

Math 315, Elementary Analysis

Instructor: Weiyong He.

Office: Deady 211M. Tel: 541-3464720. Email: whe@uoregon.edu.

Time/Place: MTWF 10:00am-10:50am @ Deady Hall 301.

Textbook: *Understanding Analysis*, by Abbott.

Prerequisite: Math 253 or equivalent.

Office Hours: Mon & Wed 10:55 am---11:55 am or by appointment.

Class Website: Math 315.

Any information, post and handout will be posted on this site, including practice problems and answers.

Attendance: Please remember that if you miss a class it is your responsibility to find out what happened in that class.

Homework assignment: The homework will be assigned through Webwork.

Grades:

- Homework 20%, due each Tuesday on the material of previous week. There will be a discussion class on Tuesday each week.
- Quizzes 10% (two quizzes): Week 3 Friday, Oct 15, 2011 and Week 8 Friday, Nov 11, 2011.
- Midterm 25%: Exam day week 5 Friday, Oct 29, 2011.
- Final 45%: 10:15 Thursday, December 8, 2011 according to faculty legislation.
- Bring your UO ID for all tests. You can bring a 3 by 5 inches index card and a calculator.
- Missing quizzes or exams can only be acceptable with good excuse; doctor's note is an example of good excuse.

Special days: It could happen that I would be out of town (at most twice); in that case the class will be conducted by other professors.
