It is imperative that students be knowledgeable of curriculum and University requirements. Although professional advisors are available for academic advisement, students must assume personal responsibility for academic progress and completion of program.

³ MUS 358 also counts toward Arts & Letters group and Multicultural (IC) requirements of the Bachelor of Music degree.

★ WR 121 is a pre-requisite to MUS 267-269, Survey Music History, a music course series that must be taken during the sophomore year.

♦ Recommended Science group course for all music majors.

MUST be AC (American Cultures) or IP (Identity, Pluralism & Tolerance). If you choose wisely, this course can be double counted in the Arts and Letters, Science, or Social Science Group – this is recommended STRONGLY.

✱ Due to major code restriction of the Bachelor of Music degree, second and third Arts & Letters courses may not have MUS or MUJ subject code.

♦ Performance majors are required to take 5 credits of upper division music courses. These may be taken any term.

+ You may continue with the second year of study in one language or complete another year in a second language. The second year of a language will count towards the Arts & Letters requirements. If you take the first year of two languages, plan on taking two additional Arts & Letters.

^U Foreign language coursework may also be taken during summers. See advisor for details.
