The Netherlands

I was a resident of The Netherlands on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am temporarily present in the United States for the primary purpose of studying at the University of Oregon. I am claiming this exemption only for such period of time as is reasonably necessary to complete my education.

I will receive compensation for personal services performed in the United States. This compensation qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and The Netherlands in an amount not in excess of \$2,000 for any tax year.

I arrived in the United States on _____ [*insert the initial date of arrival in the United States before beginning study at any United States educational institution*].
