

Week 9 Agenda

Math 199—Math and the Creative Process: A Participatory Exploration of Number Theory

- Guest Heather Barnes working with us on museum blurbs, and introducing us to her work in math and science communication, museums, and improv
- We only meet on Wednesday this week, since Monday is Memorial Day.

Due this week: Discussion board responses on TUESDAY, Math writeup due on TUESDAY, Museum blurb exercise due on SATURDAY (Better to do it as soon as possible after Wednesday's class, though)

Due next week: “Exercises and Investigations” set 5 on WEDNESDAY, peer feedback on FRIDAY
