Guidelines for
MUE,MUJ,MUS 405/605
Reading and Conference: [Topic] (1-4R)

1. **Course Description:** Individual study of topics beyond the availability of the standard curriculum. Prereq: completion of all regularly scheduled courses related to the topic or equivalent; instructor's consent.

2. **Guidelines:**
 - a. When registering for MUE, MUJ, MUS 405/605, a student must also submit the *Permission to Register for Individualized Study* form (on reverse) to the Undergraduate or Graduate Office. This form must be submitted no later than the 1st day of Finals Week prior to the term of individualized study.
 - b. The number of credits for which a student enrolls shall correspond to the amount of work expected from that student.

 - c. In agreeing to supervise a reading and conference, the faculty member shall plan to meet with the student regularly throughout the term if the student is in residence.

 - d. Reading & Conference credit may not be given for preparation for recitals or final examinations, such as the master's orals or doctoral comprehensives.
