Dear Jennifer,

I took a child trauma seminar from you many years ago. It has always stuck with me, and I use betrayal trauma theory in my practice as a therapist on a daily basis! Thank you so much for your work and courage.

Warmly,

Dear Jennifer,

Thank you for a lifetime of courage and example —
as a colleague & a role-model you have been influential
and beneficial in ever-widening circles. Your visionary
analyses and your implacable activism are an inspiration.

XOXO

Jennifer-

Linda and I are delighted to support the work of the center you've created and hope that you find just the right balance for you between work and play. The play side of retirement can be awesome. 😊
