

Student

Pakistan

I was a resident of Pakistan on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am temporarily present in the United States solely as a student at the University of Oregon.

I will receive compensation for personal services performed in the United States. This compensation qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and Pakistan in an amount not in excess of \$5,000 for any tax year. I have not claimed an income tax exemption for income received as a teacher, researcher, or student before the date specified in the next paragraph.

I arrived in the United States on _____ [*insert the initial date of arrival in the United States before beginning study at any United States educational institution*]. I am claiming this exemption only for such a period of time as is reasonably necessary to complete the education or training.
