

Teacher

Portugal

I was a resident of Portugal on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I have accepted an invitation by the University of Oregon to come to the United States solely for the purpose of teaching or engaging in research at that educational institution. I will receive compensation for my teaching or research activities. Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

The teaching or research compensation received during the entire tax year (or during the period from _____ to _____) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Portugal. I have not previously claimed an income tax exemption under that treaty for income received as a teacher or researcher before the date specified in the next paragraph.

I arrived in the United States on _____ [*insert the date of your arrival in the United States before beginning the teaching or research services for which the exemption is claimed*]. The treaty exemption is available only for compensation paid during a period of two years beginning on that date.
