**Jamaica**

I was a resident of Jamaica on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am visiting the United States, for a period not expected to exceed two years, for the purpose of teaching or conducting research at the University of Oregon, which is a recognized educational institution. I will receive compensation for my teaching or research activities.

The teaching or research compensation received during the entire tax year (or during the period from \_\_\_\_\_ to \_\_\_\_\_) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Jamaica. I have not claimed an income tax exemption for income received as a teacher, researcher, or student before the date specified in the next paragraph.

I arrived in the United States on \_\_\_\_\_ [*insert the date of your last arrival in the United States before beginning the teaching or research services for which the exemption is claimed*]. The treaty exemption is available only for compensation paid during a period of two years beginning on that date.
