**Cyprus**

I was a resident of Cyprus on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am temporarily present in the United States for the primary purpose of studying at the University of Oregon.

I will receive compensation for personal services performed in the United States. This compensation qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and Cyprus in an amount not in excess of \$2,000 for any tax year. I have not claimed an income tax exemption for income received as a teacher, researcher, or student before the date specified in the next paragraph.

I arrived in the United States on \_\_\_\_\_ [*insert the date of your last arrival in the United States before beginning study at any United States educational institution*]. The treaty exemption is available only for compensation paid during a period of five tax-years beginning with the tax year that includes my arrival date, and for such additional period of time as is necessary to complete, as a full-time student, educational requirements as a candidate for a postgraduate or professional degree from a recognized educational institution.
