

Limited waivers will be granted in the following circumstances:

- Institutional funds that are directly supported with general fund dollars (e.g., Auxiliary building funds set up for accounting reasons, central power station)
- Funds where external commitments have been made to waive overhead (e.g., ORBIS, Shared Services Retirement Plans Management)
- Funds established to manage central strategic contracts (e.g., Fleet Copier program)
- Funds acting as a pass-through of direct federal funding, insurance proceeds or other third party reimbursements (e.g., work study funds received from the federal government)
- Funds set up for accounting purposes within units already paying overhead on initial payments
- Funds whose sole purpose is to support the creation and distribution of academic journals/publications
