STATE OF THE UNIVERSITY. President Newburn reported to the faculty on action of the Board of Higher Education concerning the recommendations of the Anderson Report, on a statement of policy adopted by the Board in regard to the development of the Portland State Extension Center, on the prospects for obtaining social-security coverage for Oregon state employees, and on recent developments, at the state and national level, in regard to loyalty oaths and investigations.

There being no further business, the meeting was adjourned.

George N. Balknap
Secretary

REGULAR MEETING OF THE FACULTY

February 4, 1953

The meeting was called to order by President Newburn. The minutes of the meeting of January 14, 1953 were read and approved.

NUMBERING OF COURSES. Mr. P. L. Kleinsorge moved, on behalf of the Committee on Courses:

(1) It shall be the general policy of the University that each course listed in the University Catalog shall carry a single letter-symbol indicating the primary administrative responsibility of one division for the instruction involved.

(2) Exceptions to this policy may be allowed on the basis of evidence that a major portion of the subject matter of the course falls within the recognized fields of more than one instructional division and, in addition, evidence that cross-reference listing in the Catalog, under a single letter-symbol, would not provide adequate recognition of the interest of other divisions. The departmental affiliation of the instructor or other staff problems shall not be considered to be reasons for plural letter-symbols. In examining proposals for exceptions due consideration shall be given to the state requirements for teacher certification.

(3) The several schools are instructed to survey all courses which will appear in the 1953-54 University Catalog under more than one letter-symbol, and to present to the Committee on Courses, on or before November 1, 1953, either (a) proposals for the continuation of this practice for specific courses, supported by evidence as required under (2) above, or (b) proposals for the assignment of a single letter-symbol where such evidence is lacking. All existing cases of double letter-symbols shall be considered to be before the Committee on Courses for review in the fall of 1953.

The motion was seconded. Mr. P. R. Washko, secretary of the Faculty Senate, reported that the Senate recommended its approval. After discussion, the motion was put to a vote and carried.

COORDINATING CURRICULUM COMMITTEE. Mr. J. V. Berresman stated that, since the Faculty Senate had not yet completed its discussion of his motion relating to a Coordinating Curriculum Committee of the faculties of the Oregon State System of Higher Education, he wished to postpone its presentation until the March 1953 meeting of the faculty.
STATE OF THE UNIVERSITY. President Newburn outlined the present state of various measures of concern to the University which are before the Oregon Legislature, called attention to the fact that the "regional college" proposal contained in the Anderson Report, rejected by the Board of Higher Education early in January, was now being reconsidered by the Board, and stated that the deans would begin soon their preliminary studies in connection with the 1953-54 annual budget.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary

REGULAR MEETING OF THE FACULTY

March 4, 1953

The meeting was called to order by President Newburn. The minutes of the meeting of February 4, 1953 were read and approved.

REPORT OF PREREGRISTRATION COMMITTEE. Mr. R. D. Clark, chairman of the special Committee on Preregistration, presented the report of his committee. A copy is filed in the office of the secretary of the faculty.

COORDINATING CURRICULUM COMMITTEE. Mr. J. V. Berreman moved, on behalf of the University chapter of the American Association of University Professors:

That the University of Oregon faculty elect a representative to serve as a member of a Coordinating Curriculum Committee of the faculties of the Oregon State System of Higher Education. This committee is to be composed of six members, one elected by and from the faculty of each of the six units of the State System. Its purpose is to study common curricular problems and to make recommendations to the respective faculties and to the administrative officers of the several institutions and of the State System of Higher Education.

A representative on this committee shall be elected at the March 1953 meeting of the University of Oregon faculty, and he shall serve until December 31, 1954. Thereafter elections shall take place at the December meeting of even-numbered years. The representative elected shall take office on January 1 of the following year and shall serve for a period of two years.

Nominations for this office shall be made from the floor and election shall be by secret ballot. A majority of all votes cast shall be necessary to election. In case no candidate receives a majority on the first ballot successive ballots shall be taken in accordance with the usual faculty procedures.

The motion was seconded. Mr. P. R. Washke, secretary of the Faculty Senate, reported that a motion to recommend its approval was defeated in the Senate.

Mr. C. G. Howard moved to amend by substituting the following for the last sentence of the first paragraph: "Its purpose is to study common curricular problems and to make recommendations to the respective faculties for the purpose of securing faculty participation in defining content and scope of courses in the several colleges of the System." The motion to amend was seconded. Mr. E. C. A. Lasch moved to lay the principal motion on the table; this motion was seconded, put to a vote, and carried.
PREREGISTRATION. Mr. R. D. Clark gave notice of motion, on behalf of the special Committee on Preregistration: (1) That the preregistration process be limited to the advising functions only. (2) That a Monday or Tuesday evening in the fall and winter terms be set aside for preregistration group conferences between advisers and advisees, and that this be followed by individual conferences as needed for effective advising. (3) That final advising and admission to classes for the winter and spring terms be conducted on the first day of those terms, which shall be designated Registration Day, and at which time no classes shall be scheduled. (4) That the period for the completion of registration without penalty shall be determined by the Schedule Committee.

RECENT STATE SYSTEM TRENDS. Mr. R. R. Haastis moved, on behalf of the Advisory Council, (1) that the following statement be adopted as an expression of the sentiment of the faculty of the University of Oregon; (2) that the secretary of the faculty be instructed to transmit copies to members of the Oregon State Board of Higher Education and to the Chancellor of the State System; and (3) that the statement be released to the press by the secretary of the faculty:

Recent events, growing out of the Anderson Report on teacher training in the State System of Higher Education, have deeply disturbed the faculty of the University of Oregon. Starting from a single specific problem — teacher education — the issues have been progressively widened. Principles long accepted appear to be forgotten or controverted; new concepts, introduced without examination, seem to pass without challenge. Discussion has proceeded with apparent disregard for established aims and procedures, and with inadequate consideration of long-term implications for the welfare of higher education in the state. In their cumulative effect, these events constitute a crisis in the development of the State System of Higher Education.

The State System was created by legislative act in 1929 in order to end a situation which had become intolerable to the people of Oregon — a situation in which state institutions of higher education were engaged in open competition and rivalry, each seeking its own advancement without regard to the others and using various means of political pressure and maneuver to that end. The resources available for education, necessarily limited, were wasted in uneconomic duplication of programs and facilities. After years of costly and unseemly turmoil, the competing institutions were united in a single System of Higher Education, under a single Board and a single executive officer.

The aim of the System was to provide the best possible education for the young people of the state within the limits of available resources. The means was a division of labor. Each institution was assigned a definite function, to provide instruction in designated fields for the state as a whole. A planned, orderly, and economical development was thus made possible, through a central authority guided by principle, able to adjudicate disputes between the institutions, to resist the pressures of special groups and regional interests, and to provide first-class instruction in all fields without waste.

Is this system still in operation? Or are we returning to the chaos and waste of the 1920s?

These questions are asked in all seriousness. In recent months, every part of the allocation pattern has been brought into question; recommendations, suggestions, and demands, heard in one quarter or another, have covered the full range of higher education: the liberal arts, professional fields, and graduate work. The most significant of these events are the following:

1. The liberal arts

The Anderson Report proposed (Recommendation I) that the colleges of education at Ashland, La Grande, and Monmouth, and the center in Portland, be authorized to expand their upper-division offerings in the broad liberal-arts fields of the humanities, the social sciences, and science-mathematics in order to prepare students for teaching in the secondary schools. This recommendation has been approved by the State Board.
It was next proposed (Recommendation II) that the colleges of education be empowered to grant liberal-arts degrees. The Anderson Report recommended the granting of B. A. and B. S. degrees by these schools, but defended them on the ground that some students, induced by the availability of these degrees to enter the colleges of education, would eventually transfer to the teacher-education program. The Report thus preserved at least a nominal connection with its purpose, that of improving teacher training. Recent discussion — recognizing the obvious objection to standard liberal-arts degrees, the B. A. and the B. S., based on a small number of broad courses designed for the training of teachers — has supported a baccalaureate degree in general studies. At the same time, the claim that this degree would contribute to teacher education has been all but abandoned; rather, the argument is now grounded on the needs of young people in the regions served by the colleges of education. Representatives of the colleges have repeatedly used this argument, and Chancellor Byrne, in a radio talk on January 26, stated explicitly that the approval of Recommendation II would "make these institutions regional colleges offering general studies programs in the liberal arts and sciences."

In all the discussions of Recommendation II, representatives of Oregon State College have asked for authorization to offer baccalaureate degrees in the liberal arts, if these were granted to the colleges of education. Their case is grounded on the availability of the resources for such a program. No claim is made for a justification in terms of teacher training or of regional needs, nor is the duplication involved considered to be a barrier.

Recommendation II, assigning a new liberal-arts function to the colleges of education, was at first rejected by the Board. It has been revived, however, by the creation of a special subcommittee, and is now once again under active consideration. If authorized in the form proposed, the resulting programs will be thin fare, a mere shadow of truly liberal education — a dubious gift to the people of southern and eastern Oregon. If developed to provide solid liberal training, they will be a heavy additional expense to the whole state.

In addition, there is the proposal of a four-year degree-granting institution in Portland. The State Board has already indicated its intention to move gradually toward the establishment of such an institution. Whatever the merits of this decision, it must be recognized that such an institution is bound to duplicate in an extensive and serious way the facilities for liberal-arts training existing both in the private schools of the Portland area and in the publicly supported units of the State System as a whole. House Bill 131 — not endorsed by the Board and quite possibly opposed by it, yet a very real element in the present situation — would, of course, carry this duplication far beyond anything that the Board has yet contemplated.

2. Professional education

In sections already approved by the Board, the Anderson Report extends professional training in one field — elementary and secondary teaching — into every unit of the State System. In this field, obviously, duplication has now become universal.

Proposals have already been made involving similar duplication in other professional fields. Strong pressures exist for the establishment of a school of business in Portland; House Bill 131 specifically provides for a program in business administration. If the old principle of avoiding costly duplication is discarded, and if the needs of a particular region are now to be regarded as the basis for changes in allocation, then such pressures will be difficult to resist.

Parallel requests are sure to be made in other professional areas. For years there has been pressure for work in agriculture at Eastern Oregon College of Education. In its references to journalism, physical education, and music, the Anderson Report has planted the seed for similar requests in these fields. It is obvious that comparable demands will be made in engineering, home economics, law, and other fields.

Such pressures have been resisted by the Board in the past. But does the Board still hold to the principles which guided its judgment in earlier days, and which permitted orderly, economical growth through rational decisions?
3. Graduate education

Until a year ago, graduate study in education was limited to Oregon State College and the University. At this time, but on a tentative basis as an emergency measure, the colleges of education were authorized to offer graduate work in elementary education during the summers. The Anderson Report, while acknowledging that this break in the allocation pattern has been premature, proposed that it be continued because it could not now be undone. What is this but drift— action without choice, commitment without decision?

For the colleges of education, the obvious next step is a request for graduate work in secondary education and in general studies. Here as elsewhere, it will be argued that facilities already exist; the situation need only be recognized by formal action of the Board. Thus the division of labor is gradually whittled away.

In Portland, duplication at the graduate level is already extensive, and will doubtless be greatly increased in the future, not only in education but in other fields. In this connection, House Bill 171 is once again a clear sign of the times—of the pressures for an abandonment of the principle of division of labor upon which the State System was founded. Changes in Portland will of course occur; no one opposes a rational development there, or elsewhere in the state. But will this growth be a planned and orderly one, without unwarranted expense to the state as a whole? The situation in Portland, with its pressures and ambitions, with its complex pattern of private and public institutions, with its confusion of extension and daytime programs, creates an atmosphere favorable to clever operators and local partisanship.

It is neither strange nor improper that the faculty or the University of Oregon is disturbed by these developments. A University serves society by the critical examination and preservation of values, and by the increase and dissemination of knowledge. It must always be sensitive to public needs, and especially so when it is publicly supported. It must be ready to accept onerous duties, when the common good requires them—to make sacrifices, when social realities demand them. But it cannot remain silent when the framework by which it is sustained is threatened, when its service to the state is impeded by political pressures, disorderly procedures, and nasty decisions.

It is in this spirit that the faculty of the University of Oregon transmits this statement to the Oregon State Board of Higher Education.

Mr. Huestis' motion was seconded, put to a vote, and carried unanimously.

APRIL FACULTY MEETING. Mr. Washke moved, on behalf of the Faculty Senate, that the April 1955 faculty meeting be held on Wednesday, April 8. The motion was seconded, put to a vote, and carried.

STATE OF THE UNIVERSITY. President Newbain reported briefly to the faculty concerning the operation of the new G. I. Bill of Rights, prospects for the continuation of the college deenement program, the curtailment of national R. O. T. C. enrollment quotas, national social security legislation, a recently proposed plan for universal military training, proposed amendments to the National Science Foundation Act, and the present state of deliberations in the Oregon Legislature concerning the higher-education budget.

There being no further business, the meeting was adjourned.

George W. Belknap
Secretary
REGULAR MEETING OF THE FACULTY

April 8, 1953

The meeting was called to order by President Newburn. The minutes of the meeting of March 4, 1953 were read and approved.

SCHOLARSHIP COMMITTEE. Mr. Waldo Schmuesher, chairman of the Scholarship Committee, requested that members of the faculty check with the Office of Student Affairs concerning students registered in their courses, who have no record of class work, before reporting grades of F.

PREREGRISTRATION. Mr. R. D. Clark moved, on behalf of the special committee on Preregistration: (1) That the preregistration process be limited to the advising functions only. (2) That a Monday or Tuesday evening in the fall and winter terms be set aside for preregistration group conferences between advisers and advisees, and that this be followed by individual conferences as needed for effective advising. (3) That final advising and admission to classes for the winter and spring terms be conducted on the first day of those terms, which shall be designated Registration Day, and at which time no classes shall be scheduled. (4) That the period for the completion of registration without penalty shall be determined by the Schedule Committee.

The motion was seconded. Mr. F. R. Wasilk, secretary of the Faculty Senate, reported that the Senate recommended its approval. After discussion, the motion was put to a vote and carried.

ADVISORY COUNCIL NOMINATIONS. President Newburn announced that a nominating ballot would be cast for the selection of candidates for election to the Advisory Council. Mr. C. M. Willard requested that the names of present members of the Council be announced. The chairman stated that it has been a longstanding faculty custom that the names of present Council members not be announced before the casting of nominating or electing ballots, and asked for a show of hands on the question of following this custom. The show of hands indicated that the faculty did not wish the names announced. The ballot was then cast. Mr. C. L. Constance and Mr. Martin Schmitt served as tellers. The following candidates were nominated:

W. C. Ballaine
C. B. Beall
E. A. Cykler
R. T. Ellickson
K. S. Ghent
O. J. Hollis
C. G. Howard
R. R. Huebts
F. L. Kleinsorge
A. H. Kunz
R. C. A. Lesch
C. W. Macy
V. F. Morris
A. F. Moursund
I. M. Niven
Hoyt Trowbridge
B. S. Wengert
Gordon Wright

FACULTY SENATE NOMINATIONS. The faculty cast a nominating ballot to select candidates for election to the Faculty Senate as representatives of the general faculty. Mr. Constance and Mr. Schmitt served as tellers. The following candidates were nominated.

Liberal Arts

STATE OF THE UNIVERSITY. President Newburn reported on developments in regard to the State System budget in the Legislature, on spring-term enrollment, and on the recent award of Ford Foundation and National Science Foundation fellowships to University faculty members and students.

There being no further business, the meeting was adjourned.

George N. Beldnap
Secretary

REGULAR MEETING OF THE FACULTY

May 6, 1953

The meeting was called to order by Dean Jones. The minutes of the meeting of April 8, 1953 were read and approved.

ADVISORY COUNCIL ELECTION. The faculty cast a series of ballots for the election of the Advisory Council for 1953-54. Mr. Martin Schmitt, Mr. N. H. Oswald, Mr. W. S. Sprague, Mr. J. A. Carlson, and Mr. P. J. Powers served as tellers. The following members were elected by majority vote:

W. C. Balleine
E. A. Cukler
R. R. Ruestis

C. W. Macy
I. M. Niven
Hoyt Trowbridge

FACULTY SENATE ELECTION. The faculty cast a ballot for the election of representatives of the general faculty in the Faculty Senate for two-year terms, beginning July 1, 1953. Mr. C. L. Constanze, Mr. F. R. Lacy, Mr. F. E. Dart, Mr. Paul Civin, and Mr. L. E. Anderson served as tellers. The following persons were elected by majority vote:

Liberal Arts

R. D. Clark
W. A. Dahlberg
R. T. Ellickson
R. R. Ruestis
P. L. Kleinsohrge
C. W. Macy
Hoyt Trowbridge

Professional

W. C. Balleine
F. A. Gutchert
E. A. Cukler
C. W. Hintz
O. J. Hollis
C. G. Howard
K. J. O'Connell

RETIREMENT. Mr. J. C. Lindstrom, University business manager, and W. R. Pierron, representative of the Federal Social Security Administration, explained to the faculty the provisions of the new Oregon public employees' retirement act and the benefits of the Federal social-security system.

ADVISORY COUNCIL REPORT. Mr. Hoyt Trowbridge, chairman of the Advisory Council, presented the spring-term report of the Council. The report is filed in the office of the secretary of the faculty as a part of these minutes.

STATE OF THE UNIVERSITY. Dean Jones discussed briefly the salary-increase appropriation for the State System voted by the 1953 Oregon Legislature.

There being no further business, the meeting was adjourned.

George N. Beldnap
Secretary
REGULAR MEETING OF THE FACULTY

June 3, 1953

The meeting was called to order by President Newburn. The minutes of the meeting of May 6, 1953 were read and approved.

STATE OF THE UNIVERSITY. President Newburn explained the positive oath which members of the faculty, under Oregon state law, will be required to sign, outlined the major features of the 1953-54 budget of the State System of Higher Education, and discussed the policies and practices of the University in regard to staff evaluation, salary adjustments, promotion, and tenure.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary

SPECIAL MEETING OF THE FACULTY

June 15, 1953

The meeting was called to order by President Newburn. In accordance with established practice at special meetings of the faculty, the reading of the minutes of the meeting of June 3, 1953 was postponed until the next regular meeting of the faculty.

RECOMMENDATIONS FOR DEGREES. Mr. C. L. Constance, University Registrar, certified to the faculty the successful completion of all degree requirements by the candidates whose names appear on the official 1953 degree list compiled in the Registrar's Office. A copy of this list is filed in the office of the secretary as a part of these minutes.

Mr. F. R. Washke moved that the faculty of the University of Oregon recommend that the Oregon State Board of Higher Education confer upon the students whose names are included in the official list compiled by the University Registrar the degrees for which they have satisfied all requirements. The motion was seconded, put to a vote, and carried.

STATE OF THE UNIVERSITY. President Newburn spoke briefly concerning his resignation to accept the presidency of the Center for Television and Radio. He stated that the decision had been a difficult one, and that he was leaving the University with sincere regrets. He praised the faculty for its intelligent leadership in the development of the University and for its strong support of high ideals and standards for higher education in the state of Oregon, and expressed confidence that this leadership would be maintained in the years ahead.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary
REGULAR MEETING OF THE FACULTY

October 7, 1953

The meeting was called to order by Acting President Morris. The minutes of the meetings of June 3 and June 13, 1953 were read and approved.

INTRODUCTION OF NEW FACULTY MEMBERS. Fifty-two members of the faculty and seven faculty members returning from leaves of absence were introduced by deans and division heads or their representatives, and were welcomed by Acting President Morris.

REPORT OF THE FACULTY SENATE. Mr. R. D. Clark, secretary of the Faculty Senate, reported that the minor faculties of two schools have elected new members of the Senate: the School of Health and Physical Education, Mr. A. A. Esslinger, to fill the unexpired portion of the term of Mr. R. W. Leighton, retired; and the School of Law, Mr. Edward Morton, to fill the unexpired portion of the term of Mr. F. R. Lacy, on leave of absence. Mr. Clark also reported that the Senate has elected the following officers for the coming year: Mr. O. J. Hollis, chairman; Mr. F. L. Kleinsorge, vice-chairman; Mr. R. D. Clark, secretary.

REPORT OF THE ADVISORY COUNCIL. Mr. Hayt Trowbridge, chairman of the Advisory Council, presented a report from the Council. The report, which dealt principally with the work of the Advisory Council in connection with the search for a new President of the University, is filed in the office of the secretary as a part of these minutes.

SELECTION OF UNIVERSITY PRESIDENT. Mr. C. G. Howard moved that the Advisory Council continue to represent the faculty in the selection of a President for the University, and that the secretary of the faculty transmit this motion to the Chancellor. The motion was seconded, put to a vote, and carried, unanimously.

STATE OF THE UNIVERSITY. Acting President Morris spoke briefly on the great contribution made by President Newburn to the progress of the University, and stated that the healthy condition of the institution will make his task as interim President a relatively simple one. He pointed out, however, that the University faces some immediate and serious problems, such as developments in Portland and relations with the colleges of education, and that, in dealing with these problems, the full cooperation of the faculty and the administration will be essential.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary

REGULAR MEETING OF THE FACULTY

November 4, 1953

The meeting was called to order by Acting President Morris. The minutes of the meeting of October 7, 1953 were read and approved.

NOTICE OF MOTION ON BACHELOR OF LAWS DEGREE. Mr. O. J. Hollis gave notice that he would move, at the December 1953 meeting of the faculty, on behalf of the minor faculty of the School of Law, that the minimum credit requirement for the Bachelor of Laws degree be increased from 260 term hours, including 120 term hours of professional work in the School of Law, to 263 term hours, including 123 term hours of professional work in the School of Law, effective with the graduating class of 1955.
NOTICE OF MOTION ON BACHELOR'S DEGREE IN LIBERAL ARTS. Mr. E. L. Johnson gave notice that he would move, at the December 1953 meeting of the faculty, on behalf of the minor faculty of the College of Liberal Arts, that all candidates for a bachelor's degree with a major in the College of Liberal Arts be required to complete six group-satisfying course sequences, four of them in accordance with the present University regulations, and two additional sequences to be chosen from courses numbered 100-110, 200-210, and 300-310; the student must choose two sequences from each of the three groups, Arts and Letters, Social Science, and Science.

REQUEST FOR REPORT FROM ACADEMIC REQUIREMENTS COMMITTEE. Mr. A. H. Kunz moved that, since the Academic Requirements Committee has completed a comprehensive study pertaining to the effect of the proposed new group requirements for majors in the College of Liberal Arts on preprofessional curricula, this faculty request its Academic Requirements Committee to make available to the Faculty Senate and the faculty a report on its study and conclusions, when consideration is given to the motion for which notice has been given by Mr. Johnson. The motion was seconded, put to a vote, and carried.

STATE OF THE UNIVERSITY. Acting President Morris reported that final fall-term enrollment in the University is down a little less than 4 per cent from last fall, announced that the Oregon State Board of Higher Education will meet on the campus on November 20 and 21 and that the faculty will have an opportunity to meet Board members and executives of the State System at a dinner on the evening of November 20, and expressed his appreciation of the cooperation of the faculty in connection with the various problems confronting his interim administration.

George N. Belknap
Secretary

REGULAR MEETING OF THE FACULTY
December 9, 1953

The meeting was called to order by Acting President Morris. The minutes of the meeting of November 4, 1953 were read and approved.

JANUARY FACULTY MEETING. The chairman announced that the January 1954 meeting of the faculty would be postponed from January 6 to January 13.

COURSE CHANGES. Mr. R. D. Clark, secretary of the Faculty Senate, moved on behalf of the Senate that the proposed course changes listed on pages 1-21 of the report of the Committee on Courses, dated November 25, 1953, be approved. The motion was seconded, put to a vote, and carried. The report is filed in the office of the secretary as a part of these minutes. While business from the Committee on Courses was under consideration, Mr. Belknap, secretary of the faculty, left the chairman's table to assist the chairman of the committee. Mr. C. L. Constance served as secretary pro tempore during this period.

DOUBLE-NUMBERED COURSES. Mr. P. L. Kleinsorge, chairman of the Committee on Courses, presented the following statement from the committee for the information of the faculty:

'The general policy concerning double-numbering of courses, established by the University faculty at its February 1953 meeting, provides that 'each course... shall carry a single letter-symbol indicating the primary administrative responsibility of one division for the instruction involved.' The legislation also provides for exceptions to the general rule on the basis of (1) evidence that a major portion of the subject matter of the course falls within the recognized fields of
more than one instructional division,' and, in addition, (2) 'evidence that cross-reference listing in the Catalog, under a single letter-symbol, would not provide adequate recognition of the interest of other divisions.' Finally, the legislation provides for a review of all existing cases of plural letter-symbols by the Committee on Courses in the fall of 1953 in the light of established policy—the responsibility for presenting evidence for the continuance of the plural letter-symbol practice to rest with the schools and departments involved.

The Committee on Courses has requested and has received recommendations from the schools in regard to all such courses now listed in the Catalog. In several cases, the discontinuance of the double-symbol practice has been recommended, and these recommendations have been approved by the committee.

"In other cases, the continuation of the double-symbol practice has been proposed by the schools. The committee has examined the supporting evidence presented, in the light of the policy legislation, and has held conferences with deans and department heads concerned to obtain further information.

"In all cases where continuation of the practice is proposed, the divisions concerned have presented clearly satisfactory evidence 'that a major portion of the subject matter ... falls within the recognized field of more than one instructional division.' But the legislation also requires, 'in addition, evidence that cross-reference listing ... under a single letter-symbol would not provide adequate recognition of the interest of other divisions.' The committee must report that, in its judgment, none of the proposals are accompanied by satisfactory evidence on this point.

The faculty legislation provides that, 'where such evidence is lacking,' it is the responsibility of the several schools to propose the assignment of a single letter-symbol. The committee has communicated to the divisions concerned its judgment in regard to the several proposals to continue the double-symbol practice; in no case has this resulted in a proposal for the assignment of a single letter-symbol.

"The committee has devoted much thought to its proper action in this situation. It doubts whether the legislation gives it authority to initiate single-symbol assignments without recommendations from the minor faculties. And, clearly, such action by the committee, in the absence of supporting information, would be arbitrary. The committee has decided simply to report the facts to the faculty. It will take no further action concerning the courses involved without further instructions from the faculty. But it wishes to place on record its judgment that, under the second criterion set forth in the faculty legislation, the committee has not received satisfactory evidence to justify the continuation of double letter-symbols for these courses."

Mr. R. E. Clark moved, on behalf of the Faculty Senate, that the report of the Committee on Courses on double-listed courses be approved and that the committee be authorized to continue negotiations with the instructional divisions involved with a view to more complete application of the policy adopted by the faculty in its legislation of February 1953. The motion was seconded.

Mr. E. L. Johnson moved to amend by adding the words, "it being understood that resulting proposals for any course changes be processed according to normal course-change procedure." The motion to amend was seconded, put to a vote, and carried. The principal motion, as amended, was put to a vote and carried.

BACHELOR OF LAWS DEGREE. Mr. K. J. O'Connell moved, on behalf of the minor faculty of the School of Law, that the minimum credit requirement for the Bachelor of Laws degree be increased from 250 term hours, including 120 term hours of professional work in the School of Law, to 263 term hours, including 123 term hours of professional work in the School of Law, effective with the graduating class of 1955. The motion was seconded. Mr. Clark reported that the Faculty Senate recommended its approval. The motion was put to a vote, and carried.

BACHELOR'S DEGREE WITH MAJOR IN LIBERAL ARTS. Mr. E. L. Johnson moved, on behalf of the minor faculty of the College of Liberal Arts, that all candidates for a bachelor's degree with a major in the College
of Liberal Arts be required to complete six group-satisfying course sequences, four of them in accordance with present University regulations, and two additional sequences to be chosen from courses numbered 100-110, 200-210, and 300-310. The student must choose two sequences from each of the three groups, Arts and Letters, Social Science, and Science, provided that the sequences in Social Science and in Science shall be in different departments. The motion was seconded. Mr. Clark reported that the Faculty Senate recommended its approval.

Mr. A. H. Kunz moved that, because of the seriousness of certain issues involved in the motion now before the faculty, consideration of this motion be postponed until the January 1956 meeting of the faculty. The motion was seconded, put to a vote, and defeated.

Mr. Johnson moved to amend his own motion by adding the following: "The following limitations shall apply to premedical and predental students: (1) That, after a three-year period, the President shall appoint a committee to review this legislation and its effect upon three-year premedical and predental students and to make recommendations to the faculty. (2) That the three-year period shall be interpreted as applying to the junior classes seeking admission to the Medical and Dental Schools in the years 1956, 1957, and 1958. (3) That, during the three-year period, the legislation shall not apply to students admitted to the Medical and Dental Schools from other accredited institutions who seek their baccalaureate degrees from the University of Oregon." The motion to amend was seconded, put to a vote, and carried.

Mr. Kunz moved to amend by adding the following: "However, the requirement of the two additional group-satisfying course sequences shall not apply to candidates who, after a three-year preprofessional liberal-arts program, complete their work for the B.A. or B.S. degree in the professional fields of dentistry, medicine, or medical technology." The motion to amend was seconded.

Mr. P. R. Washke moved that Mr. Johnson's motion as amended, together with the pending amendment, be laid on the table until the next meeting of the faculty. This motion was seconded, put to a vote, and carried.

Mr. Kunz moved that, after consultation with the president of the Faculty Senate, the Acting President of the University appoint a committee to review evidence already collected pertaining to the effect of the six-course group-requirement plan of the College of Liberal Arts on the premedical and other preprofessional programs of the University, and to make their findings available to the Senate and the faculty at their next meetings. The motion was seconded.

Mr. R. T. Ellickson moved that consideration of this motion be postponed until the next meeting of the faculty. This motion was seconded, put to a vote, and defeated.

Mr. J. M. Niven moved, as a substitute for Mr. Kunz's motion, that the Acting President be requested to have the report of the Academic Requirements Committee on the effect of the proposed six-course requirement on premedical and predental curricula mimeographed and distributed to the faculty before the next meeting of the faculty. Mr. Niven's motion was seconded. Mr. Kunz stated that he would accept this as a substitute for his motion for the appointment of a committee. Mr. Niven's motion was put to a vote and carried.

NOTICE OF MOTION ON LANGUAGE REQUIREMENT FOR PH.D. Mr. Ellickson gave notice of motion, on behalf of the Graduate Council, that, in the case of a foreign student whose native language is not English, English may be substituted for French or German for the Ph.D. language requirement, provided the native language is necessary in his field of research.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary of the Faculty
The meeting was called to order by Acting President Morris. The minutes of the meeting of December 9, 1953 were read and approved.

BACHELOR'S DEGREE WITH MAJOR IN LIBERAL ARTS. The chairman announced that a motion by Mr. E. L. Johnson and a pending amendment to this motion by Mr. A. H. Kunz, introduced at the December 1953 meeting, had been "laid on the table until the next meeting of the faculty." He stated that he would interpret the intent of this action to be postponement until the next meeting of the faculty, and would rule that the main motion involved and the pending amendment were now before the faculty for further consideration. The secretary then read the main motion, as follows:

That all candidates for a bachelor's degree with a major in the College of Liberal Arts be required to complete six group-satisfying course sequences, four of them in accordance with present University regulations, and two additional sequences to be chosen from courses numbered 100-110, 200-210, and 300-310. The student must choose two sequences from each of the three groups, Arts and Letters, Social Science, and Science, provided that the sequences in Social Science and Science shall be in different departments. The following limitations shall apply to premedical and pre-dental students: (1) That, after a three-year period, the President shall appoint a committee to review this legislation and its effect upon three-year premedical and pre-dental students and to make recommendations to the faculty. (2) That the three-year period shall be interpreted as applying to the junior classes seeking admission to the Medical and Dental Schools in the years 1956, 1957, and 1958. (3) That, during the three-year period, the legislation shall not apply to students admitted to the Medical and Dental Schools from other accredited institutions who seek their baccalaureate degrees from the University of Oregon.

The secretary then read the pending amendment, as follows:

However, the requirement of two additional group-satisfying course sequences shall not apply to candidates who, after a three-year preprofessional liberal-arts program, complete their work for the B.A. or B.S. degree in the professional fields of dentistry, medicine, or medical technology.

With the consent of his second, Mr. Kunz withdrew his amendment.

Mr. H. R. Taylor moved that the vote on the main motion be by secret ballot. Mr. Taylor's motion was seconded, put to a vote, and carried.

A ballot being cast, Mr. Johnson's motion carried. Mr. C. L. Constance and Mr. Martin Schmitt served as tellers.

LANGUAGE REQUIREMENT FOR PH.D. Mr. R. T. Ellickson moved, on behalf of the Graduate Council, that, in the case of a foreign student whose native language is not English, English may be substituted for French or German for the Ph.D. language requirements, provided the native language is necessary in his field of research. Mr. R. D. Clark, secretary of the Faculty Senate, reported that the Senate recommended the approval of this motion. The motion was seconded, put to a vote, and carried.

MAJOR IN MEDICAL SCIENCES. Mr. Kunz moved the adoption of the following resolution:

Be it resolved that, since premedical-medical and predental-dental education are closely related responsibilities of the University faculty in Eugene and the faculties of the Medical and Dental Schools in Portland, the Eugene faculty recommends to the University of Oregon Medical School and the University of Oregon Dental School that the following recommendations be transmitted to the Chancellor and the State Board of Higher Education:

(1) That a major in medical sciences, leading to the Bachelor of
Arts or Bachelor of Science degree, be established in the University of Oregon.

(2) That the requirements for a B.A. or B.S. degree with a major in medical sciences shall include: (a) completion of a three-year pre-professional curriculum; (b) satisfaction of all general University requirements for a bachelor's degree, including special requirements for the B.A. or B.S. degree; (c) completion, in satisfaction of the major requirements, of one year of professional study at the University of Oregon Dental School or the University of Oregon Medical School—provided, however, that not more than 15 term hours of professional work may be counted toward the satisfaction of the 186-hour requirement for a baccalaureate degree.

Be it further resolved that, if the Dental School and the Medical School join in the approval of the above proposal, this proposal be submitted to the Chancellor and the Board through proper channels as the recommendation of the University faculty.

The motion was seconded. Mr. Kunz stated that his resolution was a modification of a motion, notice of which was given in the Faculty Bulletin for December 15, 1953. Mr. Clark reported that a motion to recommend the approval of Mr. Kunz' motion in its original form was defeated in the Faculty Senate.

Mr. Ellickson moved that action on Mr. Kunz' resolution be postponed indefinitely. The motion was seconded.

Mr. K. S. Wood moved that the resolution be laid on the table. The motion was seconded, put to a vote, and carried.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary of the faculty

REGULAR MEETING OF THE FACULTY
February 3, 1954

The meeting was called to order by Acting President Morris. The minutes of the meeting of January 13, 1954 were read and approved.

COMMUNICATION TO PRESIDENT-ELECT WILSON. Mr. R. D. Clark, secretary of the Faculty Senate, moved on behalf of the Senate that the following statement be adopted and that the secretary of the faculty be instructed to transmit it to President-Elect O. Meredith Wilson:

"We, the faculty of the University of Oregon, take this opportunity to express our pleasure in your appointment as President and to offer you our sincere good wishes. We are happy to welcome you and your family to the University community.

"Our tradition has always been one of mutual respect between administration and faculty, of faculty responsibility and participation under administrative leadership. We look forward to a pleasant and creative future in cooperation with you."

The motion was seconded, and adopted unanimously by a standing vote.

BACHELOR'S DEGREE FOR MEDICAL AND DENTAL STUDENTS. Mr. R. H. McConnaughey rose to speak concerning the action of the faculty at the January 1954 meeting in approving the six-sequence group requirement for majors in the College of Liberal Arts, and concerning the related question of the.
bachelor's degree for medical and dental students. Mr. R. D. Clark raised a point of order that no motion was before the faculty. The chairman ruled that a motion was required as a basis for discussion. Mr. McConnaughy then moved that three-year premedical students be excepted from the six-sequence group requirement. The motion was seconded. Mr. Clark then raised a point of order that this motion involved a change in policy and required notice. The chairman ruled that the motion required notice. Mr. McConnaughy then gave notice of a motion that three-year premedical students be excepted from the six-sequence group requirement.

STATE OF THE UNIVERSITY. Acting President Morris informed the faculty that President Wilson would arrive on the campus early in March, and that a faculty luncheon in his honor would be held on Saturday, March 13. He also reported briefly on plans for the new men's dormitory, on the general financial framework within which the 1954-55 University budget will be constructed, and on plans for the 1954 Commencement.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY
March 3, 1954

The meeting was called to order by Acting President Morris. The minutes of the meeting of February 3, 1954 were read and approved.

COMMUNICATION FROM PRESIDENT-ELECT WILSON. The secretary read the following communication from President-Elect O. Meredith Wilson, in response to the resolution adopted by the faculty at its February 1954 meeting: "I am grateful for the resolution of welcome and confidence which you have forwarded to me and shall do all I can to merit your trust."

GROUP REQUIREMENT FOR PREDENTAL AND PREMEDICAL STUDENTS. Mr. B. H. McConnaughy moved, in accordance with notice given in the February 9, 1954 issue of the Faculty Bulletin: "That the requirement, for majors in the College of Liberal Arts, of two group-satisfying course sequences in addition to the general University group requirement, adopted by the faculty at its January 1954 meeting, shall not apply to candidates who, after a three-year preprofessional liberal arts program, complete their work for the Bachelor of Arts or Bachelor of Science degree in the professional fields of dentistry, medicine, or medical technology."

The motion was seconded. Mr. R. D. Clark, secretary of the Faculty Senate, reported that a motion to recommend its approval was defeated in the Senate.

Mr. McConnaughy then moved that the vote on his motion be by secret ballot. This motion was seconded, put to a vote, and carried.

Mr. R. D. Clark asked for unanimous consent for the limit of debate to three minutes for each speaker. An objection being heard from the floor, the chairman stated that this proposal was lost.

After discussion, Mr. McConnaughy's motion was put to a vote by secret ballot and defeated. Mr. W. J. Dixon and Mr. K. S. Ghent served as tellers.

STATE OF THE UNIVERSITY. Acting President Morris spoke briefly concerning plans for welcoming President Wilson to the campus, and
concerning the present state of plans for the new men’s dormitory and
for increased seating capacity in McArthur Court and Hayward Stadium.
He stated that his experience as Acting President has been a very rich
one, and expressed his gratitude for the cordial support and cooperation
on the part of the faculty during his interim administration.

At the suggestion of Mr. C. P. Schleicher, the faculty expressed
by applause its appreciation of Mr. Morris’ services to the University
as Acting President.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY
April 7, 1954

Mr. Victor P. Morris called the meeting to order and introduced
President O. Meredith Wilson. President Wilson then took the chair.
The minutes of the meeting of March 3, 1954 were read and approved.

RESOLUTION ADDRESSED TO VICTOR P. MORRIS. Mr. R. E. Clark, sec-
retary of the Faculty Senate, moved on behalf of the Senate the adoption
of the following resolution addressed to Mr. Morris:

"We, the members of the faculty, wish to express our appreciation
to you for serving the University as its Acting President. We know that
your decisions have reflected devotion to the University and concern for
the welfare of the students and faculty. Knowing that your years of
service ably suited you for the honor and the responsibilities, we approved
your appointment, and we now welcome you back to your post on the faculty
and to your duties as dean of the School of Business Administration."

The motion was seconded, put to a vote, and approved by unanimous
vote.

ADVISORY COUNCIL NOMINATING BALLOT. A nominating ballot was cast
for the selection of candidates for election to the Advisory Council. Mr.
C. L. Constance and Mr. Martin Schmitt served as tellers. The following
candidates were nominated:

W. C. Ballaine
J. V. Berreman
F. A. Guthbert
E. A. Cyklar
W. A. Dahlberg
R. T. Ellickson
O. J. Hollis
R. R. Huestis
P. L. Kleinsorge

A. H. Kunz
E. C. A. Lesch
C. W. Macy
E. G. Moll
V. F. Morris
A. F. Moursund
J. M. Niven
K. J. O'Connell
Hoyt Trowbridge

STATE OF THE UNIVERSITY. President Wilson announced that, since
he would be absent from the campus on the regular meeting day, the May
1954 meeting of the Faculty would be postponed until Wednesday, May 12.
He expressed his personal appreciation for the services of Mr. Morris as
Acting President of the University, and stated that, as a result of Mr.
Morris’ leadership and the cooperation of the faculty during the interim
administration, he found the University in an excellent state. He reported
that the latest available figures for spring-term enrollment indicated that
the total would be somewhat larger than expected. He added, however, that
he did not believe that numbers of students are in any sense the most sig-
nificant measure of the health and progress of a university—that what is
important is that the University of Oregon maintain and strengthen its
position as the intellectual center of the state of Oregon.

There being no further business, the meeting was adjourned.

George N. Belknap
Secretary of the Faculty
The meeting was called to order by President Wilson. The minutes of the meeting of April 7, 1956 were read and approved.

LETTER FROM MR. TROWBRIDGE. The secretary read a letter from Mr. Hoyt Trowbridge informing the faculty that he would be absent from the campus during 1956-57, and would therefore not be able to serve as a member of the Advisory Council if elected, and stating that, for the same reason, he was submitting his resignation as a member of the Faculty Senate, effective July 1, 1956.

ADVISORY COUNCIL ELECTION. Two ballots were cast for the election of the Advisory Council for 1956-57. Mr. C. L. Constance, Mr. Martin Schmidt, Mr. K. S. Ghan, and Mr. N. H. Oswald served as tellers. The following faculty members were elected by majority vote:

E. A. Cukler
R. T. Ellickson
C. J. Hollis
C. W. Macy
I. M. Niven
K. J. O'Connell

REPORT OF THE ADVISORY COUNCIL. Mr. Trowbridge, chairman of the Advisory Council, presented the spring-term report of the Council. The report is filed in the office of the secretary of the faculty as a part of these minutes.

CERTIFICATION OF ATTENDANCE FOR FOREIGN STUDENTS. Mr. C. F. Schleicher gave notice of the following motion, on behalf of the International Affairs Committee:

The registrar, with the approval of the appropriate dean and of the President of the University of Oregon, is authorized to award a certificate of attendance, as described below, to each foreign student who is not a degree candidate and who has satisfactorily completed an approved program of studies at the University of Oregon.

Satisfactory completion will be interpreted to mean completed with a grade of C or better. An approved program of studies will be interpreted to mean a program of studies approved by the dean of the appropriate school or college. The certificate shall be granted to qualified foreign students upon the student's request. The certificate shall have the seal of the University of Oregon. The wording on the certificate shall be approximately as follows:

University of Oregon / Eugene, Oregon / Certificate of attendance for / International Students. / This will certify that / (John Ho) / has pursued a program of studies in / (the college or school as appropriate) / while in attendance at the University of Oregon / from (appropriate date to appropriate date) / Dean, college or school / President of the University.

STATE OF THE UNIVERSITY. President Wilson reported to the faculty concerning the recent decision of the Oregon Supreme Court in regard to the legal position of the Dental School. He stated that he did not believe that it is of crucial importance to whom the dean of the Dental School reports. The Supreme Court, however, went beyond this question in its decision, and ruled that the Dental School was a completely separate department of the State System, to which the University of Oregon gave only its name. At a special meeting of the Board of Higher Education, held since the Supreme Court decision, President Wilson said, he had felt it his obligation to insist that its name was a matter of vital importance to the University of Oregon as a body corporate, and that the University objected to its usual use by strangers. He added that members of the Board present at the meeting had agreed that this was a matter of major importance.

President Wilson also reported that the annual Duck Preview, held several weeks ago, had been an outstanding success, both in attendance and in the character of the program, and thanked members of the faculty for their part in this achievement. He stated that
the records of the Office of Admissions show that the number of prospective students indicating an interest in attending the University is between 25 and 30 per cent larger than a year ago.

There being no further business, the meeting was adjourned.

George N. Bellmap
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY

June 2, 1954

The meeting was called to order by President Wilson. The minutes of the meeting of May 12, 1954 were read and approved.

FACULTY SENATE ELECTIONS. The secretary reported that the College and the several schools have elected the following members of the Faculty Senate, to serve two-year terms: College of Liberal Arts: J. V. Berreman, H. E. Dean, K. S. Ghent, R. A. Littman, I. M. Niven, L. R. Sorenson, L. W. Staples. School of Architecture and Allied Arts: W. S. Hayden. School of Business Administration: W. J. Robert. School of Education: A. C. Hearn. School of Health and Physical Education: A. A. Esslinger. School of Journalism: C. T. Duncan. School of Law: F. R. Lacy. School of Music: George Hopkins.

CERTIFICATE FOR FOREIGN STUDENTS. Mr. C. F. Schleicher moved, on behalf of the International Affairs Committee, the adoption of the following motion:

The Registrar, with the approval of the appropriate dean and of the President of the University of Oregon, is authorized to award a certificate of attendance, as described below, to each foreign student, who requests it, and who has satisfactorily pursued studies at the University of Oregon.

"Satisfactorily pursued" shall be interpreted to mean completed with an average grade of C or better. The certificate shall bear the seal, and be signed by the appropriate dean and the President, of the University of Oregon. The wording on the certificate shall be approximately as follows:

University of Oregon/ Eugene, Oregon, U.S.A. / Certificate of Attendance / This will certify that / (John Doe) / has satisfactorily pursued studies in / (the college or school as appropriate) / while in attendance at the University of Oregon / from (appropriate date to appropriate date) / Dean, college or school / President of the University.

The motion was seconded. Mr. R. D. Clark, secretary of the Faculty Senate, reported that the Senate had voted to recommend its approval. The motion was put to a vote and carried.

NOMINATION TO FILM SENATE VACANCY. A ballot was cast for the nomination of candidates for election to fill the unexpired portion of the term of Mr. Hoyt Trowbridge as a member of the Faculty Senate. Mr. C. L. Constance and Mr. W. J. Dixon served as tellers. Mr. E. L. Johnson and Mr. E. C. A. Leach were nominated. President Wilson announced that the election would take place at the regular October 1954 meeting of the faculty.

There being no further business, the meeting was adjourned.

George N. Bellmap
Secretary
SPECIAL MEETING OF THE FACULTY

June 12, 1954

The meeting was called to order by President Wilson. In accordance with established practice at special meetings of the faculty, the reading of the minutes of the meeting of June 2, 1954, was postponed until the next regular meeting of the faculty.

RECOMMENDATIONS FOR DEGREES. Mr. C. L. Constance, University Registrar, certified the successful completion of all degree requirements by the degree candidates whose names appear on the 1954 official degree list compiled in the Registrar's Office.

Mr. P. R. Washke moved that the faculty of the University of Oregon recommend that the Oregon State Board of Higher Education confer upon the students whose names are included in the official list compiled by the University Registrar the degrees for which they have satisfied all requirements. The motion was seconded, put to a vote, and carried.

STATE OF THE UNIVERSITY. President Wilson announced that he would recommend to the State Board of Higher Education, at its June 15 meeting, the appointment of William C. Jones as Dean of Administration. He stated that he had arrived at this decision after consultation with the deans and members of the Advisory Council.

There being no further business, the meeting was adjourned.

George N. Beltman
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY

October 6, 1954

The meeting was called to order by President Wilson. The minutes of the meetings of June 2 and June 12, 1954, were read and approved.

SPECIAL FACULTY SENATE ELECTION. A ballot was cast for the election of a member of the Faculty Senate to fill the unexpired portion of the term of Mr. Hoyt Trowbridge, Mr. C. L. Constance and Mr. Martin Schmitt served as tellers. Mr. E. L. Johnson was elected.

INTRODUCTION OF NEW FACULTY MEMBERS. Forty-eight new members of the faculty and ten faculty members returning from leaves of absence were introduced by deans and heads of departments.

REPORTS OF COMMITTEES. Mr. R. D. Clark, secretary of the Faculty Senate, stated that the Senate had no report to make at this meeting. Mr. Waldo Schumacher, chairman of the Scholarship Committee, spoke briefly concerning the report of his committee, which has been distributed to the faculty through the campus mail.

CASWELL MEMORIAL. Mr. R. T. Ellickson presented the following memorial:

Albert E. Caswell, professor emeritus of physics at the University of Oregon, died in Eugene on June 18 of this year. He had reached his seventieth birthday on May 21 and was, therefore, granted less than a month beyond the proverbial three score and ten years.

Professor Caswell devoted nearly his entire professional career to this institution. Born in Winnipeg, Manitoba, he came to this country in 1905 at the age of twenty-one and earned his A.B. from Stanford University in 1908. In 1911 he received his doctorate from that institution, the first year the Ph.D. in physics had ever been
granted by Stanford. He spent two years as an instructor at Purdue University and then came to the University of Oregon in 1913. For the next 36 years, until his retirement in 1949, he devoted himself to this institution.

His professional talents were quickly recognized and he rose from his original rank of instructor in 1913 to professor in 1917, an interval of four years. For the first twenty years or so he was here the staff in physics consisted of only two, Professors Caswell and Boynton. In spite of the heavy demands on his time as a teacher which such an arrangement called for, he was able to maintain an active interest in research. He spent a year at Princeton as a National Research Fellow in 1919-20. His competence as a research man led to an invitation to write the section on thermoelectricity, his special field of research, for the International Critical Tables. His standing among the research scientists in this area is exemplified by the fact that he was the first president of the Oregon Society of Sigma Xi, an organization of research scientists. Aside from his research papers he wrote a textbook which went through two editions and found wide acceptance.

In 1932 he, along with many others, was transferred to Oregon State College as a part of the experiment to confine professional work in science to one institution in the State System of Higher Education. At his own request he was transferred back to the University in 1934 as head of the Physics Department. His vigorous insistence that a university without advanced work in science is not a university and his wide influence throughout the state played a large part in the movement which finally ended in the restoration of work in science at the University.

During World War II Professor Caswell served as a staff member of the Radiation Laboratories at M.I.T. He returned from that assignment in 1945 to his position as head of the Department of Physics, which he held until his retirement in 1949. For some time after his retirement he remained on a part-time basis with the University, serving as consultant to various research projects in the Department of Physics.

Along with his professional duties at the University, Professor Caswell found time for activities outside the University. He was active in civic affairs and was an especially active member of his church, having served as a trustee of the Westminster Foundation of Oregon since 1921 and as first vice-president of the Oregon Council of Churches. His influence with these groups, as with the University, was profound. His standing with the community was such that on many occasions he was able to attract financial support for causes in which he believed. An outstanding example is the telescope which now is mounted on top of the Science Building. Professor Caswell raised several thousand dollars in contributions from his many friends for the purchase of this fine instrument.

In tribute to Albert Edward Caswell, I move the acceptance by the faculty of the above memorial, with instruction that a copy of it be incorporated in the minutes of the faculty and another copy be transmitted to his family.

The motion was seconded, put to a vote, and carried unanimously.

TAYLOR AND BOYER MEMORIAL ADDRESSES. Mr. R. R. Raestis moved that copies of the addresses delivered at services held on the University of Oregon campus during the past summer in memory of two of our colleagues -- a service in memory of Howard Rice Taylor held on July 28, 1951 and a service in memory of Clarence Valentine Boyer held on August 13, 1951 -- be filed in the office of the secretary of the faculty as a part of these minutes. The motion was seconded, put to a vote, and carried unanimously.

STATE OF THE UNIVERSITY. President Wilson commented upon the classification and salary study of Oregon state employees which is being undertaken by Barrington Associates under a contract with an
Oregon legislative interim committee, and requested that, though the form on which information must be submitted is in many ways unsuited to a report of the duties of a University faculty, faculty members attempt to present an account of their functions as accurately as possible within the limitations of the form. He read extracts from a letter to him from the survey firm giving positive assurance that the individual reports of employees would remain confidential documents, used only as a basis for statistical conclusions, and would not be disclosed to administrators or legislators.

The President also reported the completion of Eric W. Allen Hall, the new home of the School of Journalism, and construction in progress on Virgil D. Earl Hall, a new men's dormitory, and for the enlargement of the seating capacity of McArthur Court.

There being no further business, the meeting was adjourned.

George N. Ballman
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY

November 3, 1954

The meeting was called to order by President Wilson. The minutes of the meeting of October 6, 1954, were read and approved.

CREDIT IN APPLIED MUSIC. Mr. Theodore Kratt gave notice of the following motion: That the restriction on the amount of credit in applied music which may be offered toward a bachelor's degree be amended to read as follows: Maximum for all students except music majors, 12 term hours; maximum for music majors toward the B.A. or B.S. degree, 24 term hours, of which not more than 12 term hours may be earned during the student's freshman and sophomore years.

There being no further business, the meeting was adjourned.

George N. Ballman
Secretary of the Faculty

** See page 926 for minutes of meeting, December 1, 1954

REGULAR MEETING OF THE FACULTY

January 12, 1955

The meeting was called to order by President Wilson. The minutes of the meeting of December 1, 1954, were read and approved.

TERM OF ADVISORY COUNCIL MEMBERS. Mr. I. M. Niven, chairman of the Advisory Council, moved on behalf of the Council that: Effective with the election of Advisory Council members to be held in May 1955, the term of Advisory Council members shall commence on the day following their election by the faculty and shall end upon the day when their successors are elected by the faculty. The term of the members of the Advisory Council elected in May 1954 shall end on the day when their successors are elected in May 1955. The motion was seconded. Mr. R. D. Clark, secretary of the Faculty Senate, reported that the Senate recommended its approval. The motion was then put to a vote and carried.

WILLIAM M. TUGMAN RESOLUTION. Mr. Clark moved, on behalf of the Faculty Senate: That the secretary of the faculty of the University of Oregon be authorized to spread upon the record the following statement and that a copy thereof be mailed to Mr. William M. Tugman, Reedport, Oregon:

"Learning with regret the resignation of Mr. William M. Tugman as
editor of the Eugene Register-Guard and aware of his long, devoted, and perceptive championship of the University, the faculty of the University of Oregon herewith records its gratitude:

"In particular, we remember his help in the defeat of the Zorn-McPherson Bill that would have destroyed the physical being of the University; his vigorous, and in the successful, editorial campaign for the return of sciences to the University; and, most recently, his assistance in the struggle for academic freedom.

"But, in general, we remember and gratefully acknowledge his daily professional conduct in which he carried out the responsibilities of an editor of a free press in a community of free men; in this exacting, arduous, and often heroic labor he has afforded the University and its faculty the kind of cooperation that for the State of Oregon as a whole might be described as exemplary and, in the sense of the word, educational."

In the secretary's covering letter to Mr. Tugman it is recommended that the following sentence appear: "This statement under a formal motion has been written into the minutes of the meeting of the faculty of the University of Oregon, January 12, 1955."

Mr. Clark's motion was seconded, put to a vote, and carried unanimously.

STATE OF THE UNIVERSITY. President Wilson reported that winter-term enrollment has maintained the upward trend established in the fall term. He commented briefly on the inaugural address of Governor Patterson, and stated that, whatever differences of opinions there may be on details, the University may well take special pride in the serious and courageous character of this address, delivered by an alumnus of the institution. Concerning the report on the salaries of Oregon state employees by Barrington Associates, he indicated that what little information he had concerning the conclusions appeared hopeful in relation to the salary program of the University and the State System.

There being no further business, the meeting was adjourned.

George N. Bellmap
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY

February 2, 1955

The meeting was called to order by Dean Jones. The minutes of the meeting of January 12, 1955 were read and approved.

COMMUNICATIONS. The secretary read the following communication from Mr. Ivan Niven, chairman of the Advisory Council: "This is in response to a question raised by Mr. A. H. Kunz at the December 1954 meeting of the faculty, on the topic of the possible responsibility of the Advisory Council for seeing that faculty committees make regular reports as required by faculty legislation. The Advisory Council has discussed this matter, and I am instructed to make the following reply. There is nothing in the legislation outlining the duties of the Council which would require the Council to act as an overseer or taskmaster to other faculty committees. Nor has the Council established any such procedure by precedent or custom. If any committee neglects its work, the Advisory Council can act appropriately when it makes recommendations to the President on the question of the membership of the committee."

The secretary also read a letter from Mr. William M. Tugman in response to the statement adopted by the faculty and incorporated in the minutes of the meeting of January 12, 1955. This letter is filed in the office of the secretary.

CERTIFICATE FOR STUDENTS IN NEPAL TEACHER-TRAINING PROGRAM.

Mr. W. D. Wattles, chairman of the Committee on International Affairs,
gave notice of the following motion, on behalf of his committee:

That the faculty authorize the issuance of a "certificate of attendance" to those who are now receiving or will receive training under a contract between the University of Oregon and the Foreign Operations Administration of the United States for teacher training in Nepal, and that this certificate shall be of either of two forms, depending on the one appropriate in each case. One form shall read:

University of Oregon. Eugene, Oregon, U.S.A. Certificate of Attendance. This will certify that (name of student) has satisfactorily completed a course of study directed by representatives of the faculty of the University of Oregon, under contract with the Foreign Operations Administration of the United States of America, to provide training for elementary teachers designated by the Government of Nepal. This program was offered at (institution in Nepal) to experienced teachers for a three-month period during the school year 195-1955. (Signed:) University of Oregon Representative in Nepal. Dean, University of Oregon School of Education. President, University of Oregon.

The second form shall be identical with the first except that the last sentence shall read: This program was offered at (institution in Nepal) to inexperienced teachers for a six-month period during the school year 195-1955.

There being no further business, the meeting was adjourned.

George N. Beltman
Secretary of the Faculty

REGULAR MEETING OF THE FACULTY

March 2, 1955

The meeting was called to order by President Wilson. The minutes of the meeting of February 2, 1955 were read and approved.

CERTIFICATE FOR STUDENTS IN NEPAL TEACHER-TRAINING PROGRAM.
Mr. W. D. Waddles, chairman of the Committee on International Affairs, moved on behalf of his committee:

That the faculty authorize the issuance of a "certificate of training" to those who are now receiving or will receive training under a contract between the University of Oregon and the Foreign Operations Administration of the United States for teacher training in Nepal, and that this certificate shall be of either of two forms, depending upon the one appropriate for each case. The one form shall read:

University of Oregon. Eugene, Oregon, U.S.A. Certificate of Training. This will certify that (name of student) has satisfactorily completed a course of study directed by representatives of the University of Oregon, under contract with the Foreign Operations Administration of the United States of America, to provide professional training for teachers designated by the Government of Nepal. This program was offered at the National Teacher Training Centre in Kathmandu to experienced teachers for a period of three months during the school year 195-56. University of Oregon Representative in Nepal. Dean, University of Oregon School of Education. President, University of Oregon.

The second form shall be identical with the first except that the last sentence shall read: "This program was offered at the National Teacher Training Centre in Kathmandu to inexperienced teachers for a period of six months during the school year 195-56.

The motion was seconded. Mr. R. L. Clark, secretary of the Faculty Senate, reported that the Senate recommended its approval. The motion was then put to a vote and carried.
LOUIS A. WOOD MEMORIAL. Mr. E. C. Robbins presented the following memorial:

"Louis A. Wood, professor emeritus of economics at the University of Oregon, died in Eugene on February 3 of this year.

"Professor Wood began his service with the University as an assistant professor in 1928 and retired twenty-five years later in 1949, the senior professor in point of service in his department. He was born in Canada, and received his B.A. degree from the University of Toronto in 1909. In 1908 he earned a B.D. degree at Montreal Presbyterian, and in 1911 the Ph.D. from the University of Heidelberg.

"Before accepting an appointment at this University, Professor Wood taught at Robertson College, Alberta, and at the University of Western Ontario. Following World War I, in addition to his academic duties he acted as adviser to the Ontario government. During this period he was the first to advocate officially a minimum wage for women and children, and he aided in the drafting of an acceptable law.

"The wide range of his scholarly interests can be shown best by noting titles from the list of his published books. These range from The Form and Origin of Milton's Antitrinitarian Conception to Union-Management Cooperation on the Railroads. He also contributed two volumes to the Chronicles of Canada series and wrote an extensive History of Farmers' Movements in Canada.

"Although his early training had been as a historian, he whole-heartedly adopted the field of economics upon his appointment to this University. In 1928-29 he was a Sterling Research Fellow at Yale University, and in 1933-34 he accepted an appointment as visiting professor at the University of Chicago. He was a member of the American Economic Association and a fellow of the Royal Economic Society.

"Professor Wood became a political economist in the broad sense of the term. Not content with merely academic work, he became an adviser to the Oregon State Industrial Accident Commission and a member of the National Board of the National Institute of Immigrant Welfare. Disturbed by the problems facing our economy after World War II, he entered actively into politics, and twice campaigned for congressional office.

"Following his retirement, Professor Wood expanded his studies of electric power in the Northwest. As late as last summer he published an article on "Thermal Electric Plants for the Northwest."

"In the death of Professor Wood, the University and the Northwest have lost an ardent scholar and a diligent student.

"Mr. President, in tribute to Louis Aubrey Wood, our late colleague, I move the acceptance by the faculty of this memorial, with instructions that a copy thereof be incorporated in the minutes of the faculty and that a copy be transmitted to his family."

Mr. Robbins' motion was seconded, put to a vote, and carried unanimously.

STATE OF THE UNIVERSITY. President Wilson reported that, from the best information available, it is unlikely that the overall 10 per cent cut of the state budget, recently voted by the Joint Ways and Means Committee of the Oregon Legislature, will actually be carried out; he stated that, in the opinion of influential members of the Ways and Means Committee, the budget of the State System of Higher Education and the University is a tight one, with little "fat" that can be eliminated. He also reported on the present status of the Barrington Associates state salary recommendations, and on aspects of these recommendations which the University and the State System find objectionable. He state that, although an attempt may be made to salvage some parts of the Barrington Report, it appears improbable that the Legislature will approve the whole program.

There being no further business, the meeting was adjourned.
