

Student

France

I was a resident of France on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am temporarily present in the United States for the primary purpose of studying at the University of Oregon. I will be present in the United States only for such period of time as may be reasonably or customarily required to effectuate the purpose of this visit.

I will receive compensation for personal services performed in the United States. This compensation qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and France in an amount not in excess of \$5,000 for any taxable year. I have not claimed an income tax exemption for income received as a teacher, researcher, or student before the date specified in the next paragraph.

I arrived in the United States on _____ [*insert the initial date of arrival in the United States before beginning study at any United States educational institution*]. The treaty exemption is available only for compensation paid during a period of five years beginning on that date.
