

Student

Bangladesh

I was a resident of Bangladesh on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am temporarily present in the United States for the primary purpose of studying at the University of Oregon. I will be present in the United States only for such period of time as may be reasonably or customarily required to effectuate the purpose of this visit.

I will receive compensation for personal services performed in the United States. This compensation qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and Bangladesh in an amount not in excess of \$8,000 for any tax year. I have not previously claimed an income tax exemption for income received as a teacher, researcher, or student before the date specified in the next paragraph.

I arrived in the United States on _____ **[insert the date of your last arrival in the United States before beginning study at any United States educational institution]**. I am claiming this exemption for the period of time necessary to complete my education and training.
