

1 New movie test

On the following page, you'll find a flash movie that has been embedded into this PDF file using the L^AT_EX code shown here:

```
\documentclass{article}
\usepackage{media9}
\usepackage[english]{babel}

\includemedia[
  activate=onclick,
  width=0.5\textwidth
]{\includegraphics{FlashPoster.jpg}}{blendone.swf}

\end{document}
```
