to sophomores, or to sections reserved for students of superior ability only.

Another concession to lower division students of exceptional ability might be a reasonable amount of freedom in the matter of auditing classes in related fields.

Lower division students of honor grade might also be encouraged to form discussion groups for the interchange of ideas and the analysis of material contained in readings chosen by the students under direction of instructors. These discussion groups would properly be regarded as an apprenticeship for the honor status later on and might go far to overcome the diffidence or passivity characteristic of university students in general.

I. Junior Certificate and Promotion to Upper Division

Both to facilitate the administration of the proposed legislation affecting honors work in the upper division and make more significant the promotion of students from the lower division the committee recommends some changes in the present practice affecting the junior certificate.

To make it obligatory to obtain the junior certificate at the proper stage in the university work, the student will be held to the earning of 62 hours of upper division work after the junior certificate has been obtained. The committee
