

Season's Greetings 2021

Just answer the CLUES (A through Q), then transfer each letter (e.g., B-70) to the corresponding square in the GRID (70-B).

Work back and forth, using areas you have already solved to help figure out more of the puzzle.

Bonus prize: When you are finished, the first letters in the column of clues (reading downward) will reveal the profession and source of the completed quote in the puzzle.
